Attorney for Petitioner

IN THE SECOND JUDICIAL DISTRICT COURT
IN AND FOR WEBER COUNTY, STATE OF UTAH

MONIQUE BARSZCZ, Petitioner, vs. PAUL MICHAEL SCHROEDER, Respondent.	**DECREE OF DIVORCE** Case No. 264901748 Judge Cathrine Conklin Commissioner Christina Wilson

This matter is before the Court on the Verified Petition for Divorce of Petitioner Monique Barszcz and the Stipulation for Entry of Decree of Divorce signed by Petitioner and Respondent Paul Michael Schroeder. The Court has entered its Findings of Fact and Conclusions of Law. Based on them and the Stipulation, and good cause appearing, the Court ORDERS, ADJUDGES, AND DECREES as follows:

DIVORCE

1. Petitioner and Respondent are each granted a decree of divorce from the other on the ground of irreconcilable differences, to become final upon entry of this Decree after the expiration of any applicable statutory waiting period. Upon that date, the parties are restored to the status of unmarried persons.

2. The Court has jurisdiction over the parties and the subject matter, and venue is proper in Weber County, Utah.

STIPULATION

3. The Stipulation for Entry of Decree of Divorce signed by the parties is approved and is incorporated into this Decree, but is not merged into it, and remains enforceable as a contract. The parties shall comply with its terms. If this Decree and the Stipulation conflict, the Stipulation controls.

CHILDREN

4. No children were born to the parties as issue of the marriage, none were adopted by them, and Petitioner is not pregnant. No orders concerning custody, parent-time, child support, or dependency exemptions are necessary.

PROPERTY

5. Each party is awarded, as his or her sole and separate property, free of any claim by the other, the property listed below, together with all income, growth, and appreciation on it, and any other property titled in that party's sole name or in that party's possession.

A. Property awarded to Petitioner:

(1) The Schwab Wealth Advisory IRA and the Schwab Wealth Advisory account;

(2) The brokerage account identified as "Trust – PYPL Brokerage";

(3) The Fidelity 401(k) account;

(4) The E*TRADE stock plan account holding PayPal (PYPL) stock, including all stock, options, and awards, vested or unvested;

(5) The Trustmark and Allianz accounts;

(6) All Chase Bank checking and savings accounts;

(7) All Ascent Credit Union accounts in Petitioner's name, including the primary share, free checking, and rewards money market share accounts;

(8) All of Petitioner's interest in Whispering Magic, LLC, and all of that company's accounts, assets, and liabilities;

(9) The real property and residence located at 4640 W 3450 S, West Haven, Utah 84401, subject to the mortgage on it, which Petitioner shall pay as provided below;

(10) The 2018 Jeep Cherokee; and

(11) The household furniture, furnishings, and personal property in Petitioner's home and possession.

B. Property awarded to Respondent:

(1) The Schwab investment account;

(2) The Huntington Bank checking account;

(3) The health savings account;

(4) The Thrivent universal life insurance policy, including its cash value;

(5) Cash in Respondent's possession;

(6) The sports cards collection;

(7) The 2018 Ford F-150 truck;

(8) Respondent's tools; and

(9) The household items and personal property in Respondent's possession.

6. Each party waives and releases any claim to the property awarded to the other party, including any claim to any retirement, pension, investment, stock, or insurance account, and including any survivor or beneficiary rights arising from the marriage. Because each party retains his or her own retirement accounts, no qualified domestic relations order is required. Each party shall sign any document reasonably needed to transfer title or confirm the other party's ownership of the property awarded to that party.

7. Any property not listed above is awarded to the party in whose name it is held or in whose possession it is. If either party later discovers an asset that was not disclosed, the Court retains jurisdiction to divide that asset equitably.

DEBTS

8. Petitioner shall pay the mortgage on her residence held by Provident Funding, and all credit card or other debts in her name, and shall hold Respondent harmless from them. Respondent shall pay any debt in his name and hold Petitioner harmless from it. Each party shall pay and hold the other harmless from any debt incurred in that party's name or after the date of separation, including attorney fees and costs of defending any claim on the debt.

ALIMONY

9. Each party has knowingly and voluntarily waived any claim to alimony or spousal support from the other. Neither party is awarded alimony, and the Court shall not retain jurisdiction over alimony.

ATTORNEY FEES, TAXES, AND INSURANCE

10. Each party shall pay his or her own attorney fees and costs incurred in this action.

11. Each party shall be responsible for the income taxes on his or her own income, shall file his or her own tax returns for tax year 2026 in the manner permitted by law, and shall reasonably cooperate with the other in furnishing information needed to prepare them. Each party shall hold the other harmless from any tax, interest, or penalty attributable to his or her own income or separate property.

12. Each party shall be responsible for his or her own health, life, and other insurance after entry of this Decree.

13. The parties' names are not changed by this Decree.

GENERAL PROVISIONS

14. Except for the obligations created by the Stipulation and this Decree, each party releases the other from all claims arising from the marriage, including any claim to the other's estate or any right as a surviving spouse under Utah law, to the fullest extent the law allows.

15. The Court retains jurisdiction over the parties and the subject matter to enforce this Decree and to enter any further orders necessary to carry it out.

The Court's electronic signature appears at the top of the first page.
