Attorneys for Defendants

IN THE SECOND JUDICIAL DISTRICT COURT
IN AND FOR WEBER COUNTY, STATE OF UTAH

FERNANDO AYALA, Plaintiff, vs. GREGORY WILLIS, an individual, and FISHER SAND & GRAVEL CO., a corporation, and John Doe, Defendants.	**ACKNOWLEDGMENT OF SATISFACTION OF JUDGMENT AND REQUEST TO REMOVE JUDGMENT FROM JUDGMENT ROLLS** Civil No. 240904530 Honorable Camille Neider

Plaintiff Fernando Ayala, through counsel, hereby acknowledges that the Judgment entered in this matter on August 18, 2026, in favor of Plaintiff Fernando Ayala and against Defendants Gregory Willis and Fisher Sand & Gravel Co., jointly and severally, in the principal amount of Five Hundred Sixty-Five Thousand Dollars ($565,000.00), together with all interest, taxable costs, and any other amounts recoverable thereon, has been fully satisfied.

Pursuant to Utah Rule of Civil Procedure 58B, satisfaction of a judgment discharges the judgment and causes the judgment to cease to be a lien as to the judgment debtors named and to the extent of the amount paid. Accordingly, Plaintiff requests that the Court and Clerk enter this Acknowledgment of Satisfaction of Judgment on the docket, mark the Judgment as fully satisfied, and remove or release the Judgment from the judgment rolls and any judgment-lien index as to Defendants Gregory Willis and Fisher Sand & Gravel Co.

This acknowledgment is intended to constitute a full satisfaction of judgment for purposes of Utah Rule of Civil Procedure 58B(a) and (c), and Plaintiff asks that no further collection, execution, garnishment, or judgment-lien enforcement activity proceed on the satisfied Judgment.
