Attorney for Respondent

IN THE SECOND JUDICIAL DISTRICT COURT

COUNTY OF DAVIS, STATE OF UTAH, FARMINGTON DEPARTMENT

In the matter of the marriage of **MICHAEL MELDRUM** **and** **TRACY MELDRUM**	**DECREE OF DIVORCE** **Case No.: 244702013** **Related Case No.: 254701469** **Judge: David J. Williams** **Commissioner: Christina Wilson** **Tier 4**

Petitioner ["Michael"] having filed a Petition for Divorce against the Respondent ["Tracy"]; the Respondent having filed an Answer and the parties having reached a final resolution by filing their October 5, 2026 Stipulation and Property Settlement Agreement;

and the Court having previously entered its written Findings of Fact and Conclusions of Law;

NOW THEREFORE IT IS HEREBY ORDERED ADJUDGED

AND DECREED AS FOLLOWS

1. FULL AND FINAL RESOLUTION: The parties' Stipulation and Property Settlement Agreement dated October 5, 2026 is approved and incorporated into this Decree and resolves the divorce-related claims in Case No. 244702013 and Related Case

No. 254701469, subject to any further order necessary to conclude the related proceeding.

2. **DIVORCE:** That the parties shall be granted a Decree of Divorce on the grounds of irreconcilable differences the same to become final upon entry.

3. **CUSTODY AND PARENT-TIME:**

a. Legal Custody. The parties shall be awarded joint legal custody of the minor children. The parties shall share responsibility for major decisions affecting the children, subject to the dispute-resolution procedure set forth below.

i. Major Decisions. Major decisions concerning the children's education, health or dental care, and religion shall be discussed by the parties in good faith in an effort to reach a joint decision.

ii. Professional Consultation. If the parties are unable to reach a joint decision after discussion, they shall consult with an appropriate professional in the area of the disputed decision, including, as applicable, a physician, dentist, counselor, therapist, educator, school professional, clergy member, or other qualified professional, and shall consider the professional's information or recommendation in a further effort to reach agreement.

iii. Mediation. If the parties remain unable to reach agreement after consulting an appropriate professional, they shall participate in

mediation in a good-faith effort to resolve the disputed major decision before either party seeks court intervention, except in an emergency.

iv. Dispute Resolution and Maintenance of Status Quo. If the parties cannot agree on a proposed decision concerning the children, they shall first attempt to resolve the dispute through mediation. If mediation does not resolve the dispute, either party may submit the issue to the Court for determination and appropriate relief. Pending resolution by written agreement or Court order, the status quo existing before the disputed proposed decision shall remain in effect, and neither party shall unilaterally implement the proposed change. Nothing in this provision prevents either parent from obtaining emergency medical, dental, or mental-health care for a child when reasonably necessary to protect the child's immediate health or safety.

b. Physical Custody. Effective immediately, the parties shall have joint physical custody of the minor children. Through December 31, 2026, Tracy shall exercise the greater share of regular parent-time under the transitional schedule stated below. Beginning January 1, 2027, the parties shall exercise equal physical custody and equal parent-time as stated below.

c. Transitional Parent-Time Through December 31, 2026. Beginning immediately and continuing through December 31, 2026, Michael shall exercise the optional parent-time schedule under Utah Code section 81-9-303, commonly

referred to by the parties as a 9/5 schedule. Michael's weekly midweek parent-time shall occur on Thursdays. Except as specifically modified by this Agreement, the timing, alternating-weekend, holiday, and extended parent-time provisions of section 81-9-303 shall apply during this transitional period.

d. Equal Parent-Time Beginning January 1, 2027. Beginning January 1, 2027, the parties shall exercise equal parent-time consistent with Utah Code section 81-9-305. Pursuant to the current parent-time schedule, Michael's time under the new schedule will begin on January 1, 2027. By agreement, the equal parent-time schedule shall be implemented on a week-on/week-off basis rather than the default statutory rotation. Exchanges shall occur every Sunday at 7:00 p.m. Michael's parent-time shall begin on January 1, 2027 and continue through the first Sunday exchange after January 1, 2027, after which the parties shall alternate full weeks.

e. Right of First Refusal. Consistent with Utah Code section 81-9-202(13), if either parent will be unavailable to personally care for the minor children for four (4) or more consecutive hours during that parent's scheduled parent-time, that parent shall first offer the other parent the opportunity to care for the children before arranging surrogate child care. The offer shall be made as soon as reasonably practicable. If the other parent declines or is unavailable, the parent exercising scheduled parent-time may arrange appropriate child care. This provision does not apply while the children are attending school or a scheduled

extracurricular activity and does not alter the underlying parent-time rotation or create make-up parent-time.

f. School Enrollment. The minor children shall remain enrolled in their current schools and applicable feeder schools so long as they remain eligible to attend those schools. If Tracy relocates and, because of the relocation, the children are no longer eligible to attend their current schools or applicable feeder schools, the parties shall attend mediation to determine where the children will attend school.

g. Sleeping Arrangements. The parties shall ensure that the minor children do not sleep in either parent's bed. Each parent shall maintain separate and appropriate sleeping accommodations for each child during that parent's parent-time.

h. Father's Mental Health Evaluation and Treatment. In compliance with the May 20, 2026 Order, Father shall obtain a mental health evaluation. Father shall provide appropriate documentation or other proof of his participation in the mental health evaluation if requested by either party. If Father's mental health provider makes recommendations concerning his treatment, Father shall comply with those recommendations.

i. Child Safety and Boundaries. The parties shall take appropriate measures to protect the children's safety and well-being and to maintain appropriate boundaries concerning the children.

j. Holiday and Extended Parent-Time. Holiday and extended parent-time shall take precedence over the regular weekly schedule. Through December 31, 2026, holiday and extended parent-time shall be governed by Utah Code section 81-9-303. Beginning January 1, 2027, holiday and extended parent-time shall be governed by the provisions applicable to equal parent-time under Utah Code section 81-9-305, unless otherwise agreed in writing by the parties.

k. Flexibility. Upon agreement of the parties, the parties shall exercise reasonable flexibility in the parent-time schedule to account for the children's school obligations, extracurricular activities, employment, and other age-appropriate commitments.

l. Transportation. Unless otherwise agreed, the parent beginning a period of parent-time shall retrieve the children from the other parent's residence or another reasonably designated location. For the week-on/week-off schedule beginning January 1, 2027, exchanges shall occur on Sundays at 7:00 p.m. as stated above.

m. Relocation. If either party relocates more than 150 miles from the party's current residence, the relocating party shall comply with Utah Code section 81-9-209 and any other applicable law.

4. CHILD SUPPORT:

a. Tracy's Income. Based on her combined recent biweekly gross earnings from the Clinton and Ogden Therapeutix locations, averaging $2,789.95 per pay period, Tracy's gross monthly income is $2,789.95 x 26 / 12 = $6,044.89, rounded to $6,045.00.

b. Michael's Income. Based on biweekly gross pay of $4,038.47, Michael's gross monthly income is $4,038.47 x 26 / 12 = $8,750.00 ($105,000.00 annually).

c. Interim 9/5 Parent-Time Support. Beginning November 1, 2026, and continuing through December 31, 2026, during the 9/5 parent-time schedule, Michael shall pay Tracy child support in the amount of $879.00 per month. This obligation shall not be reduced, offset, or credited by any alleged credit or overpayment of child support arising before this Stipulation.

d. Equal Parent-Time Support. Beginning January 1, 2027, upon commencement of the equal week-on/week-off parent-time schedule, Michael shall pay Tracy child support in the amount of $214.00 per month.

e. Payment. Child support shall be payable in accordance with Utah Code section 81-7-102, either in full by the fifteenth day of each month.

f. Duration and Recalculation. Child support shall continue for each child until the later of the child's eighteenth birthday or graduation from high school during the child's normal and expected year of graduation, as provided by Utah law. When a child emancipates, support shall be recalculated for the remaining minor child without the need to modify the remaining terms of this Agreement.

g. Income Withholding. The parties acknowledge that income withholding may be entered and enforced as permitted by Utah law.

5. HEALTH INSURANCE AND MEDICAL COSTS:

a. Insurance Coverage. Pursuant to Utah Code section 81-6-208, the children shall be covered by health insurance when it is available to a parent at a reasonable cost. By

agreement, the parent who can obtain comparable medical, dental, and vision coverage for the children at the lower out-of-pocket premium cost shall maintain the coverage. If the cost or coverage materially changes, the parties shall compare the available plans and use the lower-cost comparable coverage when reasonably available.

b. Insurance Premium. The parties shall each pay one-half of the actual out-of-pocket cost of the children's portion of the insurance premium. The children's portion shall be calculated by dividing the total premium by the number of persons covered under the policy and multiplying the result by the number of minor children covered.

c. Verification. The parent carrying insurance shall provide the other parent with proof of coverage, the premium cost, and current insurance cards upon enrollment and after any material change in coverage or cost.

d. Unreimbursed Medical and Dental Expenses. Consistent with Utah Code section 81-6-208, the parties shall each pay one-half of all reasonable and necessary uninsured and unreimbursed medical and dental expenses for the children, including co-payments, co-insurance, deductibles, prescriptions, vision care, and orthodontia. Orthodontic treatment shall be considered required and necessary medical/dental treatment for purposes of this Agreement.

e. Children's Therapy. The children shall continue to attend therapy. The parties shall each pay one-half of all uninsured and unreimbursed out-of-pocket costs associated with the children's therapy.

f. Reimbursement. The party seeking reimbursement shall provide documentation of the expense and payment to the other party within thirty (30) days. The other party shall reimburse

his or her one-half share within thirty (30) days after receipt of the documentation.

g. Double Coverage. If, at any point in time, a child is covered by the health insurance plans of both parents, the health insurance plan of Tracy Meldrum shall be primary coverage for the child and the health insurance plan of Michael Meldrum shall be secondary coverage for the child. If a parent remarries and the child is not covered by that parent's health insurance plan but is covered by a step-parent's plan, the health insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the child.

6. CHILD CARE: Each party shall be solely responsible for arranging and paying the cost of child care required during that party's own parent-time, unless otherwise agreed in writing.

7. EXTRACURRICULAR ACTIVITIES AND SCHOOL FEES:

a. Extracurricular Activities. The parties shall equally divide the cost of extracurricular activities agreed upon in writing in advance.

b. School Fees. The parties shall equally divide school fees for the minor children, including school lunch charges.

8. INCOME TAX DEDUCTIONS:

a. Allocation. While both children are eligible to be claimed for tax purposes, Tracy shall claim E.M. and Michael shall claim L.M. Michael may claim L.M. only if he is current on all court-ordered child support, including any ordered arrearage payments, as of December 31 of the applicable tax year. If Michael is not current, Tracy may claim L.M. for that year, to the extent permitted by law.

b. One Remaining Child. When only one child remains eligible to be claimed, the parties shall alternate the deduction: Tracy in even-numbered years and Michael in odd-numbered years. Michael's right to claim the child remains conditioned on his being current on child support as stated above.

c. Cooperation. Each party shall timely execute IRS Form 8332 or any other reasonably necessary tax document to effectuate this allocation.

9. MARITAL HOME AND REAL PROPERTY:

a. Marital Residence. The parties acquired the marital residence located at 649 East 1800 South, Clearfield, Utah 84015. Tracy shall be awarded the marital residence, subject to the existing mortgage and other valid liens.

b. Michael's Equity Interest and Minimum Payment. Michael shall be entitled to an equity payment from the marital residence in an amount equal to the greater of One Hundred Thousand Dollars ($100,000.00) or fifty percent (50%) of the equity in the residence as determined at the applicable triggering event described below. Michael shall receive no less than $100,000.00, and Tracy shall be entitled to the remaining equity after satisfaction of Michael's interest.

c. Refinance or June 30, 2035. Michael's equity payment shall become due upon the earlier of: (i) Tracy refinancing the marital residence; or (ii) June 30, 2035. If Tracy refinances the residence before June 30, 2035, Tracy shall obtain a current appraisal of the residence from a licensed or certified real estate appraiser. For purposes of calculating the parties' equity, the appraised fair market value shall be reduced by the then-existing principal balance of the mortgage and any other valid liens against the residence. At the closing of the refinance, Michael

shall be paid the greater of $100,000.00 or fifty percent (50%) of the equity so determined. If Michael has not received his equity payment by June 30, 2035, the payment shall then be immediately due. If Tracy does not timely pay Michael the amount due, the residence shall be immediately listed for sale unless the parties otherwise agree in writing.

d. Sale of Residence. If the marital residence is sold at any time before Michael has received his equity payment, including a sale occurring on or after June 30, 2035, Michael shall receive from the net sale proceeds the greater of $100,000.00 or fifty percent (50%) of the net sale proceeds. “Net sale proceeds” means the gross sales price less the then-existing mortgage balance, valid liens, real estate commissions, title charges, and other customary costs of sale. Tracy shall receive the balance of the net sale proceeds after Michael’s payment.

e. Mortgage Payments; Mandatory Sale Upon Default. Tracy shall be solely responsible for timely payment of the mortgage, property taxes, homeowners insurance, and other amounts necessary to keep the residence in good standing. If Tracy defaults on any monthly mortgage payment, she shall have sixty (60) days from the date the payment was due to fully cure the default. If the default is not fully cured within that sixty-day period, the residence shall be immediately listed for sale with a licensed real estate broker. Upon sale, the parties shall otherwise share equally in the net sale proceeds, subject to Michael’s minimum $100,000.00 equity entitlement and the distribution provisions set forth in Paragraph 9(d).

f. Other Real Property. Except for the marital residence identified above, the parties acknowledge that they have not identified other real property acquired during the marriage that is

subject to marital distribution under this Agreement.

10. PERSONAL PROPERTY:

a. Tracy's Property. Tracy shall be awarded the personal property presently in her possession, free and clear of any claim by Michael, except as otherwise specifically provided in this Agreement. Tracy is awarded the yard maintenance tools currently already in Tracy's possession and the Beretta 9mm handgun currently in Michael's possession.

b. Michael's Property. Michael shall be awarded the personal property presently in his possession, free and clear of any claim by Tracy, except as otherwise specifically provided in this Agreement. Michael is awarded the tactical gear, camping gear, the power tools (excluding yard maintenance tools), the safe currently in Tracy's possession.

c. Remaining Property. Any remaining marital personal property not specifically addressed shall be equitably divided by written agreement of the parties. If the parties are unable to agree, they shall mediate the disputed item before seeking court intervention, except in an emergency.

11. DEBTS:

a. Pre-Separation Debts. Any debt owing as of the parties' separation on or about October 1, 2024 shall be the sole responsibility of the party whose name the debt is in, unless otherwise expressly allocated in this Agreement. The parties agree there are no marital debts other than the mortgage.

b. Post-Separation Debts. Each party shall be solely responsible for debts incurred in that party's individual name or individual capacity after the parties separated on or about October 1, 2024, unless otherwise expressly allocated in this Agreement.

c. Indemnification. Each party shall assume, pay, and discharge the debts and obligations allocated to that party and shall indemnify and hold the other party harmless from any loss, liability, expense, collection activity, or damage resulting from a failure to do so.

12. ALIMONY:

a. Waiver. In consideration of Tracy being awarded the marital residence and being permitted to remain in the home, together with Michael's agreement to defer receipt of his equity payment as provided in Paragraph 9, Tracy knowingly and voluntarily waives and releases any present or future claim for alimony from Michael. The parties intend this waiver to be final and non-modifiable.

13. RETIREMENT BENEFITS:

a. Award of Retirement Accounts. Michael shall be awarded all retirement accounts titled in his name, including all balances, earnings, and growth thereon, free and clear of any claim by Tracy. Tracy shall retain any retirement funds previously transferred to her, free and clear of any claim by Michael.

14. MAIDEN NAME: At Tracy's election, she shall be restored to her maiden name of Glines.

15. ATTORNEY FEES:

a. Fees Through Settlement. Each party shall bear his or her own attorney fees and costs incurred through execution and entry of this Agreement and the resulting Decree, unless the parties otherwise agree in writing.

b. Enforcement. If a party is required to seek court relief because of the other party's material violation of this Agreement or the resulting Decree, the Court may award reasonable attorney

fees and costs as permitted by Utah law.

16. TRANSFER OF PROPERTY AND NOTICE TO CREDITORS:

a. Documents and Property. Each party shall timely deliver property awarded to the other and execute all deeds, titles, tax forms, and other instruments reasonably necessary to carry out this Agreement and the resulting Decree.

b. Creditors. Each party shall take reasonable steps to notify creditors of debt allocations made by the Decree when necessary to implement the Agreement. The parties acknowledge that allocation of a debt between them does not by itself alter a creditor's contractual rights against either party.

c. Time for Performance. Unless another deadline is stated in this Agreement or agreed in writing, documents necessary to effectuate transfers shall be executed within sixty (60) days after entry of the Decree.

17. MUTUAL RESTRAINING AND CONDUCT ORDERS:

a. Harassment and Threats. Each party shall be permanently restrained from bothering, harassing, threatening, stalking, or intentionally harming the other party.

b. Non-Disparagement. Neither party shall malign or defame the other, and neither shall make or permit derogatory comments about the other in the presence or hearing of the children.

c. Parent-Child Relationships. Neither party shall alienate the children from the other parent or intentionally interfere with the other parent's lawful relationship with the children.

d. Property Preservation. Until all property transfers required by this Agreement are completed, neither party shall waste, conceal, damage, transfer, or encumber property allocated

or subject to allocation under this Agreement except as expressly permitted herein or agreed in writing.

18. <u>DISPUTE RESOLUTION</u>: Except in an emergency or where immediate court relief is reasonably necessary, the parties shall first attempt in good faith to resolve disputes concerning interpretation or performance of this Agreement and, if unresolved, shall submit the dispute to mediation before seeking court intervention.
