Motions decided by a judge are governed by [Utah Rule of Civil Procedure 7](#).

Motions decided by a judge and motions decided by a commissioner follow different procedures. The documents are not different, but the time for filing them and the procedures for a hearing are.

- If a motion will be decided by a **judge**, a hearing is not scheduled until after all of the documents have been filed. Also, a Request to Submit must be filed before the judge can consider the motion.
- If a motion will be decided by a **commissioner**, a hearing is scheduled when the motion is filed, and the documents have to be filed and served before the hearing. A Request to Submit is not filed for motions considered by a commissioner.

If you are not sure whether your motion will be decided by a judge or a commissioner, call the court to find out.
