

Sending EMV Device Inspection GOOGLE Form

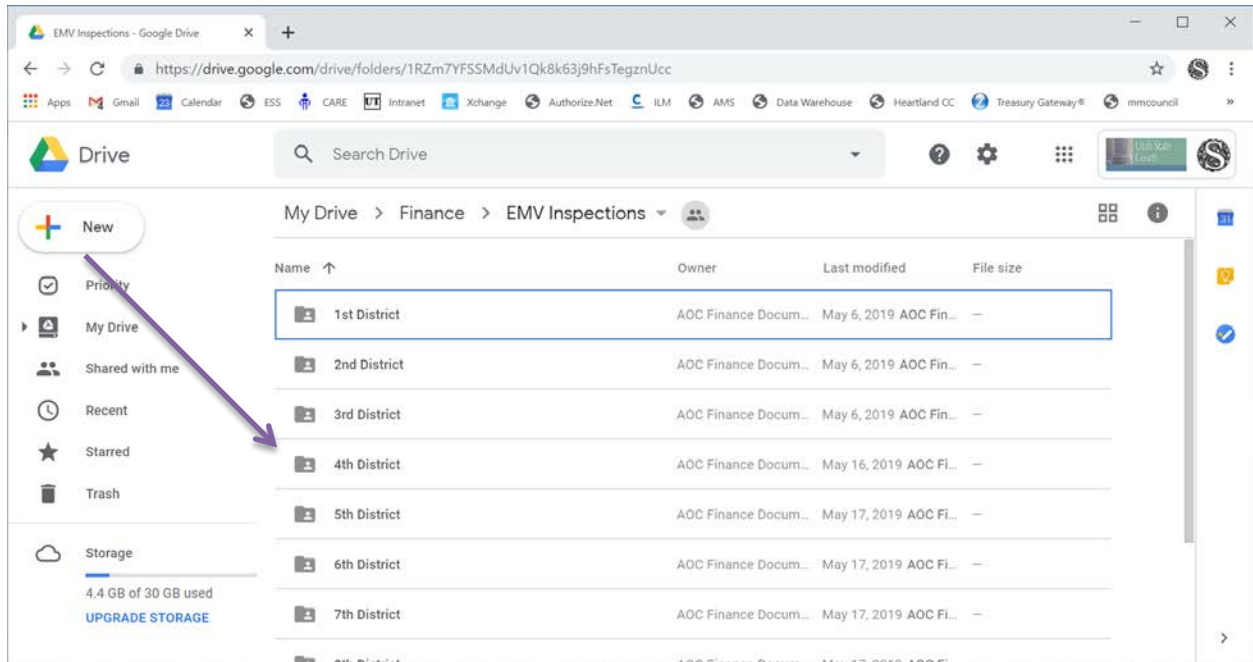

Payment Card Industry (PCI) standards require daily inspection of chip/swipe devices to assure they have not been tampered with. The EMV Device Inspection Google Form needs to be submitted each business day, as this form will serve as written record and is required for proof of PCI compliance. If you have any questions or require help please contact Suzette Deans (801) 578-3862 or Julie Farnes (801) 578-3888.

Go to Google Drive. Click on “Shared with me”
