Attorney for Petitioner

IN THE SECOND JUDICIAL DISTRICT COURT
DAVIS COUNTY, STATE OF UTAH

IN THE MATTER OF THE CHILDREN OF: RENEE M. MEREDITH, Petitioner, and JONATHAN KURT SEAMAN, Respondent.	**JUDGMENT ESTABLISHING CUSTODY, PARENT-TIME, AND CHILD SUPPORT** Case No. 264701132 Judge: Michael S. Edwards Commissioner: Christina Wilson

Based on the Findings of Fact and Conclusions of Law entered in this matter, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

1. Parentage. Jonathan Kurt Seaman is confirmed as the legal father of L.R.M. Parentage has previously been established by a Voluntary Declaration of Paternity.

2. Sole Legal Custody. Renee M. Meredith is awarded sole legal custody of the minor child. Petitioner has final decision-making authority regarding education, medical and mental-health care, developmental and therapeutic services, religious

upbringing, extracurricular activities, and other major decisions affecting the child. Petitioner shall keep Respondent reasonably informed when doing so is consistent with the child's safety and applicable confidentiality requirements.

3. Sole Physical Custody. Renee M. Meredith is awarded sole physical custody. The child shall reside with Petitioner except during Respondent's court-ordered supervised parent-time.

4. Supervision. Respondent's parent-time shall be supervised by a professional supervised-parent-time provider or agency trained in child-abuse reporting and developmental needs of children. If professional supervision is unavailable, unaffordable, or impracticable, supervision may be provided by a qualified adult agreed to in writing by Petitioner or approved by the Court who is willing and able to protect the child. Petitioner is not required to act as supervisor.

5. Parent-Time Schedule. Unless the parties otherwise agree in writing, Respondent may exercise one supervised three-hour visit each week. The parties shall agree in writing on the day, time, location, and approved supervisor at least 48 hours in advance. If they do not agree, the visit shall occur Saturday from 10:00 a.m. to 1:00 p.m. at the professional provider's facility or another approved public location.

6. No Overnights / Travel Restriction. Respondent shall have no overnight parent-time. Respondent shall not remove the child from the supervisor's presence, permit an unapproved person to supervise, or take the child outside Utah during parent-time.

7. Transportation and Supervision Costs. Respondent is responsible for transportation to and from supervised visits and for the cost of supervision, subject to any later court determination concerning affordability.

8. Notice / Missed Visits. Respondent shall provide at least 48 hours' notice of an intent to exercise parent-time. A visit may be canceled if Respondent is more than 15 minutes late without notice. Missed visits do not automatically create make-up time.

9. Conditions Before Expansion. Before seeking unsupervised or overnight parent-time, Respondent must demonstrate: (a) completion of all criminal-court parenting, domestic-violence, and mental-health requirements; (b) no new child-abuse or domestic-violence conduct; (c) at least six consecutive months of safe and consistent supervised visits; and (d) a demonstrated ability to understand and meet the child's autism-related communication, safety, and care needs. There is no automatic step-up. Any expansion requires a further written court order.

10. Communication. Respondent may have reasonable brief telephone or video contact with the child at developmentally appropriate times if the child is receptive and the contact does not interfere with medical care, therapy, sleep, or daily routines.

11. Dispute Resolution. The parties shall first attempt to resolve nonemergency parenting disputes in writing. If unresolved, mediation may be used when safe and appropriate. Emergency, abuse, safety, and protective-order issues may be presented directly to the Court.

12. Relocation. Each party shall comply with Utah Code section 81-9-209.

13. Existing ORS Child Support Order. The Utah Office of Recovery Services administrative support order in ORS Case No. C001727477, entered September 19, 2023 and requiring Respondent to pay $75 per month in child support, remains in full force and effect. This Judgment does not create a duplicate support obligation and does not modify the ORS amount.

14. Arrears. ORS shall continue to calculate, credit, collect, and enforce any arrears under its order. Nothing in this Judgment duplicates or independently fixes an arrears amount different from the ORS accounting.

15. Health and Dental Insurance. Each party shall maintain accessible medical and dental insurance for the child when available at reasonable cost. The parties shall share equally any child-specific premium actually paid and all reasonable uninsured or unreimbursed medical, dental, mental-health, and therapeutic expenses, subject to statutory notice and reimbursement requirements.

16. Child Care. The parties shall share reasonable work- or training-related child-care expenses as required by Utah law after timely proof of provider and cost.

17. Tax Dependency Benefit. Petitioner may claim the child for federal and state income-tax purposes, subject to applicable tax law.

18. Continuing Jurisdiction. The Court retains continuing jurisdiction as provided by Utah law.

19. Final Judgment. This Judgment resolves the claims presented in the Verified Petition and is intended as the separate final judgment required by Utah Rule of Civil Procedure 58A.
