Information Sharing

10. Both parents shall keep the other informed as to residence address, home, work and cell phone numbers, email addresses and any other important contact information, including how to be reached in the event of an emergency. If either parent changes any of his or her contact information as indicated above, that parent shall notify the other parent in writing within 24 hours of the change. Both parents shall also provide their contact information to all third parties who are important in the child's life, such as day care providers, educators, doctors, dentists, and both parents shall be listed as the child's parent and as an emergency contact with those providers.

11. Both parents shall have access to all records of the child including, but not limited to, school, medical, dental, and psychological records, and this Parenting Plan shall constitute a release to allow each parent access to all records of the child. The parents shall make arrangements with the minor child's schools for each parent to receive a copy of the child's report cards, school calendars, etc.

12. Unless each parent has independent access to this information, each parent shall share with the other all schoolwork, report cards, school pictures, and other information relating to the schooling and extracurricular activities of the minor child.

Further, unless each parent has independent access to this information, each parent shall take affirmative steps to share information regarding the times and locations of parent-teacher conferences, school programs, church programs, sporting events, recitals, performances, practices and other significant events involving their child.

Communication

13. Both parents shall engage in civil communication to discuss matters relating to the minor child with each other only and shall avoid using the minor child to relay messages or information. The parties may cease the use of Our Family Wizard when their subscription ends in May 2027.

Respect and Cooperation

14. Both parents shall support each other in their respective parenting roles and encourage a positive relationship between the child and the other parent and encourage third parties to do the same. The parties shall respect the child's right to have a meaningful bond with each parent, step-parents, and other relatives.

15. Both parents shall recognize that the best interest of the child requires them to cooperate and treat each other with dignity and respect, especially in the presence of the child.

16. Both parents shall share information on any condition, problem, significant fact, or circumstance, which may affect the other parent's relationship with the child or the well-being of the child.

17. The parties shall build a co-parenting relationship filled with trust and respect.

18. The parties shall start over and recommit to this Parenting Plan when one or both

neglect a provision in this plan.

19. Neither parent has the authority to block the other parent from communicating with the minor child through any of their devices or accounts.

Extended Overnight Trips

20. Both parties shall notify the other whenever the child travels on any overnight trip exceeding one (1) night. The traveling party shall provide an itinerary of travel dates; destinations; and a way the child or traveling parent can be reached. The traveling party shall get the other's permission should this trip interfere with the parent-time schedule. In case of emergency, the traveling party shall provide as much notice as possible.

School Functions and Extracurricular Activities

21. Both parties shall be entitled to participate in all extracurricular activities and school functions the child attends.

22. The parties shall keep each other informed of any extracurricular activities the child is involved in and notify the other parent of any special events or ceremonies for the child within 24 hours of receiving notice of the same.

23. Neither parent shall register the child for activities that occur during the other parent's parent-time without the express written permission of the other parent. In the event a child is registered without written permission of the other parent, the other parent is not required to help pay for the activity or bring the child to the activity while exercising parent time.

Exchanges

24. Exchanges shall be as the parties agree. If the parties cannot agree exchanges shall occur as follows: Father shall pick the minor child up at Mother's residence on Friday for his parent time. For weekends where Father does not exercise a Sunday overnight on Sunday at 6:00 p.m. the parties shall meet halfway for the exchange. For weekends where Father exercises a Sunday overnight, he shall pick up the child Friday at 2:00 p.m. at Mother's residence and return the child Monday at 3:00 p.m. at Mother's residence.

Parent-Time Respect

25. Both parents shall comply with the parent-time schedules unless they mutually agree to alter the schedules in writing. If either parent wrongfully denies parent-time as set forth herein without agreement by the other party, that parent shall pay all costs associated with mediation or litigation associated with resolving the violation and to ensure future compliance.

26. Notwithstanding the above provision, both parents should be flexible in making temporary adjustments in their parent-time schedules for unexpected situations. The parent seeking an adjustment shall give the other parent as much advance notice as possible (at least 24 hours except in an emergency). The other party will use his or her discretion in allowing for an adjustment but not unreasonably refuse.

27. Both parents shall give special consideration to make the child available to attend family functions including funerals, weddings, family reunions, religious holidays, important ceremonies, and other significant events in the life of the child or in the life of either parent which may inadvertently conflict with the parent-time schedules.

28. The parties shall notify the other when a child is ill. Prior to the exchange of the child who is ill, the parties shall discuss regular parent-time and shall reasonably accommodate the sick child. If the parties cannot agree, regular parent-time shall not be affected. A parent shall not use the child's illness to frustrate parent-time.

29. Neither parent shall schedule or promote to the child events or activities that fall on the other parent's parent-time without first obtaining permission from that parent in the following manner: The requesting parent shall notify the other parent of the event or activity and discuss with them the benefits of the child's attendance prior to discussing it with the child. If the other parent has something scheduled or decides that the child cannot participate in the event or activity for any reason, the requesting parent shall abide by that decision and not attempt to influence the other parent through the child.

30. Neither parent-time nor child support is to be withheld due to either parent's failure to comply with a court-ordered parent-time schedule.

Non-interference with the Parties' Personal Lives

31. Each party shall be completely free from the interference, authority, and control of the other party, except as impacts the care of the child, as set forth in this Petition.

32. Each party shall have the right to conduct his or her social life and business affairs as he or she sees fit without interference or comment from the other party.

Relocation of a Parent

33. In the event either party intends to relocate outside of the State of Utah or more than 150 miles from their current residence, the parties shall be bound by all notice

and other provisions of Utah Code Ann. §81-9-209 (60 days formal written notice shall be required). The parties shall be encouraged to give notice more than 60 days in advance of the desired relocation if possible, and to mediate the issue, insofar as time permits.

Adjustments or Modifications

34. All permanent adjustments or modifications to this Parenting Plan shall be made in writing, signed by both parties, notarized, and filed with the Court. Temporary or minor changes can be made whenever the parties agree.

Failure to Comply
