6. The parties shall each have two (2) weeks of uninterrupted parent-time pursuant to U.C.A. Sec. 81-9-305. In the event that there is a conflict between both parents' desired two (2)-week parent-times, Melissa shall have first priority in odd years and Jason shall have first priority in even years. Each party shall send written notice of their designated two (2) weeks of

parent-time thirty (30) days before the day on which the designed two (2)-week period begins. Beginning in the year 2027, Melissa shall make her designation by May 1st and Jason may make his designation after May 1st in odd years, and Jason shall make his designation by May 1st and Melissa may make her designation after May 1st in even years.

PARENTING PLAN

7. Pursuant to Utah Code Ann Sec. 81-9-203 *et seq.*, the following parenting plan shall be followed:

a. The parents shall have joint legal custody

b. The parties must discuss with each other and mutually decide the significant decisions regarding the child, including, but not limited to, the child's health care, religious upbringing, and extracurricular activities. The parties shall work together to come up with a plan on how to determine decision-making for major decisions related to medical, religion, and extracurricular activities, and any other major or significant decisions related to the welfare of the child.

c. Pursuant to U.C.A. Sec. 81-9-203(11), the parties shall adhere to the following education plan:

2026 and the youngest child is in Silver Lake Elementary School in August 2026.

ii. If only one parent is able to live within those boundaries, that parent's residence shall be designated as the home residence for school purposes.

iii. If neither parent is able to live within the boundaries for those schools, then the parties shall apply for a variance. If the parties are unable to obtain a variance, then the parties shall follow their dispute resolution process herein to determine the children's schools.

m. For any decisions on which the parties cannot agree and the parties have not been able to resolve in mediation or counseling, neither party has final say.

n. The above parent-time schedule shall be followed by the parties unless they mutually agree on a different schedule in writing.

o. Both parents shall make a best effort to provide forty-eight (48) hours' notice of change of schedules in case a trade or offer of right of first refusal needs to be made.

p. Both parents shall follow an overnight first refusal minimum: If a party with parent-time is personally unable to care for the children overnight, then that party is under an affirmative obligation to notify the other parent, with reasonable advance written notice, and the other party may then choose, but is not required, to accept the right of refusal parent-time. The parent accepting right of first refusal parent-time must pick up and drop off the children at the residence of the other parent at the beginning and the ending of the right of first refusal parent-time.

    i. The only lesser mandatory time for ROFR is if a parent is going to incur day care or child care expenses for which they are seeking one-half reimbursement by the other party. In that case, a party must offer right of first refusal to the other party prior to incurring any day care or child care expenses for which reimbursement will be sought.

q. Fostering good communication and healthy viewpoints of the other parent is encouraged and expected. v. The parties shall make all attempts to resolve all conflict between them and shall utilize experts to assist them in this endeavor, if they are unsuccessful personally;

itinerary with addresses and telephone numbers where they may be reached in the event of an emergency. Both parties shall obtain the other's written permission to take the child if a trip interferes with the other parent's parenting time.

10. The parties shall not post pictures of any of the minor children on any public social media account, but that the parties may post pictures privately, such as in friend or family groups.

11. The parties shall make their best efforts to keep all communications between them brief, informative, friendly, and firm, using Our Family Wizard. The parties may only use phone calls in the event of emergencies..

12. The parties shall stay away from each other's residences or workplaces without permission, and pre-arranged exchanges count as permission.

13. The children shall not be used as messengers, and visitation shall not be arranged through the children, and the children shall not be prohibited from contacting a parent to request parent-time.

COOPERATION ON CO-PARENTING

14. The parties shall regularly discuss the day-to-day routines and decisions being implemented in their homes to help the child feel comfortable in both homes by minimizing the differences in parenting styles. The parties shall also adhere to the following:

SOCIAL ACTIVITIES AND SCHOOL FUNCTIONS

16. Both parties shall be entitled to participate in all public, social and school-related functions their child attends.

17. Each party has an affirmative duty to receive notifications from third parties for child-related events. If a party receives information about a child-related event that the other party is not privy to, then that party must notify the other party and ensure that the other party has the same and equal access to receiving notifications from the third party regarding that event.

ILLNESS

18. The parties shall notify the other when any child is ill. When a child is ill, regularly scheduled parenting times shall be discussed with both parents prior to the parenting time to decide whether the parenting time should be rescheduled. Neither parent shall use illness of a child as a means to frustrate the other parent's parent-time. Each party shall follow the orders of medical care providers including regarding medications and care.

RESPECT AND COOPERATION

19. Jason and Melissa shall recognize that the best interests of the child require them to cooperate and treat each other with dignity and respect, especially in the presence of the child. a. The requesting party shall notify the other party of the event or activity and discuss with them the benefits of the child's attendance prior to

discussing it with the child. If the other party already has something scheduled or decides that the child cannot participate in the event or activity for any reason, the requesting parent shall abide by that decision and not attempt to influence the other parent through the child.

b. The child shall be free to express interest in any activity to either parent at any time.

c. Both parties also shall not interfere with each other's parenting time in any form. If either parent denies physical access to scheduled parent-time without just cause, that parent shall pay all costs associated with mediation, arbitration, or court-related legal fees, associated with resolving the violation and to ensure freedom from future violations.

NON-INTERFERENCE WITH THE PARTIES' PERSONAL LIVES

21. The parties shall be completely free from the interference, authority and control over the other, except as impacts the care of the child, as set forth in this document. Each party shall have the right to conduct his or her social life and business affairs as he or she sees fit without interference or comment from the other, except as impacts the care of the child, as set forth in this document. Further, if the court finds either party's actions against the other to be dishonest or deceptive, frivolous, or in any way violates the guidelines set forth in this document, the court can order the offending party to pay all costs for legal fees incurred by the aggrieved party, plus damages for suffering and reasonable fees for time spent in defense.

24. The written notice of relocation shall contain statements affirming the following: the parent-time provisions in Utah Code Ann. Sec. 81-9-209(9) or a schedule approved by both parties shall be followed, and neither parent shall interfere with the other's parental rights pursuant to court-ordered parent-time arrangements, or the schedule approved by both parties.

25. A parent who fails to comply with the notice of relocation herein shall be in contempt of the court's order.

END OF PARENTING PLAN

CHILD SUPPORT

28. Child support shall follow Utah Child Support Guidelines, based on custody and parent-time arrangements, as follows:

a. Child support shall be calculated pursuant to the Utah Uniform Child Support Guidelines, Utah Code §81-6-201 *et seq.* (2025), using a Joint Physical Custody Worksheet and the parties' respective or imputed incomes with both parties imputed to full-time employment.

b. Jason's gross monthly income is currently zero as he was recently laid off from his employment at Ninety. However, Jason shall be imputed at his income at the time of lay-off, of $13,925. Melissa's gross monthly income is imputed to $3,325, based on her hourly wage of $19.18, imputed at full-time work.

c. Child support shall commence October 1, 2026, with the parties using the Child Support Obligation Worksheet (Joint Custody) for two (2) children, in the amount of $732 per month.

d. Child support shall be payable in full by the 1st day of each month or it shall be due one-half by the 5th and half on the 20th of each month.

e. An order authorizing Universal Withholding Relief, pursuant to Chapter 9, Title 26B Utah Code Ann., shall be awarded if the child support obligor becomes thirty (30) days delinquent in the payment of child support obligations.

f. Child support shall be adjusted pursuant to statute upon the emancipation, marriage, death, or the military enlistment of a child, or the child's 18th

birthday or high school graduation (whichever is later), pursuant to Utah Code Ann. Section 81-6-213.

HEALTH INSURANCE & MEDICAL EXPENSES

29. For as long as it is reasonably available, Jason shall continue to maintain the family health insurance policy through his employer, and the parties shall equally share the premium and out-of-pocket expenses for the children under U.C.A. Sec. 81-6-208. Unless otherwise agreed or ordered, all other statutory provisions shall apply, as indicated below beginning in Paragraph 30:

a. On a temporary basis, for as long as COBRA is offering Jason to keep his family insurance plan with COBRA subsidizing his insurance premiums at the same rate that Ninety was subsidizing them during his active employment, Jason shall cover these premiums without reimbursement. Once COBRA no longer covers insurance premiums as the same rate that Ninety was subsidizing them during Jason's active employment, then the parties shall each pay for their own portion of the health insurance premium, and they shall each pay for one-half of the children's portion of the premium pursuant to U.C.A. Sec. 81-6-208.

30. The parties shall be required to carry health care coverage for the medical expenses of the minor child, and insurance shall be provided for the minor child if insurance is available at a reasonable cost, and each party shall split equally the child's portion of the insurance premium actually paid by a parent.

31. The parent who provides health insurance may receive credit against the base child support award or recover the other parent's share of the child's portion of the premium.

32. If the parent does not have health insurance but another member of the parent's household provides health insurance for the child, the parent may receive credit against the base child support award or recover the other parent's share of the child's portion of the premium.

33. The child's portion of the premium is a per capita share of the premium actually paid.

34. The premium expense for a child shall be calculated by dividing the premium amount by the number of persons covered under the policy and multiplying the result by the number of children in the instant case.

35. If, at any point in time, a child is covered by the health insurance plans of both parents, the health insurance plan of Jason Judd shall be primary coverage for the child and the health insurance plan of Melissa Judd shall be secondary coverage for the child. If a parent remarries and the child is not covered by that parent's health insurance plan but is covered by a step-parent's plan, the health insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the child.

36. Jason and Melissa shall each pay 50% of any and all reasonable and necessary uninsured and unreimbursed medical, dental, orthodontic, and optical expenses of the minor child, including co-payments, co-insurance, and deductibles, provided that a party incurring an expense notifies the other party of the expense and sends physical proof within thirty (30) days of incurring the expense. The reimbursing party must give 50% of the expense to the paying party within thirty (30) days of receiving proof and notice of the expense.

37. Jason and Melissa shall cooperate in exchanging all claim forms and statements, as set forth in Utah Code Annotated §81-6-208.

38. The parent maintaining health care coverage or insurance shall provide verification of coverage to the other parent, or to the office under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., upon initial enrollment of the child, and after initial enrollment on or before January 2 of each calendar year.

39. The parent shall notify the other parent, or the office under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., of any change of insurance carrier, premium, or benefits within thirty (30) calendar days of the date the parent first knew or should have known of the change.

40. A parent who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other parent within thirty (30) days of payment. The Court may deny a parent incurring medical expenses the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply with Paragraphs 36 through 39.

CHILD CARE COSTS

41. The parties do not anticipate the need for child care given the age of the older children (teenagers), and the ability of the older children to help care for the youngest child (10 years old at the time of the signing of the Stipulation) for a few hours at a time.

42. However, in the event that either party needs child care, the parties shall split the child care costs equally as indicated below, if and only if neither party is personally able to care for the children. In other words, if a party intends to incur child care costs for which he or she is seeking one-half reimbursement from the other party, the party intending to incur child care costs must first offer the other party the right of refusal to personally care for the children prior to incurring any costs, and if the other party is willing and able, the other party must then pick up

the children from the residence of the other party and drop off the children to the residence of the other party.

43. If a party is unable to accept the right of first refusal parent-time, then the parties shall share equally the costs for the child care as indicated in Paragraph 42.

44. If a party fails to offer right of first refusal parent-time in writing to the other party with reasonable advance notice, then that party is 100% responsible for any child care costs without reimbursement.

45. Unless otherwise mutually agreed by the parties, each parent shall share equally the reasonable work-related child care expenses of the parents:

a. If an actual expense for child care is incurred, a parent shall begin paying his or her share on a monthly basis immediately upon presentation of proof of the child care expense.

b. If the child care expense ceases to be incurred, that parent may suspend making monthly payment of that expense while it is not being incurred, without obtaining a modification of the child support order.

c. An unreasonable delay in providing expense verification shall be deemed a waiver.

CHILD TAX EXEMPTIONS/CREDITS

46. For the tax year 2025, the parties shall file married filing jointly and share equally in the net tax refunds from the federal government and the State of Utah.

47. Beginning for the tax year 2026, the parties shall split equally all child tax credits, deductions, exemptions, and any other benefits associated with the minor children, as follows:

a. Any even year that there is an uneven number of credits, Jason shall be awarded the extra credit for the child(ren).

b. Any odd year that there is an uneven number of credits, Melissa shall be awarded the extra credit for the child(ren).

c. Jason shall be current by December 31st in order to claim any child for that year.

d. Unless the parties mutually agree otherwise, while there are two (2) children to be claimed, Jason shall claim the younger child and Melissa shall claim the older child.

EXTRACURRICULAR ACTIVITIES & EXPENSES

48. Each parent shall share equally the cost of any extracurricular activities incurred on behalf of the minor children that are agreed-upon in advance and in writing by both parents.

a. The parent who directly pays for such expenses shall provide a receipt or other written verification of payment to the other parent within thirty (30) days.

b. A party incurring school and extracurricular activity expenses may be denied the right to receive credit for the expenses or to recover the other party's share of the expenses if he or she fails to provide timely notice.

c. A party shall not unreasonably withhold consent for the child to participate in extracurricular activities.

REAL PROPERTY

49. The parties acquired an interest in real property located at 7651 Silver Ranch Rd., Eagle Mountain, UT 84005 ("Marital Home").

a. The Marital Home shall be appraised by a mutually agreed-upon licensed appraiser. The appraisal shall be completed during the month of September 2026. Jason shall have the opportunity to buy out Melissa's share of equity in the home at $175,000, or one-half of the appraised net equity, whichever is greater. Jason must pay this amount to Melissa within one (1) year of entry of the Decree of Divorce. Appraised net equity is defined as the September 2026 appraisal value of the home less the remaining mortgage balance as of September 2026. Once Jason pays out Melissa her $175,000 or one-half of the appraised net equity, whichever is greater, then he shall take over possession and ownership of the marital home, and Melissa shall move out within sixty (60) days of receipt of the money.

b. If Jason is unable to refinance the Marital Home within one (1) year of the entry of the Decree of Divorce, then, the parties shall sell the Marital Home upon the following conditions:

    i. The parties shall sell the Marital Home and split equally the net sale proceeds of the Marital Home. The parties shall use Skyridge Realty Group to sell the Marital Home, and the parties shall sign the required documents to engage the services of Skyridge within fourteen (14) days of the completion of the six-month mark after the signing of the Decree of Divorce.

c. At any point in time prior to the one (1)-year deadline, Jason may learn that he is unable to or does not qualify for a refinance and will not be able to qualify for a refinance by the one (1)-year deadline. In that case, Jason

may accelerate the sale of the marital property by notifying Melissa in writing, and the parties shall sign the required documents to engage the services of Skyridge within fourteen (14) days of the written notification by Jason. The parties shall split equally the net sale proceeds of the Marital Home.

d. Both parties shall cooperate in good faith to ensure that the Marital Home remains in good condition, that it is marketable and well-maintained, that is does not fall into disrepair.

e. Melissa shall be responsible for basic yard and house maintenance, winterization, snow removal, and general cleaning and tending to the yard, garden, etc., for as long as she remains in the Marital Home.

f. For any repairs that exceed $1,000, the parties shall equally split the cost. The parties shall make best efforts to agree on how the repair should be handled, such as who to hire, etc., and if the parties cannot agree, then Jason shall front the cost. If Melissa is unable to reimburse one-half of the cost to Jason at the time, then this shall be subtracted from Melissa's one-half equity payout. The parties shall promptly exchange receipts regarding such repairs.

    i. Jason is not permitted to unilaterally authorize repairs to the Marital Home that could result in Melissa being responsible for a portion of the cost. Any non-emergency repairs or improvements shall require the agreement of both parties before the expense is incurred. Emergency repairs necessary to prevent damage to the

Marital Home may be completed without prior agreement but shall be promptly disclosed to the other party.

g. Until the sale or refinance of the parties' Marital Home, Melissa shall continue to pay the mortgage, HOA, and utilities for the Marital Home.

b. In the event that Melissa is unable to fulfill any of the conditions in Paragraph 51.a., then the Palisade shall be listed for sale, and the parties shall cooperate in good faith to sell the Palisade.

c. In the event that Melissa is late on a payment Jason may make the payment himself and then he may either choose to accelerate the sale of the Palisade as indicated in Paragraph 51.b. so that the Palisade is listed for sale immediately, or he may choose to subtract the Palisade payment amount from Melissa's portion of the equity of the home. Prior to the sale

of the Palisade, Melissa shall receive a thirty (30)-day delinquency to pay the loan in addition to a ten (10)-day written right to cure before enforcement.

52. The parties acquired various items of personal property prior to and during the course of the marriage, which is hereby equitably divided in the full division of the marital estate. The parties shall allow each other to take a full walkthrough inventory of all personal property items prior to attempting to divide the items.
