DECREE OF DIVORCE

Case No. 254402657

Judge Roger W. Griffin

Commissioner Marla R. Snow

This matter comes before the Court pursuant to the parties' Stipulation and Settlement Agreement on file. Thirty days have passed since the filing of the Petition. The Court, having previously entered its written Findings of Fact and Conclusions of Law, does hereby dissolve the marriage and GRANT the Petitioner a DECREE OF DIVORCE and does hereby ORDER, ADJUDGE and DECREE as follows:

1. The Court has jurisdiction pursuant to Utah Code Ann. 81-11-204, because Utah is the home state of the minor child and the child has lived

in the state since they were born or for at least six months prior to the initiation of this proceeding.

2. Petitioner is a bona fide resident of Utah County, State of Utah, and has been for at least three (3) months immediately prior to the filing of this action.

3. The parties were husband and wife, having married on September 4, 2021. The parties separated on or about July 26, 2025 and the marriage could not endure due to irreconcilable differences.

4. Jurisdiction and venue are proper in this Court because Utah is the child's "home state" because the minor child has lived here for at least six (6) months immediately prior to the filing of this divorce action and the child resides in Utah County.

5. The parties are unaware of any other proceedings in a court of law or governmental agency dealing with custody, child support, or parent-time concerning the parties' minor child which have been filed, or are pending, or have been completed with an order. Petitioner is unaware of any person who is not a party to these proceedings who has, or claims to have, physical custody, child support, and/or parent-time rights with respect to the parties' minor child. Petitioner is unaware of any criminal, delinquency or protective order cases involving a party or the parties' child.

6. Petitioner is the Mother of the minor child.

7. Respondent is the Father of the minor child.

PARENTING PLAN

8. The parties have the following minor child together: A.R-A.B. (born March 12, 2023).

9. **Legal Custody.** The Mother shall have sole legal custody of the minor child and use the terms herein and Utah Code Ann. 81-9-202 as a parenting plan and be bound to abide thereby. Minor and day-to-day decisions will be made by the parent exercising parent time. Mother shall have the exclusive right and responsibility to make decisions regarding health, safety, religion, and education. Mother will inform or discuss all major decisions in the child's life with Father. The parties will keep each other informed of the activities, events, and appointments in the child's life.

10. **Communication with the Child.** Except as otherwise specifically provided in Paragraph 16, each parent shall be entitled to reasonable telephone, FaceTime, video conference, email, letters, or other alternative forms of contact with the minor child at reasonable times and in a manner consistent with the child's age, schedule, availability, and best interests. Notwithstanding the foregoing, during Father's on-duty two-week period, Father's contact with the minor child shall be limited to two (2) virtual contacts per week, as provided in Paragraph 16(b), and Paragraph 16(b) shall control over any inconsistent language in this Paragraph. Each parent shall provide access to the child while in his or her care to facilitate such communication. Further, the child may choose to initiate communication with either parent at any time of the child's choosing. Neither parent shall speak

derogatorily about the other parent to the child (either in person, over the phone or in writing) or to another person within the hearing or in the presence of the child. Neither parent shall allow any third party to speak derogatorily about the other parent within the hearing or in the presence of the child.

11. **Parent Communication Platform.** Except in the case of emergencies, the parties shall communicate regarding all matters related to the minor child exclusively through Our Family Wizard. Each party shall be responsible for creating their own account and shall download the application within seven (7) days of executing the Stipulation and Settlement Agreement on file with the court. Each party shall also be responsible for paying their own associated user fees and maintaining active access throughout the pendency of the parties' co-parenting obligations.

12. **Communication between parents.** Each parent shall notify the other parent as soon as reasonably possible in the event of a medical or other emergency concerning the child. Each parent shall provide the other with a current address, phone number and email address within 24 hours of any change. Each parent shall provide the other with the name and contact information for any surrogate care providers for the child. Whenever either parent intends to travel out of the state with the child, he or she shall provide the other parent with an itinerary of travel dates and locations. All communications between the parties shall be civil, and neither parent shall threaten, harass, or speak derogatorily or crudely to the other parent.

13. **Participation.** Both parents shall be entitled to attend and participate as appropriate in any significant school, social, sports, religious or community functions in which the child is participating or being recognized.

14. **Access to records.** Each parent shall be entitled to complete access to all educational, medical, religious or other records of the child. Each party should be listed as a parent for purposes of school contact or medical care provider contact for the child.

15. **Physical Custody.** Mother shall have sole custody of the parties' minor child. Mother's residence shall be designated as the child's primary physical residence for school records and all other legal purposes. Parent-time with the child shall be at reasonable times and places as the parties may agree. If the parties cannot agree, the parties' reasonable rights of parent time shall be as follows:

16. While Father is employed on a two-week on/two-week off work schedule, parent-time shall occur as follows:

- a. During Father's off-duty two-week period, Father shall exercise parent time as follows:
 - i. One midweek visit each week on Wednesday from 5:30 p.m. to 8:30 p.m., unless otherwise agreed in writing.
 - ii. Two consecutive weekends during that two-week period, beginning Friday at 6:00 p.m. and ending Sunday at 7:00 p.m., consistent with the minimum parent-time schedule under Utah Code 81-9-302.

- b. During Father's on-duty two-week period, Father shall not exercise in-person parent-time, unless otherwise agreed by the parties in writing. During this period, Father may exercise no more than two (2) virtual contacts per week at reasonable times consistent with the child's availability and best interests.
- c. During Father's off-duty two-week period, Father shall not exercise virtual contact or parent-time, unless it is initiated by the minor child.

This schedule shall repeat in alignment with Father's rotating employment schedule, unless Father's work schedule materially changes. If Father's employment schedule materially changes, the parties shall revert to the statutory minimum parent-time schedule under Utah Code 81-9-302 unless otherwise agreed in writing. For purposes of this paragraph, a 'material change' in Father's employment schedule shall mean any change that results in Father no longer working a consistent two-week on/two-week off rotation for a period exceeding 60 consecutive days. Temporary schedule variations of less than 60 days, including occasional overtime, shift swaps, or short-term assignments, shall not constitute a material change. If Father's schedule materially changes as defined herein, the parties shall follow the parent-time schedule set forth in Utah Code 81-9-302 unless the parties agree otherwise in writing within 30 days of the material change.

17. **Transportation.** The parties will share transportation equally as the

parties may hereafter agree. If the parties are unable to agree, the receiving parent who is beginning parent time will pick up the minor child at school or at the residence of the other (except for a parent with overnight parent time will be responsible to drop the child/ren off at school, if school is in session at the time for the exchange). No party may transport the child if they do not have a valid driver's license or have any restrictions on their driving privileges. A step-parent, grandparent, or other responsible individual designated by the receiving parent, may pick up the child if the sending parent and the minor child is aware of the identity of the individual, and the receiving parent will be with the child by 7:00 PM. See Utah Code 81-9-303 (11).

18. **Holidays**. The holidays should be as the parties agree. If the parties cannot agree, the holidays will be according to Utah Code 81-9-302 or 81-9-304 as applicable.

19. **Summer**. Extended summer parent time will be pursuant to Utah Code 81-9-302 or 81-9-304 as applicable. Notice of a parent's extended parent-time shall be communicated on or before April 15 of each year. If both parties want extended parent-time during the same time of the summer, the Petitioner shall have priority in even years and the Respondent shall have priority in odd years. If only one parent communicates their extended parent-time prior to April 15, then that parent shall have priority for their extended parent-time. If neither parent communicates their parent-time before April 15, then the parent who communicates their parent time first shall have priority for their extended parent-time. Extended parent-time may not override the other parent's holiday parent-time during the summer.

20. **Drug and Alcohol Testing.**

- a. Testing Rights and Cost Allocation. Mother shall have the right to request that Father submit to immediate drug and/or alcohol testing at any time, upon reasonable suspicion. All such testing shall be conducted at a certified facility within 24 hours of the request. The test results are to be delivered directly to Mother. Father shall bear the cost of the initial and all subsequent tests unless otherwise provided below.
- b. Consequences of a Positive Test. If Father tests positive for any illegal substance, non-prescribed controlled substance, or alcohol in violation of this provision, he shall immediately forfeit all in-person parent-time. To reinstate parent-time, Father must provide proof of four (4) consecutive clean tests taken over a minimum two-week period, with at least 48 hours between tests.
- c. Reimbursement After Clean Tests. If Father produces a clean test following Mother's request and subsequently passes a second consecutive clean test, Mother shall reimburse Father for the cost of that second test and shall continue to reimburse Father for the cost of future tests requested by her unless or until Father fails a test, at which point this reimbursement obligation resets.
- d. Prohibition Against Use During Parent-Time. Father shall not use, consume, or be under the influence of illegal drugs, non-

prescribed controlled substances, or alcohol during any period in which he is exercising parent-time. He shall also not be under the influence of any such substances at the time he exchanges the minor child or during any time the child is in his care.

- e. Violation of this Provision. Any violation of this provision may constitute grounds for an emergency order suspending parent-time and shall be considered a material change in circumstances for purposes of modification proceedings.

8. **Relocation.** If either parent subsequently moves more than 150 miles away from the other parent, he or she shall comply with the notice provisions of Utah Code Section 81-9-209, including providing 60 days advance written notice of the intended relocation to the other parent. Either parent may then motion the court to review custody and parent-time pursuant to Section 81-9-209. However, the parties shall use their best efforts to come to an agreement as to custody and parent-time, either on their own or through mediation, prior to filing a motion with the court.

9. **Travel:** When the minor child is traveling out of the State of Utah or more than seventy-five (75) miles away from a party's regular place of abode for overnight or longer, the parent exercising parent time shall notify the other parent in advance of the travel with the following information: (a) an itinerary of travel dates; (b) destinations; (c) places where the child or traveling parent can be reached; and (d) the name and telephone number of an available third person who would be

knowledgeable of the child's location. See Utah Code Section 81-9-202 (19).

10. **Modification**. Neither parent may initiate court action to modify the provisions of this Parenting Plan without making a good faith effort at mediation. Unless both parties mutually agree to waive this requirement, both parties must attend mediation in good faith with a mutually agreed upon neutral mediator, and both parties shall equally share the necessary costs of mediation.

11. **Mutual Restraining Orders**: Both parties shall be restrained from saying or doing anything that would tend to diminish the love and affection of the minor child for the other parent, including but not limited to demeaning or disparaging the other parent, speaking derogatorily or in a belittling manner about the other parent, speaking to the child about the issues in this matter, or from attempting to influence the child's preference regarding custody or visitation. As used in this paragraph, demeaning or disparaging means to say anything ill of the other whether they believe it to be true or not. Neither party will interrogate or "pump" the child for information about the parent's parent time or regarding the potential significant relationships of the other party. Both parties shall be restrained from making visitation arrangements through the child. Neither party shall use corporal punishment as a form of discipline on the child. Both parties are mutually restrained from harassing, annoying, or otherwise bothering the other party or the minor child, or from committing any domestic violence or abuse against the other party or the minor child. In addition to section 20, neither party will use alcohol in excess, illegal

drugs, or abuse prescription drugs within 24 hours prior to or during parent time with the minor child. For the preceding sentence, "alcohol in excess" shall be defined as using alcohol in excess of the legal driving limit in the State of Utah. Both parties are mutually restrained from allowing third parties to do what they themselves are prohibited from doing under this paragraph and shall have the affirmative duty to use his or her best efforts to prevent third parties from such violations or shall remove the child from such circumstances.

12. **Divorce Education Classes**: Both parties have completed and filed the necessary proof of divorce education courses with the court.

FINANCIAL SUPPORT OF THE CHILD

26. Jaedi's gross monthly income is imputed at \$1,257.00. Ryan Lee Barron has a gross monthly income of \$6,300.00. Effective January 1, 2026 child support is awarded to Jaedi in the amount of \$750.00 per month pursuant to the child support guidelines. Child support is due one-half by the 5th and one-half by the 20th of each month. Either party may bring the decree to the Office of Recovery Services to begin automatic withholding for child support and alimony.

27. Each party shall notify the other within thirty (30) days of any change in his or her monthly income.

28. The court's child support order may be subsequently modified pursuant to the provisions of Utah Code Section 81-6-212, as applicable.

29. Pursuant to the Child Support Guidelines, the base monthly child support award is automatically adjusted or terminated when a child becomes 18 years of age or graduates from high school during the child's normal and expected year of graduation, whichever occurs later, or if the child dies, marries, becomes a member of the armed forces of the United States, or is emancipated.

30. **Childcare Expenses.** Utah Code Section 81-6-209 shall apply and order the equal division of work-related childcare expenses. A parent who incurs childcare expenses shall provide written verification of the cost and identity of a childcare provider to the other parent within 30 calendar days and shall be entitled to reimbursement of one-half by the notified party within thirty (30) calendar days. If a party fails to notify the other of day care expenses within 30 days of payment of a day care expense, the party may be denied the right to reimbursement for such expenses. Childcare arrangements existing during the marriage are preferred as are childcare arrangements with nominal or no charge. Utah Code Section 81-9-202 (13). A party using family members to provide childcare will not be entitled to reimbursement unless both parents have agreed in advance in writing to the specific family member providing the care and the associated costs.

31. **Insurance coverage.** Health care coverage for the medical expenses of any minor child shall be provided by a parent. See Utah Code Section 81-6-208.

"Health care coverage" means coverage under which medical services are provided to a dependent child through: (a) fee for service; (b) a health maintenance organization; (c) a preferred provider organization; (d) any other type of private health insurance; or (e) public health care coverage. See Utah Code 81-6-101 (14). Either parent shall provide insurance for the medical expenses of their minor child(ren) if such insurance is available to that parent at a reasonable cost. See Utah Code 81-6-208 (3)(e). Each parent shall share equally the actual out-of-pocket costs of the premium actually paid by a parent who maintains the insurance for the child's portion of insurance. See Utah Code 81-6-208 (3). The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the child's portion of the premium. If the parent does not have insurance but another member of the parent's household provides insurance coverage for the child, the parent may receive credit against the base child support award or recover the other parent's share of the child's portion of the premium. The parent carrying the coverage for the minor child shall add the other parent as an authorized parent for communication purposes regarding their child.

32. **Designation of Primary Insurance.** If, at any point in time, a dependent child is covered by the health, hospital, or dental insurance plans of both parents, the health, hospital, or dental insurance plan of Ryan shall be primary coverage for the dependent child and the health, hospital, or dental insurance plan of Jaedi shall be secondary coverage for the dependent child. If a parent remarries and his or her dependent child is not covered by that parent's health, hospital, or dental

insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the dependent child.

33. **Medical and Dental Out-of-Pocket Costs:** Each parent shall equally share all other reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for a dependent child, including deductibles and copayments. Utah Code Section 81-6-208 (3)(e). A parent who incurs such medical expenses for the minor child, shall provide proof of the expense and proof of the payment to the other parent within 30 calendar days, and shall be entitled to reimbursement of one-half by the notified party within thirty (30) calendar days. See Utah Code Section 81-6-208 (10)(c). If a party fails to notify the other of medical expenses within 30 days of payment of an expense, that party may be denied the right to reimbursement for such expenses. Utah Code Section 81-6-208 (10)(d).

34. **Division of Accounts:** Pursuant to Utah Code 15-4-6.7, the parties may elect that a medical/dental or school expenses be divided by the service provider into two separate accounts for payment, one for each parent as long as the service provider receives a copy of the Decree of Divorce at or before the day on which the service provider first renders medical/dental services or issues a bill for school fees.

35. **Extracurricular Expenses:** Each party shall be ordered to assume

and be responsible for fifty percent (50%) of any out-of-pocket amount incurred for any extracurricular activities in which both parties agree in writing that the minor child may be involved. The party incurring the extracurricular activity out-of-pocket costs shall submit to the other party verification of the incurred expense, such as a receipt or an invoice, within thirty (30) days of payment or receiving the same and shall be reimbursed by the other party within thirty (30) days of receiving the verification of incurred expenses. If an extracurricular activity is agreed upon, then both parents will make reasonable efforts to have the child attend during his or her parent time. If an extracurricular activity is not agreed upon, then the parent who did not agree to the activity is not required to have the child attend during his or her parent time.

36. **School Expenses:** Each party shall be ordered to assume and be responsible for fifty percent (50%) of any required out-of-pocket school expenses incurred during the time leading up to and including high school. The party incurring the out-of-pocket school expense shall submit to the other party an invoice, bill, receipt, or verification of the incurred expense within thirty (30) days of payment or receiving the same and shall be reimbursed by the other party within thirty (30) days of receipt of those school expense invoices, bills, receipts, and/or verification.

37. **Tax Filing Assignment:** Starting in the 2025 tax year, Ryan will claim the minor child for the even-numbered tax years, and Jaedi will claim the minor child

for the odd-numbered tax years. Either party's right to claim any child on the tax returns for any particular tax year is subject to being current on all child support obligations by December 31st of the particular tax year. Utah Code Section 81-6-210 (4). Either party's right to claim any child on the tax returns for any particular tax year is subject to claiming a child resulting in a tax benefit in any particular tax year. Utah Code Section 81-6-210. If a party cannot claim a child on his/her returns for a particular tax year, then the other party is automatically entitled to claim the child on his/her returns for that year.

38. **Spousal Support**: Effective February 1, 2026, Ryan shall pay Jaedi spousal support of \$750.00 per month. Spousal support shall be paid one-half by the 5th and one-half by the 20th of each month. Spousal shall automatically and permanently terminate (1) after two (2) years, (2) upon the remarriage of the party receiving spousal support, (3) upon the cohabitation of the party receiving spousal support or (4) upon the death of either party, whichever occurs first.
