

DRUG FEE FLOW

When drug test fee money appears on the Revenue (DF55) the unit column will be blank. Because the drug test fee is reimbursement of the cost of the drug test, the unit that the drug test expenditure came from should be written in the unit column. The Unit numbers for the Sapa accounts are: 4231 (1st District), 4232 (2nd District), 4233 (3rd District), 4234 (4th District), 4235 (5th District), 4236 (6th District), 4237 (7th District), and 4238 (8th District).
