1. Divorce granted. The marriage of Lacey Simpkins and Zack Tyler Simpkins is dissolved as of the date this Decree is entered by the Court.

2. Stipulation incorporated. 3. Child custody and parent-time. Custody, parent-time, holidays, relocation, and military-parenting terms shall be as specified in the incorporated Divorce Stipulation and Parenting Plan, subject to the Court's best-interests determination.

4. Child support. Respondent shall pay child support of $1,000 monthly, $500 on the 1st and $500 on the 15th, as stated in the stipulation, subject to the Court's approval of the child-support deviation and any required income withholding or Office of Recovery Services provisions. Effective date: [COURT TO CONFIRM].

6. Property and debts. The provisions of the incorporated stipulation concerning personal property, debts, and the Utah real property, including sale proceeds and mortgage responsibility, are ordered as written.

7. Alimony. Neither party shall pay alimony, as agreed in the stipulation.

8. Other terms. The remaining provisions of the signed stipulation are incorporated and ordered, to the extent approved by the Court. In the event of an inconsistency between this Decree and an attached stipulation, the Court should resolve it before entry.
