39. The person ordered to receive child support can request mandatory income withholding (Utah Code 62A-11 parts 4 and 5). If support is past due, the State of Utah may take federal or state tax refunds or rebates and apply the amounts to the child support owed.

45. The parties can ask to change this child support order at any time by petition if there has been a substantial change in circumstances because of material changes in:

- custody;
- the relative wealth or assets of the parties;
- income of a parent of 30% or more;
- the employment potential and ability of a parent to earn;
- the medical needs of the child; or
- the legal responsibilities of either parent for the support of others.

(Utah Code 81-6-202 and 81-6-212)

The change must result in a difference of 15% or more between the amount previously ordered and the new amount of child support under the Utah child support guidelines. The difference may not be temporary.
