IN THE DISTRICT COURT OF UTAH

SECOND JUDICIAL DISTRICT, WEBER COUNTY

2525 Grant Avenue, Ogden, Utah 84401

In the Matter of the Marriage of: **SARA ELISABETH PRUITT,** Petitioner, and **BRADLEY NEAL PRUITT,** Respondent.	**DECREE OF DIVORCE** Case No. 254901521 Judge: Craig Hall Commissioner: Brandon Richards

Petitioner, **SARA ELISABETH PRUITT**, by and through her counsel of record, Jaycee Webb of Kristopher K. Greenwood & Associates, hereby submits the following Decree of Divorce. The court, having entered its Findings of Fact and Conclusions of Law, and now being fully advised in the premises, and for good cause shown, does hereby find and order the following:

DECREE OF DIVORCE

1. The parties shall be granted a Decree of Divorce, final upon entry, severing the bonds of matrimony heretofore existing between the parties, upon the grounds of irreconcilable differences, pursuant to Utah Code Annotated § 81-4-405(1)(h).

CHILD CUSTODY & PARENT-TIME

2. The parties shall share joint legal and joint physical custody of their minor children.

3. Parent-time shall be as the parties can agree. If the parties are unable to agree, parent-time shall be pursuant to Utah Code Annotated § 81-8-305, with Respondent having parent-time on Mondays and Tuesdays, and Petitioner having parent-time on Wednesdays and Thursdays. The parties shall alternate and receive every other weekend.

4. Holiday and extended parent-time shall be as the parties can agree. If they are unable to agree, it shall be pursuant to Utah Code Annotated § 81-9-305, with Petitioner being designated the custodial parent for purposes of holiday parent-time.

5. Transportation shall be as the parties can agree. A transportation schedule shall be maintained and agreed upon in concert with the parent-time schedule. If the parties are unable to agree, the parties shall exchange the minor children at school. If the minor children do not have school on the exchange day, the party whose parent-time is commencing shall be responsible for transportation.

6. The parties' minor child, L.A.P., is disabled and currently resides in a group home. In the event that L.A.P. is discharged from the group home and remanded to the custody of the parties, the parties shall immediately renegotiate custody and parent-time of the minor children.

7. In the event that either party relocates more than 30 miles from the other, or any distance that makes transportation of the minor children impractical, the parties shall abide by the notice provisions contained in Utah Code Annotated § 81-9-209. The parties shall agree prior to any relocation which requires a change in school for the minor children.

8. Both parties shall become familiar with and abide by the Advisory Guidelines as articulated in Utah Code Annotated §81-9-202.

9. Regarding any major decisions affecting the minor children, the parties shall communicate in advance and discuss said major decisions in an effort to make a mutually agreeable decision. If the parties are unable to reach a mutually agreeable decision, the parties shall promptly consult with the relevant professional (i.e. physician, teacher, etc.) regarding a potential decision. If the parties are still unable to agree, the parties shall attend mediation and shall split any costs equally (50/50). After mediation, if the parties are unable to agree, Petitioner shall have the final decision-making power, subject to Respondent's right to bring the issue before the court.

10. Each party may make emergency decisions affecting the health or safety of the minor children.

CHILD SUPPORT

11. Respondent shall pay Petitioner child support in the amount of $600.00 each month, which is the equivalent of $300.00 per child. The parties agree that this amount is different than pursuant to a joint custody worksheet, with Petitioner's monthly income of $8,952.67 and Respondent's income of $12,781.78, with Petitioner having 183 overnights and Respondent having 182 overnights in a one-year period. However, the parties agree that this amount is in the best interest of the minor children. In the event L.P. continues to receive an adoption subsidy after she reaches the age of majority, the child support amount shall remain $600.00 per month, until such time as no adoption subsidy is received.

12. Pursuant to Utah Code Annotated § 81-7-102(3), Respondent's child support payments shall be due one-half by the 5th and one half by the 20th of each month. Respondent's child support obligation shall commence as of June 18, 2026.

13. Except as outlined above, and pursuant to Utah Code Annotated § 81-6-213, child support for a minor child shall terminate at the time: (i) the child becomes eighteen years of age or has graduated from high school during the child's normal and expected year of graduation, whichever occurs later, or (ii) the child dies, marries, becomes a member of the armed forces of the United States, or is emancipated in accordance with Utah Code Annotated Title 80, Chapter 7, Emancipation.

CHILD CARE EXPENSES

14. If any work-related child care is needed, pursuant to Utah Code Annotated § 81-6-209, both parties shall equally (50/50) share the said child care expenses for the children.

15. If an actual expense for child care is incurred, a party shall begin paying their share on a monthly basis immediately upon presentation of proof of the child care expense. If the child care expense ceases to be incurred, that party may suspend making monthly payment of that expense while it is not being incurred, without obtaining a modification of the child support order.

16. A party who incurs a child care expense shall provide written verification of the cost and identity of a child care provider to the other party upon initial engagement of a provider and thereafter on the request of the other party.

17. Neither party shall change the child care provider or authorize any changes to the cost of child care without prior written consent from the other party. If the parties are unable to agree, Petitioner shall have final say.

18. A party who incurs agreed-upon work-related child care expenses that are to be split shall provide the other party written verification of the cost within thirty (30) days. The other party shall pay their one-half of the expense within thirty (30) days after receiving the written verification.

HEALTH INSURANCE

19. Pursuant to Utah Code Annotated § 81-6-208, both parties shall maintain health insurance for the minor children so long as it is available to them at a reasonable cost.

20. If, at any point in time, a child is covered by the health insurance plans of both parents, each party shall pay their own health insurance premium. If a parent remarries and the child is not covered by that parent's health insurance plan but is covered by a step-parent's plan, the health insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the child.

21. If the children are covered by only one health insurance plan, the parties shall equally (50/50) share the out-of-pocket costs and the premiums actually paid by a party for the minor children's portion of insurance.

22. The parties shall equally (50/50) share all reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for the children, and actually paid by a party, including deductibles and co-payments, so long as they are agreed to in advance and in writing.

23. Pursuant to Utah Code Annotated § 15-4-6.7(1)(a), the parties shall maintain separate billing accounts with the children's health care providers whenever possible.

24. If separate billing accounts are not available, a party who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other party

within thirty (30) days of payment. The other party shall pay their one-half of the expense within thirty (30) days after receiving the written verification

EXTRACURRICULAR EXPENSES & SCHOOL FEES

25. The cost of extracurricular expenses and school fees shall be split as the parties can agree.

26. However, if they are unable to agree, the parties shall equally (50/50) share all extracurricular expenses, so long as they are agreed to in advance and in writing.

27. Neither party shall unreasonably deny an extracurricular for the minor children.

28. Further, the parties shall equally (50/50) share all necessary school fees including, but not limited to, school lunches, books, registration fees, uniforms, lunch costs, etc.

29. Neither party shall schedule the children for an extracurricular that falls on the other's parent-time, unless the extracurricular is agreed to in writing, prior to incurring such obligation.

30. A party who incurs extracurricular activity or school fee expenses that are to be split shall provide the other party written verification of the cost within thirty (30) days. The other party shall pay their one-half of the expense within thirty (30) days after receiving the written verification.

FINANCIAL OBLIGATION

31. The parties shall each individually contribute annually to B.N.P.'s youth savings account. The parties shall annually review and revise the yearly contribution amount, which shall be set by mutual agreement. Both parties will be on the account. However, neither party shall access, withdraw, or otherwise manipulate the funds in the account without the prior written consent of the other party.

32. Respondent shall designate B.N.P. as the primary beneficiary of his post-9/11 Veterans Educational Assistance "GI Bill" benefits.

FEDERAL ADOPTION SUBSIDY

33. The federal adoption subsidy currently being received by Respondent will continue to be used as it has previously been used. Specifically, the federal adoption subsidy will be used in the following order: (1). to pay L.A.P.'s room, board, living expenses, and other needs; (2). to pay B.N.P.'s school tuition and extracurriculars; and (3). to pay child support to Petitioner. If there are any funds remaining from the federal adoption subsidy after these obligations have been met, said remaining funds shall be deposited into B.N.P.'s youth savings account.

LIFE INSURANCE

34. Each party shall maintain private life insurance (currently Primerica) on their own life of equal value to the other. Such life insurance shall be maintained in full force and effect said life insurance until the beneficiary party reaches at least sixty-two (62) years of age. During such period, each party shall be ordered to irrevocably designate the other as the primary beneficiary and owner of said life insurance policy. Neither party shall make any change to the life insurance policy without prior written consent from the beneficiary party. Respondent shall pay the life insurance policy on Petitioner's life, either directly to the private life insurance or to Petitioner.

35. Additionally, Respondent shall maintain the maximum Servicemembers' Group Life Insurance with Petitioner as the primary beneficiary, until such time as Petitioner remarries or Respondent retires from active duty military service. In the event Petitioner remarries, Respondent may immediately terminate the life insurance coverage or change the primary beneficiary.

36. Each party shall provide the other with proof that the insurance is in effect within thirty (30) days of the entry of their Decree of Divorce and provide verification that said insurance is in effect by January 15th of each year thereafter.

RETIREMENT AND RELATED ASSETS

37. Upon Respondent's retirement from Active-Duty military, Respondent will allot an amount of fifty percent (50%) of his Active-Duty military retirement fund to Petitioner. In the event Respondent does not receive full retirement benefits (i.e. retires early, takes a reduced amount to qualify for disability, leaves the service before his contractual retirement date, is discharged for any reason), the parties shall renegotiate an alternative payment amount in consideration of Petitioner's equity in the parties' marital home to include compound interest on the equity based on the highest appraisal of the home.

38. Each party shall be entitled to retain their own Thrift Savings Plan, IRA, and 401(k), and any other retirement accounts and/or related assets, free and clear from any claim from the other, now or forever.

REAL PROPERTY

39. During the course of the marriage, the parties acquired real property located at 1683 South Hayfield Drive, West Haven, Utah 84401. Respondent shall retain sole ownership, occupancy, use, etc. of said real property. The parties shall cooperate to facilitate the necessary processes to remove Petitioner from the mortgage and associated debts. Petitioner may be removed from the title, but shall maintain an interest in the equity of the real property until such time as Respondent receives his full retirement, or until such time as the parties renegotiate an alternative payment pursuant to Section 37 above. Thereafter, Respondent shall be awarded the property and all rights, equity, interest, etc. free and clear from any claim of Petitioner, now or forever.

PERSONAL PROPERTY

40. Petitioner shall be awarded the following, free and clear of any claim from Respondent, now or forever:

a. Any bank accounts held solely in Petitioner's name;

47. Petitioner is in need of support and financial assistance in the form or alimony and Respondent is capable of providing such support. Respondent shall pay an amount of $1,800.00 each month, beginning as of September 1, 2025, and continuing for a term equal to the length of the marriage.

48. Alimony shall terminate earlier upon the occurrence of any applicable condition pursuant to Utah Code Annotated § 81-4-505, including Petitioner's remarriage or cohabitation, or the death of either party.

TAXES

49. The parties shall communicate, cooperate, and file their 2025 federal and state income tax returns as married filing together.

50. Thereafter, each party shall be entitled to claim one minor child on their state and federal taxes each year, with Petitioner claiming B.N.P. in even years and L.A.P. in odd years, and Respondent claiming L.A.P. in even years and B.N.P. in odd years. When the parties share only

one minor child, they shall alternate claiming the remaining minor child, with Petitioner claiming the minor child in even years and Respondent claiming the minor child in odd years.

52. Both parties shall be restrained from disparaging or degrading the other party in any public capacity, including but not limited to social media.

53. Both parties have the affirmative duty to remove the minor children from any location that is unsafe for the minor children.

54. Both parties shall be restrained from discussing any adult or divorce-related issues with or in front of the minor children, including any and all details regarding this litigation. Both parties shall take all appropriate measures to ensure that the minor children do not hear or see any of the custody-related issues without court order.

55. Neither party shall engage in, or permit the presence of any excessive alcohol consumption, unlawful drug use, sexually explicit activities, violence, and/or disrespect for law and order, especially in front of the minor children.

56. The parties both have an affirmative duty to not allow their minor children contact with the following individuals: James Neal Pruitt, Theresa Lynn Whitaker Pruitt, and Martin Tyler Pruitt. Any modification to this duty must be mutually agreed upon in writing prior to such change.

57. Each party shall be responsible for ensuring third parties do not do what they themselves are prohibited from doing. The parties shall each have the affirmative duty to use their best efforts to
