Attorney for Petitioner

IN THE SECOND JUDICIAL DISTRICT COURT
DAVIS COUNTY, STATE OF UTAH

In the matter of the marriage of TODD WENDELL IUND, Petitioner, vs. ANGELA LYNN IUND, Respondent.	DECREE OF DIVORCE Civil No.: 254700587 Judge: Michael Edwards Commissioner: Julie Winkler

This matter came before the Honorable Michael S. Edwards for a one-day bench trial on August 7, 2026. Petitioner Todd W. Iund appeared in person and through his counsel, David A. Pedrazas. Respondent Angela L. Iund appeared in person and represented herself. The Court heard the testimony of the parties, considered the admitted evidence and arguments, and entered

its Findings of Fact and Conclusions of Law. Based upon those Findings and Conclusions, which are incorporated into this Decree, and good cause appearing,

IT IS HEREBY ORDERED ADJUDGED AND DECREED

1. **Annulment.** Petitioner's request to annul the marriage is DENIED.

2. **Dissolution of Marriage.** Petitioner is hereby awarded a Decree of Divorce, forever dissolving the bonds of matrimony heretofore existing between the parties, to become final upon signature and entry.

3. **Children.** No children were born of the marriage. No orders concerning custody, parent-time, or child support are required.

4. **Alimony.** Neither party is awarded alimony. Each party's claim for alimony is denied.

5. **Marital Residence.** The residence owned by Petitioner before the marriage, together with all equity in the residence, is confirmed and awarded to Petitioner as his sole and separate property. Petitioner shall be solely responsible for all mortgages, home-equity obligations, liens, taxes, utilities, and other debts and expenses attributable to his ownership of the residence and shall indemnify and hold Respondent harmless from them, consistent with paragraph 14. Respondent is awarded no ownership or equitable interest in the residence.

6. **Retirement Benefits.** Respondent is awarded one-half of the marital portion of Petitioner's retirement benefits accrued from August 24, 2024, through the date this Decree is entered. The covered benefits include (a) the Campbell Companies Bargaining Unit 401(k) Plan, serviced by Empower, plan number 556498-02 (Wheeler Machinery), and (b) Petitioner's pension benefits identified as Operating Engineers Local 3 in the Zenith American Solutions pension records. Any loan or withdrawal taken by Petitioner against a retirement account during

that period shall be added back when calculating the gross marital portion. Amounts accrued before August 24, 2024, or after entry of this Decree remain Petitioner's separate property.

7. **Retirement Division Orders.** Respondent shall be responsible for preparing, serving, and obtaining entry of the qualified domestic relations orders or other retirement division orders necessary to effectuate paragraph 6 for each covered plan. The parties shall reasonably cooperate, through counsel or other channels permitted by the protective order, in exchanging plan information and records and executing documents necessary to implement the award. The retirement division orders shall identify each plan by its formal name as confirmed by its administrator and shall preserve the division period and calculation ordered by the Court. Nothing in these provisions modifies the protective order or authorizes prohibited contact. The Court retains jurisdiction to enter and enforce such orders and to resolve issues necessary to carry out the retirement division ordered herein.

8. **Personal Property List.** Respondent is awarded the items marked for her on the personal-property list reviewed and marked during the August 7, 2026 trial, whether marital or premarital. Attachment A recreates the printed item descriptions and yellow/orange markings from the actual trial-marked lists and is incorporated into both the amended Findings of Fact and Conclusions of Law and this Decree. Petitioner shall return the awarded items remaining in his possession with all reasonable diligence. Each party is also awarded his or her remaining premarital personal property, subject to resolution of any disputed ownership as provided herein.

9. **Unresolved Marital Personal Property.** Except for the items awarded to Respondent from the marked personal-property list, and except as otherwise agreed or specifically awarded, the parties shall alternate selecting any remaining unresolved items of marital personal property,

one item at a time, beginning with Petitioner, until the remaining marital property is divided. Any dispute concerning whether an item is marital or premarital property may be resolved by agreement, mediation, or further hearing before the Court.

10. **Respondent's Safe.** Respondent is awarded the safe. Petitioner shall promptly return the safe and its undisputed contents to Respondent. Petitioner's counsel and Respondent may meet to open and review the contents; Petitioner may participate by video, and either party may have a nonparticipating third-party observer present. If Petitioner makes no claim to any item inside the safe, Respondent is awarded all of its contents. Any ownership dispute concerns only the particular disputed item and remains subject to the Court's determination. A claim to a particular item does not permit withholding the safe or its undisputed contents. The review and transfer shall occur through channels permitted by the protective order.

11. **Transfer of Respondent's Property.** Because a protective order prevents direct contact between the parties, the parties shall coordinate through Petitioner's counsel a reasonable date and time for the transfer. Petitioner and those assisting him shall carefully move Respondent's property from the residence. Persons acting for Respondent shall arrive with an appropriate moving vehicle and promptly remove the property. The transfer may occur on two occasions if reasonably necessary. Petitioner shall exercise reasonable care so the property is not damaged and is returned, to the extent reasonably possible, in the condition in which it was left. Nothing in this Decree authorizes either party to violate the protective order.

12. **Storage Units.** Petitioner shall pay the cost of the two storage units containing Respondent's property through August 31, 2026. Beginning September 1, 2026, Respondent shall remove her property or assume all responsibility for the storage-unit payments. Petitioner shall

reasonably cooperate, through counsel as needed, in transferring the leases or otherwise ensuring Respondent is not locked out. Storage expenses previously paid during the pendency of this action shall not be reallocated.

13. **Health Insurance.** Petitioner shall maintain Respondent on his existing health-insurance policy until entry of this Decree, to the extent permitted by the policy and applicable law. After entry, each party shall obtain and pay for his or her own health insurance. Respondent may independently pursue any continuation coverage for which she qualifies.

14. **Debts.** Each party shall pay the debts incurred in his or her own name and hold the other harmless. Petitioner shall be solely responsible for the mortgages, home-equity obligations, and other obligations attributable to his ownership of the residence, including the Mountain America Credit Union obligations assigned to him by the Court. Respondent shall bear no responsibility for those obligations. Consistent with the Court's ruling that admissible proof did not establish Respondent's claimed expenditures on the home, no reimbursement award or additional transfer of Respondent's individually incurred improvement debt is made.

15. **Business Equity.** Neither party is awarded any interest in a business owned or operated by the other. Each party shall retain any business interest held in his or her own name, subject to any associated debt.

16. **Attorney Fees and Costs.** Each party shall pay his or her own attorney fees and court costs. Petitioner's subsequent request for attorney fees incurred in responding to Respondent's objection to the proposed Findings and Decree is denied.

17. **Personal Documents and Cooperation.** The parties shall act reasonably and cooperate through counsel as necessary to promptly complete all property transfers, retirement documents, lease transfers, and other acts required by this Decree.

18. **Prior Orders.** Except as expressly incorporated into this Decree or required to complete an act ordered herein, all temporary domestic-relations orders entered in this action are superseded upon entry of this Decree. Any separate protective order remains in full force according to its own terms and is not modified by this Decree.

19. **Enforcement and Continuing Jurisdiction.** The Court retains jurisdiction to enforce this Decree and to enter further orders necessary to effectuate its provisions, including the retirement division and transfer of property.

20. **Final Judgment.** Respondent's August 7, 2026 motion to accept her supplemental or late financial declaration is denied to the extent it seeks admission of the financial declaration excluded at trial. The exclusion ruling and denial of alimony remain in effect. The Court grants the modifications or clarifications requested by Respondent and agreed to by Petitioner, as incorporated in the amended Findings and this Decree, and denies Respondent's other requested relief as unsupported by the Court's ruling at the conclusion of trial. This Decree resolves all claims and issues tried on August 7, 2026, and constitutes the final judgment of the Court in this action.

AS ORDERED BY THE ELECTRONIC SIGNATURES OF THE COURT ON PAGE ONE OF THIS DOCUMENT.
