

3. I ask the court to: (choose all that apply)
- review the management activity of the guardian.
  - terminate or end the guardianship or conservatorship.
  - remove the guardian or conservator. I understand this does not terminate the guardianship or conservatorship.

4. I ask for this because: (choose all that apply)
- there is a dispute that cannot be resolved regarding the guardian's management.
  - the protected person has been adopted.
  - the protected person is no longer incapacitated.
  - the protected person has died.
  - the protected person is a minor and has married.
  - the guardian or conservator is incapacitated, has resigned, or has been removed.
  - the guardian or conservator is unable to perform their duties due to illness.
  - the guardian fails to perform the duties in Utah Code 75-5-312.
  - the conservator fails to meet the standard of care in Utah Code 75-7-902.
  - the guardian or conservator obtained their appointment by fraud, deceit, or gross misrepresentation.
  - the guardian fails to use reasonable care and diligence in managing the protected person's estate.
  - the guardian or conservator has interests that are adverse to their duties and there is a risk they will not faithfully perform their duties.
  - the guardian was found by the court to have filed the petition for guardianship frivolously or in bad faith.
  - removing the guardian or conservator would be in the best interest of the protected person.

5. In support of my choices in paragraph 4 above, the court should know that:

7.  I have attached the final accounting for the protected person's estate.

8.  Because I am asking that the guardianship or conservatorship be terminated, I ask that the court enter an order transferring title of the protected person's estate to: (choose one)

- the protected person.
- the protected person's personal representative (executor).
- the protected person's successor in interest (beneficiaries).

I declare under criminal penalty under the law of Utah that everything stated in this document is true.
