

1 11-702 Legal Services Innovation Committee Composition

2 Effective xx/xx/xx

3 (a) **Composition.** The Legal Services Innovation Committee must have at least 10
4 members and include the following:

- 5 1. one elected Utah State Bar Commissioner;
- 6 2. one member of the Utah State Bar’s Access to Justice Commission;
- 7 3. the director of the Utah State Court’s Self Help Center or the director’s
8 designee;
- 9 4. two experts in relevant fields, such as legal regulation, consumer legal needs,
10 or data collection and analysis;
- 11 5. two Utah attorneys experienced in areas of law directly serving consumers;
- 12 6. one Utah licensed paralegal practitioner; and
- 13 7. one non-attorney member experienced in working with traditionally
14 underserved communities.

15 (b) **Terms.** Members are appointed for staggered three-year terms, unless the Supreme
16 Court determines that a different term length is appropriate for the needs of the
17 Committee. The Supreme Court will appoint the chair and vice-chair. No Committee
18 member may serve more than two full consecutive terms unless appointed as the chair,
19 vice-chair, or when justified by special circumstances. The Committee may also have up
20 to two non-voting emeritus members. An emeritus member has the same authority and
21 duties as other Committee members, except that the member does not have authority to
22 vote. An emeritus member may serve two full terms in addition to the terms served as a
23 member.

24 (c) **Application and recruitment of committee members.** In the event of a committee
25 vacancy, the Supreme Court, after consulting with the Committee chair, will appoint a
26 new Committee member from the same category as the prior Committee member, if

27 applicable. The new Committee member serves for the remaining unexpired term and
28 thereafter is eligible to serve two additional consecutive terms.

29 (e) **Absences.** In the event a Committee member fails to attend three Committee
30 meetings during a calendar year, the chair may notify the Supreme Court of those
31 absences and may request that the Supreme Court replace that Committee member.

32 (f) **Administrative assistance.** The Utah State Bar will provide administrative assistance
33 to the Committee.

34 (g) **Staff.** The Office of Legal Services Innovation's Program Director will serve as staff
35 and chief advisor to the Committee. The Program Director will be appointed by the
36 Utah Supreme Court with the advice of the Utah State Bar.
