Attorneys for Tanner Robertson

DISTRICT COURT OF THE STATE OF UTAH
FOURTH JUDICIAL DISTRICT
WASATCH COUNTY

In the Matter of the children of TANNER DAHL ROBERTSON, Petitioner, v. JESSIKA CHAVEZ ANDRA, Respondent STATE OF UTAH, Office of Recovery Service, Intervenor.	**DECREE RE PATERNITY, CUSTODY, VISITATION, AND CHILD SUPPORT** Case Number: 244500045 Judge: Jennifer A. Mabey Commissioner Marla Snow

This matter having come before Honorable Jennifer A. Mabey, Petitioner Tanner Dahl Robertson (hereinafter "Tanner" or "Father") and Respondent Jessika Chavez Andra (hereinafter "Jessika" or "Mother") having executed and filed a written Stipulated Agreement ("Stipulation") filed with the Court on June 9, 2026, the agreement of the parties having been submitted and approved, the Court having reviewed the records and files herein and being fully advised in the premises, and for good cause shown, hereby ORDERS AND DECREES as follows:

JUDGMENT AND DECREE

1. Minor Children. The parties were never married. There is one (1) minor child as issue of the parties' prior relationship. Jessika is the biological mother and Tanner is the biological father of:

Minor Children's Initials	Month & Year of Birth
S.R.	September 2015

1. Legal 1Custody. Jessika and Tanner shall share joint legal custody of S.R.. Joint legal custody is supported under Utah Code § 81-9-203, as both parents have demonstrated the ability to meet S.R.'s needs, maintain consistent involvement in her life, and participate in decision-making regarding her education, medical care, extracurricular activities, religious upbringing, and overall wellbeing. Although communication difficulties exist, the information obtained suggests that these challenges are more appropriately addressed through structure, professional support, and dispute-resolution processes than through restrictions on either parent's legal custodial rights.

2. Physical Custody and Parent-Time. Pursuant to Utah Code § 81-9-305 Jessika and Tanner shall share joint physical custody of S.R. and exercise parent time pursuant to a 2-2-5-5 schedule. Under this schedule, S.R. shall reside with Jessika every Monday and Tuesday, with Tanner every Wednesday and Thursday, and the parties shall alternate weekends from Friday after school (or 3:00 p.m. if school is not in session) until Monday morning when S.R. is returned to school. If school is not in session on Monday, the exchange shall occur at 8:00 a.m. at the receiving parent's residence. The parent-time exchanges shall occur with the parent ending parent-time ensuring the minor child is transported to school and the parent beginning parent-time ensuring the minor child is picked up from school.

Exchanges will occur at school whenever possible. When school is not in session, exchanges shall occur curbside at the receiving parent's residence unless otherwise agreed by the parties. Either parent may designate a trusted adult to transport or pick up S.R. during their parent time. The parties shall ensure that any individual designated to transport S.R. is appropriately licensed, insured and known to S.R.. Neither parent shall unreasonably object to the other parent's use of a trusted family member, significant other, or other responsible adult for transportation purposes.

a. Holiday Parent-Time. The parties shall follow the holiday parent-time schedule set forth below, which shall take precedence over the regular parent-time schedule. Except as specifically modified herein, the parties shall exercise holiday parent-time consistent with Utah Code § 81-9-305. Given S.R.'s age and the parties' equal parent-time arrangement, the parties agree that only the following holidays shall supersede the regular parent-time schedule: Spring Break, Memorial Day weekend, Fourth of July, Labor Day weekend, Halloween, Thanksgiving Break, Christmas Break, Mother's Day, Father's Day, and S.R.'s birthday. All other holidays, school closure days, and school breaks not specifically identified herein shall follow the regular parent-time schedule. The parties shall alternate the foregoing holidays in even and odd years as set forth in the holiday schedule below and consistent with Utah Code Section 81-9-305. Mother's Day shall always be spent with Jessika, and Father's Day shall always be spent with Tanner. For purposes of holiday rotation only, Tanner shall be designated as the custodial parent. In addition, Jessika shall have parent-time with S.R. each July 23 from 12:00 p.m. until 8:00 p.m., and Tanner shall have parent-time with S.R. each December 17 from 12:00 p.m. until 8:00 p.m. These special parent-time periods shall supersede the regular parent-time schedule but shall not alter the alternating holiday rotation. For calendar year 2026 only, Jessika shoud have

Thanksgiving Break and the First Half of Christmas Break as provided in the schedule below, notwithstanding the normal holiday rotation. Beginning January 1, 2027, the holiday schedule below shall control and the parties shall alternate holidays in accordance with the rotation set forth herein.

b. Summer Parent-Time. The parties shall continue exercising parent-time pursuant to the 2-2-5-5 schedule during the summer months unless otherwise agreed in writing. The holiday schedule set forth above shall continue to supersede the regular parent-time schedule during summer breaks.

3. Communication Between Parties. The parties shall sign up by June 15, 2026 for Our Family Wizard ("OFW") and use the app for at least one year. After one year, the parties will decide to whether to continue using the OFW. If the parties cannot agree the parties will reach out to the Co-Parent Coordinator to help make a decision. If a decision can't be agreed on the parties will return to mediation and if not resolved, then either party may seek court intervention. OFW will be used as the primary method of communication for all non-emergency matters. All communication shall be brief, informative, respectful, and child-focused, with responses provided within 48 hours unless time-sensitive. The parties will consistently maintain the shared calendar for all appointments, activities, and relevant updates to ensure transparency and coordination. Each party shall pay the cost associated with his/her use of Our Family Wizard.

4. Coparent Counselor. Co-parenting counseling shall be used to improve communication, strengthen problem-solving skills, reduce conflict, and assist the parties in resolving parenting disputes in a manner that minimizes S.R.'s exposure to parental

conflict. The parties shall reach out to Marina Money to determine availability. If she isn't available or either party does not want to use Marina Money the parties shall reach out to Christy Kane to determine availability. If she isn't available or either party does not want to use Christy Kane the parties will exchange names and agree on one or Petitioner has until July 31, 2026 to submit three other names to Respondent who will have fifteen days to decide. If names are not provided by Petitioner by July 31, 2026, Respondent may select a provider and notify Petitioner.

a. Treatment shall emphasize: (1) business-like communication, (2) clear decision-making boundaries, (3) conflict resolution strategies, and (4) maintaining consistency for S.R. across households. The counselor shall also assist the parties in managing their differing communication styles to reduce misunderstandings.

5. Cell Phone and Electronic Communication. S.R. shall have one cell phone jointly administered by the parties. Petitioner shall obtain a new GAB account. Respondent shall purchase a phone for the child to use on the GAB account. Both parties will be listed as "Administrator" or "Parent" and each parent will have full access to parental controls. The parties shalll work together to jointly set parental controls. The phone shall travel with S.R. between households. The purpose of the phone shall be to facilitate communication with both parents, support S.R.'s safety, and provide age-appropriate independence while minimizing conflict between the parties. Neither parent shall withhold the phone from S.R. during the other parent's parent time except as necessary to enforce reasonable household rules regarding device usage.

a. While S.R. is at the other parent’s home, the other parent may have virtual parent time with S.R. at reasonable times. If either party believes that they are not receiving reasonable virtual parent time access, then that issue will be discussed first with the other party, then with the parent time coordinator and if necessary mediated before going to court.

b. Jessika and Tanner shall share equally in the service plan, and any agreed-upon expenses associated with the device. Each parent shall have equal access to parental controls, location-sharing features, and account management tools necessary to ensure S.R.'s safety and appropriate use of the device. Neither parent shall unilaterally alter parental control settings, passwords, or account access in a manner that restricts the other parent's ability to monitor or manage the device.

c. Jessika and Tanner, with the help of the coparent counselor and S.R.’s individual therapist, shall jointly develop age-appropriate rules regarding phone use, including permitted hours of use, screen time limits, social media access, internet usage, and communication expectations. Both parents shall support and enforce these rules across households.

d. Communication with S.R. by the non-custodial parent shall be reasonable in frequency and duration and shall not be intrusive, excessive, or interfere with the routines, activities, discipline, or family time occurring within the other parent's household.

e. If either parent restricts S.R.'s access to the phone as a disciplinary consequence, that parent shall notify the other parent of the restriction and the anticipated

duration of the restriction. During any period in which S.R.'s access to the phone is limited, the restricting parent shall ensure that an alternative method of communication remains available so that S.R. and the other parent may continue to communicate in a reasonable manner. Such communication may occur through a household phone, a parent's phone, video conferencing, or another mutually acceptable means. The restriction of the phone shall not be used to interfere with or limit S.R.'s ability to maintain contact with the other parent.

f. Neither parent shall use the phone to monitor, interfere with, or restrict S.R.'s relationship with the other parent, nor shall either parent access or review communications between S.R. and the other parent absent a legitimate concern regarding S.R.'s safety or wellbeing.

6. Parenting and Educational Plan. The following Parenting and Educational Plan provisions shall be adopted:

a. S.R. will remain enrolled at her current charter school. S.R. is well established in her current educational environment, has developed meaningful relationships with peers and staff, and is integrated into her school community. Maintaining educational stability is in S.R.'s best interests and will minimize unnecessary disruption to her academic, social, and emotional development.

b. Neither Jessika nor Tanner shall unilaterally change S.R.'s school placement. Any change in school enrollment, educational program, or school district will occur only upon the mutual agreement of both parents or further order of the Court.

c. Both Jessika and Tanner shall have equal access to educational records, teachers, school personnel, parent-teacher conferences, school activities, and online educational platforms. Both parents shall be listed as contacts with the school and shall be entitled to receive all school communications directly from the school.

d. Both Jessika and Tanner will make best efforts to attend school events, parent-teacher conferences, performances, activities, and other school functions, and neither parent shall interfere with or discourage the other's participation in S.R.'s educational experiences.

7. **Child Support**. Child support was set by Judge Mabey at $113.00 after a Temporary Orders Hearing. Child support shall continue at this rate until modified.

8. **Child Support Arrears**. All claims for back child support arrears are hereby zeroed out and as of June 2026, child support is current.

9. . 2**Medical and Dental Care for S.R.**. S.R. shall have one primary medical provider and one primary dental provider. Neither Jessika nor Tanner shall change, add, or transfer S.R. to a different medical, dental, orthodontic, mental health, or other healthcare provider without the mutual agreement of both parents, except in the event of an emergency or when a provider is no longer available to provide services. The parties shall make every reasonable effort to maintain continuity of care and avoid unnecessary changes in providers.

a. Currently S.R. is seeing Heber Valley Dental and will continue to do so until agreed otherwise. If the parties have a dispute regarding continuing to see this provider, they will utilize the dispute resolution provisions set forth herein.

b. Currently S.R. is seeing Dr. Patty McAnally and will continue to do so until agreed otherwise. If the parties have a dispute regarding continuing to see this provider, they will utilize the dispute resolution provisions set forth herein.

c. Both Jessika and Tanner shall receive advance notice of all medical, dental, orthodontic, therapy, and other healthcare appointments. All appointments shall be entered into the Our Family Wizard calendar as soon as they are scheduled and, whenever possible, no less than seven (7) days in advance. In the event of an emergency appointment or an appointment scheduled with less than seven days' notice, the scheduling parent shall notify the other parent as soon as reasonably possible.

d. Both parents shall have the right to attend all medical, dental, orthodontic, therapy, and other healthcare appointments involving S.R.. If one parent is unable to attend in person, reasonable efforts shall be made to allow that parent to participate virtually through telephone, video conference, or other available means. If virtual participation is not possible and only one parent attends the appointment, that parent shall provide the other parent with a detailed written summary of the appointment within forty-eight (48) hours, including any diagnoses, recommendations, treatment plans, medications prescribed, follow-up appointments, and provider concerns.

e. Both Jessika and Tanner shall be listed on all provider records, intake forms, emergency contact forms, insurance records, and patient portals. Each parent's contact information shall be provided to all providers, and both parents shall have equal access to medical, dental, mental health, and educational records consistent with their joint legal custody

rights. Neither parent shall remove the other parent's contact information from provider records or otherwise interfere with the other parent's access to information regarding S.R.'s care.

f. In addition to listing both Jessika and Tanner on all educational, medical, dental, extracurricular, and emergency contact forms, Michael Andra will be listed as a secondary emergency contact due to his longstanding involvement in S.R.'s life, his role within her household, and his ability to assist in emergency situations when a parent is unavailable.

g. **Individual Therapy for S.R.** The custodial evaluator recommended the child return to therapy. Father has not met with S.R.'s prior therapist. He will reach out to her and determine if he agrees to S.R. going to Tess Shaefffer. If he agrees, S.R. will commence therapy no later than July 31, 2026 S.R. If father objects to Ms. Shaeffer, the parties will submit this issue to the parent time coordinator. If either party objects to Tess Shaeffer, the objecting party must provide three names to the other party no later than August 15, 2026. The other party shall have until August 31, 2026 to select one of the named therapies.

h. The purpose of counseling shall be to provide S.R. with a supportive environment to process the stress associated with the ongoing parental conflict and litigation, develop healthy coping skills, and address any emotional or adjustment concerns that may arise. Counseling shall remain child-centered and shall not be used to gather evidence, influence custody-related decisions, or facilitate communication between the parties.

i. Additionally, therapy shall assist S.R. in developing confidence in her own thoughts, feelings, and opinions independent of the perspectives and expectations of

either parent. Given S.R.'s sensitivity to her parents' emotions and her expressed concerns about hurting either parent's feelings, therapy shall help her develop the ability to communicate authentically, express her needs honestly, and share her thoughts and experiences with each parent without feeling responsible for managing their emotional reactions. Therapy shall support S.R. in developing age-appropriate emotional independence while maintaining her strong relationships with both parents.

j. Jessika and Tanner shall share responsibility for ensuring S.R.'s attendance at counseling appointments. The parties shall alternate transportation to and from appointments unless otherwise directed by the therapist or mutually agreed upon by the parties. Both parents shall participate in counseling sessions, parent consultations, or therapeutic recommendations as requested by Ms. Shaeffer. Neither parent shall attempt to influence the therapeutic process or place S.R. in the middle of disputes regarding counseling.

k. To support consistency of care and improve communication regarding S.R.'s needs, the individual therapist and co-parenting counselor shall be permitted to communicate with one another regarding issues affecting S.R.'s wellbeing, adjustment, and the implementation of therapeutic recommendations. Jessika and Tanner shall execute all necessary releases of information to allow such communication. The purpose of these communications shall be to coordinate treatment, support S.R.'s emotional wellbeing, and assist the parties in addressing concerns impacting S.R. across both households.

l. Therapy will continue so long as the parties agree. If one party does not agree that therapy shall continue, the parties will utilize the conflict resolution section contained in this agreement.

10. **Medical Billing**. Pursuant to Utah Code 26B-2-219 each party may notify medical providers of the Decree of Paternity and these Amendments. Providers shall set up separate billing to each party.

11. **Extracurricular Activities**. Participation in extracurricular activities provides S.R. with important opportunities for social development, skill building, self-confidence, peer relationships, and community involvement. Continued participation in age-appropriate extracurricular activities is encouraged and is likely to support S.R.'s overall emotional, social, and developmental wellbeing.

a. Jessika and Tanner will mutually agree to any extracurricular activity prior to enrolling S.R.. The parties shall consider S.R.'s interests, abilities, schedule, and the financial and transportation commitments associated with the activity when making decisions regarding participation. Once an activity has been mutually approved, both parents shall support S.R.'s participation and make reasonable efforts to ensure her attendance regardless of whose parent-time the activity falls on.

b. Currently S.R. is enrolled in Jujitsu. She will continue to be enrolled with each party paying one half the cost commencing July 2026. Mother has been taking the child two days a week. Father will start taking the child the other two days a week as his schedule permits.

c. Commencing July 2026 each party will pay one half the cost for the Jujitsu classes.

d. The costs associated with mutually agreed-upon extracurricular activities shall be divided equally between the parties unless otherwise agreed in writing.

e. If a parent is unable to transport S.R. to an agreed-upon activity, the other parent or a trusted third party shall be permitted to transport and support S.R.'s participation. Neither parent shall withhold S.R. from an agreed-upon activity solely because it occurs during that parent's parent time.

f. Regardless of whether both parents agree to an activity, both Jessika and Tanner shall be listed on all registration forms, contact forms, team rosters, communication platforms, and other activity-related documents. Both parents shall be entitled to receive all communications, schedules, updates, notices, and information directly from the organization, coach, instructor, or activity provider.

g. In the event Jessika and Tanner are unable to agree regarding S.R.'s participation in an extracurricular activity, they shall first consult with their co-parenting counselor. The co-parenting counselor shall assist the parties in evaluating whether participation is in S.R.'s best interests and help the parties reach a resolution. If the parties remain unable to agree, they will discuss with the co-parenting counselor whether it would be appropriate for S.R. to participate in the activity only during the parent time of the parent supporting enrollment. In making that determination, consideration shall be given to S.R.'s interest in the activity, the impact on her relationship with both parents,

scheduling demands, financial considerations, and whether participation would place S.R. in the middle of parental conflict.

h. If the activity is ultimately not approved, the parties, with the assistance of the co-parenting counselor, if necessary, shall develop a neutral and age-appropriate explanation for S.R. that does not place blame on either parent, does not portray either parent negatively, and minimizes the likelihood that S.R. feels responsible for or caught in the disagreement.

12. Tax Exemptions. For tax year 2026 Mother may claim S.R. as a dependent on her return. Father may claim S.R. for tax year 2027. The exemption will then alternate each year until S.R. is no longer a dependent.

18. **Out of Pocket Expenses**. For reimbursable expenses related to S.R. the parties will utilize OFW to provide notice and proof to the other party of costs incurred and a request for reimbursement. The party who incurs an out-of-pocket expense shall within thirty (30) days provide notice to the other party of the expense along with documentation showing the expense has been incurred. The other parent shall then have thirty (30) days to pay their portion of the cost.

19. **Reimbursements.** Each party has claims for unpaid reimbursements. These are zeroed out and costs incurred after 6/9/2026 will be shared as provided for in the Decree of Paternity.

20. **Controlled Substances and/or Alcohol Provision.** Each party shall not consume alcohol to the point of intoxication while S.R. is in their care.

21. **Dispute Resolution.** In the event Jessika and Tanner are unable to reach agreement regarding a major decision affecting S.R., the parties shall follow the process outlined below before seeking court intervention:

A. Discussion with the other parent through respectful written communication.

B. Consultation with the professional involved in the disputed issue, including but not limited to teachers, physicians, therapists, or other service providers.

C. Discussion with the co-parenting counselor and a good-faith effort to resolve the disagreement with the counselor's assistance.

D. Participation in mediation with a mutually agreed-upon mediator.

If the parties remain unable to reach agreement after completing the above process, either party may seek court intervention. Until a resolution is reached, the parties will maintain the status quo whenever reasonably possible and continue to support S.R.'s ongoing educational, medical, and extracurricular needs.

***** END OF DECREE RE PATERNITY, CUSTODY, VISITATION & CHILD SUPPORT *****
