## 12 Travel

- [12-01.00 Per Diem Rates](#). Effective January 1, 2020 the travel reimbursement rate when a state car is not available (referred to as the “higher rate”) has dropped to .57 per mile. Federal regulations require that the state rate can not be higher than federal rates. The updated FI40B form has been uploaded to the [Court's Intranet page](#) and available on the [State Finance website](#).
