IN THE FOURTH JUDICIAL DISTRICT COURT
IN AND FOR UTAH COUNTY, STATE OF UTAH

In the matter of the marriage of

JEFFREY N. JOHNSON,
Petitioner,

and

KELLY E. JOHNSON,
Respondent.

DECREE OF DIVORCE

Case No. 264401093
Judge: Denise M. Porter
Commissioner: Marian Ito

This matter comes before the above entitled court, with the honorable Denise M. Porter, District Court Judge presiding. The Petitioner, Jeffrey N. Johnson, appears pro se. The Respondent, Kelly E. Johnson, is represented by counsel, Heather M. Seegmiller. The parties entered into a Stipulation for Divorce (hereinafter "Agreement") fully resolving their dispute, and based on the foregoing, the court made Findings of Fact and Conclusions of Law. Based thereon the Court hereby ORDERS, ADJUDGES, AND DECREES as follows:

DECREE OF DIVORCE

1. The bonds of matrimony between the Petitioner and the Respondent are hereby dissolved and the parties are awarded a Decree of Divorce on grounds of irreconcilable differences.

MINOR CHILDREN

2. The parties have two (2) minor children. There are no other children expected as issue of this marriage. Pursuant to Rule 4-202.02 of the Utah Rules of Judicial Administration, the name and birth date of the children will be submitted to the Court on the Non-public Information – Minors form. The initials, birth month and birth year of the minor children are:

Initials	Date of Birth
C.J.	May 2015
B.J.	July 2008

3. Utah has jurisdiction to make the initial child custody determination pursuant to U.C.A. § 81-11-101, et seq. The children have resided in Utah for more than six consecutive months immediately before the commencement of this proceeding, and Utah is the home state of the children. A court of another state does not have jurisdiction over the children, and the children and at least one parent have a significant connection with Utah, and substantial evidence is available in Utah concerning the children's care, protection, training, and personal relationships.

4. This Court has jurisdiction over the children pursuant to Utah Code Ann. § 81-11-201.

5. The parties are not aware of any other custody or parent-time proceedings concerning the minor children pending in a court of this or any other state.

6. The parties do not know of any person, not a party to these proceedings, who has had physical custody of the subject minor children or who claims to have custody or parent-time rights with respect to said children.

7. **Relocation.** The parties currently reside in Utah County, Utah. Father intends to

relocate from Utah County, Utah to Texas in or about September 2026.

8. **Physical Custody.** Mother is designated the primary custodial parent and is awarded sole physical custody of the parties' minor children. Father's parent-time shall occur as the parties may agree, subject to the provisions set forth below.

9. **Parent-Time with B.J.** B.J. has special needs, including Hirschsprung Disease (TCHD) and autism. Mother has historically provided for B.J.'s special needs, and it is in B.J.'s best interests for Mother to continue doing so. Father shall not be obligated to exercise parent-time with B.J. Parent-time between Father and B.J. may occur upon B.J.'s request and Father's agreement. The parties shall facilitate such contact as requested by B.J., consistent with her best interests. Father shall respond to B.J.'s request within a reasonable time and shall not unreasonably withhold agreement.

10. **Parent-Time with C.J.** Father may exercise up to six (6) weeks of parent-time with C.J. per calendar year, subject to the following:

a. **Structure of Parent-Time.** Parent-time shall be exercised in blocks of no more than three (3) consecutive weeks. Any block of one (1) week or more must be separated from another such block by at least thirty (30) days.

b. **Shorter Increments.** Father may exercise parent-time in shorter increments, including partial-day or single-day visits. Each day in which Father exercises parent-time, whether or not an overnight occurs, shall count as one (1) day toward the six (6) week annual maximum. Such shorter visits shall not, in frequency or duration, exceed the total amount of parent-time permitted under the six (6) week annual cap or exceed the frequency otherwise permitted under Utah Code § 81-9-302.

c. **Distance-Based Parent-Time.**

i. **Within 25 Miles.** If the parties reside within twenty-five (25) miles of each other, Father may exercise parent-time in increments as short as a few hours, a full day, or

multiple consecutive days. The parent receiving the child shall provide transportation, and school exchanges may be utilized.

ii. **Between 25 and 149 Miles.** If the parties reside more than twenty-five (25) miles but less than one hundred fifty (150) miles apart, Father may exercise day or weekend visits, provided Father is responsible for all transportation and shall pick up and return the child to Mother's city of residence.

iii. **150 Miles or More.** If Father resides one hundred fifty (150) miles or more from Mother:

a. Father may exercise shorter visits (day or weekend visits) only if he travels to and remains within twenty-five (25) miles of Mother's city of residence;

b. If Father elects to transport the child to his residence, parent-time shall be exercised in blocks of no less than seven (7) consecutive days and no more than three (3) consecutive weeks, with at least thirty (30) days between such blocks.

11. **Travel Expenses.** If the parties reside twenty-five (25) miles or more apart, Father shall be responsible for all travel expenses associated with parent-time, except that Mother shall pay one-half ($\frac{1}{2}$) of the child's travel expenses for one summer visit per year. Notwithstanding the foregoing, if Father is found in contempt for failure to remain current on all support obligations, Father shall be responsible for one hundred percent (100%) of all travel expenses, including the full cost of the summer visit.

12. **Notice Requirement.** Father shall provide Mother with no less than thirty (30) days' advance written notice of any intended parent-time. If Father fails to provide such notice, he shall not be entitled to exercise the requested parent-time unless Mother agrees and is able to accommodate it in her sole discretion.

13. **Holiday Parent-Time.** If Father elects to exercise parent-time over a holiday or during a holiday block (as referenced in Utah Code 81-9-302(12)) in any given year, he

shall not exercise parent-time over that same holiday in the following year without Mother's consent.

14. School and Activities. Unless agreed otherwise, all parent-time shall be exercised in a manner that does not interfere with a child's school attendance, academic responsibilities, regular appointments, extracurricular activities, lessons, or other plans and commitments arranged in advance by Mother. If Father selects dates that conflict with such obligations, Mother shall notify Father, and Father shall select alternate dates.

15. Virtual Parent-Time and Communication. Telephone, video communication (including FaceTime or similar platforms), texting, and other electronic communication between each parent and the children shall occur at reasonable times and for reasonable durations. If the children are unavailable, the parent exercising parent-time shall ensure return contact as soon as reasonably possible. The children may initiate contact with either parent at reasonable times, provided such communication is not unduly disruptive. If the children are in Father's care for more than three (3) consecutive days, Mother shall be entitled to reasonable telephone or video contact with the children during that period, not less than once every three days. Each parent may establish reasonable household rules regarding electronic use, so long as such rules do not interfere with the children's regular communication with the other parent.

16. Schools. School choice will be determined by Mother.

17. Legal Custody. Mother is awarded sole legal custody of the minor children, subject to the following:

a. Each parent may make minor routine, day-to-day decisions affecting the children while the children are in that parent's care.

b. For major decisions (such as education, medical, and religious decisions) or

extraordinary circumstances affecting the children, Mother will inform Father. Father may provide input and counsel to Mother based on his desired level of involvement. Mother shall give strong consideration to Father's input and counsel, after which she shall make the final decision.

c. In the event of a medical emergency while the children are in Father's care, Father shall make immediate and reasonable efforts to provide life-saving or other necessary care and notify Mother immediately after contacting emergency services. If Mother cannot be reached without undue delay and an immediate decision is required based on the child's health needs, Father may make such emergency decisions until Mother is able to respond, provided that any such decision is consistent with the recommendations of attending medical professionals.

d. Father will be listed as a potential legal guardian in Mother's guardianship provision in her will, along with other options for guardianship, so that Father, other listed guardians, and the courts can determine the best guardianship option for C.J. and B.J. if Mother dies before the children's ages of majority. Notwithstanding any provision of this Order regarding child reaching the age of majority at 18 or after completing high school, the Court finds that B.J. has special needs, including Hirschsprung Disease (TCHD) and autism, which may impact her ability to become self-supporting. Guardianship decisions shall reflect the fulfillment of caring for those needs as well as physical, financial, and emotional continuity of care for both C.J. and B.J. Additionally, the sibling relationship shall be considered and whether it is in their best interest to remain together or to be separated after Mother's death.

18. Advisory Guidelines. To the extent not inconsistent with the terms of this Order, and in the event of any conflict, the specific provisions of this Order shall control, the parties shall follow the advisory guidelines set forth in Utah Code § 81-9-202, as follows:

a. The parties acknowledge that a mutually agreed parent-time schedule is preferable to a court-imposed schedule and shall make reasonable efforts to cooperate in scheduling, provided that any agreement remains consistent with the terms of this Order and does not expand or

exceed the parent-time provided herein.

b. The parties shall exercise parent-time in a manner that promotes continuity and stability in the child's life.

c. Each parent shall make reasonable efforts to ensure the child may attend important family functions, including funerals, weddings, family reunions, religious observances, and other significant events.

d. The parties shall comply with the transportation provisions set forth in this Order, which shall control over any general guideline. The parent responsible for transportation shall ensure timely exchanges, and the other parent shall ensure the child is ready at the designated time and place.

e. Parent-time shall not interfere with the child's regular school hours or the child's established extracurricular activities, lessons, or other scheduled commitments.

f. The parent-time schedule may be adjusted by agreement to accommodate the parties' work schedules and the distance between the parties, provided such adjustments are consistent with this Order and do not expand or exceed the parent-time allowed herein.

g. Neither parent shall withhold parent-time or child support based on the other parent's alleged noncompliance with court orders, except as otherwise specifically provided in this Order, including compliance with notice requirements.

h. Each parent shall notify the other within twenty-four (24) hours of receiving notice of significant school, social, sports, or community events involving the child, and each parent shall be entitled to attend and participate in such events.

i. Each parent shall have direct access to the child's school records, medical records, and similar information.

j. Each parent shall immediately notify the other in the event of a medical emergency involving the child.

k. Each parent shall provide the other with current contact information, including address, telephone number, email, and information necessary for virtual communication, within twenty-four (24) hours of any change.

l. Each parent shall permit and encourage reasonable and uncensored communication between the child and the other parent during reasonable hours, including telephone, electronic, and virtual communication, consistent with the child's best interests and the terms of this Order.

m. The parties shall cooperate in child care arrangements, recognizing that parental care is generally preferred over third-party care, and shall make reasonable efforts to allow the other parent to provide care when appropriate and consistent with the terms of this Order.

n. Each parent shall provide the other with contact information for any regular child care providers.

o. The parties shall reasonably share time for major holidays and religious observances in a manner consistent with the child's best interests and the specific provisions of this Order.

p. Each parent shall notify the other if the child will be in the care of an individual known to have committed offenses involving harm to a minor, as defined by applicable law.

q. When the child is away from the other parent for an extended period, the parent exercising parent-time shall provide reasonable information regarding dates, general location, and a means of contact for the child.

19. Additional Co-Parenting Provisions.

a. The parties shall communicate in a civil manner. Name-calling and vulgar language are prohibited. Communications shall be limited to matters concerning the children, except in emergencies.

b. Each parent shall respond to communications regarding the children within a reasonable time, generally within seventy-two (72) hours for email and twenty-four (24) hours for text, absent exigent circumstances.

c. Each parent shall ensure the other parent has access to the children's school, medical, dental, and similar records, and shall list the other parent as a parent or authorized contact where appropriate.

d. Each parent shall share information reasonably necessary to keep the other informed regarding the children's education, health, counseling, development, and general welfare.

e. Each parent shall notify the other as soon as reasonably possible of any illness, injury, or medical concern involving the children.

f. Each parent shall provide updated contact information, including address, telephone number, and email address, within twenty-four (24) hours of any change.

g. Each parent shall use reasonable efforts to coordinate and share information regarding the children's schedules, including appointments, activities, and events.

h. The parties shall cooperate in good faith to promote consistency and stability for the children.

i. Each parent shall permit and encourage reasonable communication between the children and the other parent, consistent with the provisions of this Order.

j. The parties shall not involve the children in adult matters, including legal or financial issues, and shall not use the children as messengers between them.

k. Each parent shall maintain safe and appropriate living accommodations for the children.

l. Neither parent shall question the children about the other parent's personal life, finances, or relationships. Each parent shall act in a manner that supports the children's relationship with the other parent and shall refrain from conduct that would reasonably be expected to harm that relationship.

m. The parent exercising parent-time shall be responsible for the children's supervision, including completion of homework and timely attendance at school and scheduled activities

during that parent's time.

n. Communication regarding the children shall occur directly between the parents, absent emergency or necessity.

o. For extended periods when the children are away from the other parent, the parent exercising parent-time shall provide reasonable information regarding general location and a means of contact, consistent with the provisions of this Order.

p. Written notice via text or email with reciprocal acknowledgement is required before a parent may take the children outside of the United States of America. For any travel outside of the United States of America equal to or exceeding a duration of five weeks, approval must be granted by the other parent.

q. In the unlikely event either parent wishes to relocate outside of the United States of America, with or without the children before their ages of majority, a joint-decision agreeing to the relocation country, parent-time arrangements, and travel expenses for parent-time arrangements must be mutually agreed upon in writing before such a move occurs.

CHILD SUPPORT

20. Child Support. Father shall pay child support in accordance with Utah law for the parties' two (2) minor children, based on the parties' current average monthly gross incomes, including imputation of income as set forth below.

21. Father's Income. Father's long-term disability application was denied. Father owns a business that currently provides him with approximately \$6,000 per month in passive income after taxes. This amount may continue to reduce due to Father's chronic vestibular migraines and difficulty maintaining his business. Obtaining full-time work for Father is extremely challenging for the same reason, and he may or may not be able to work in the future.

22. Mother's Income. Mother is currently not employed and has been the historical stay-at-home parent, acknowledging that caring for B.J. requires a significant time commitment, which will continue beyond her reaching the age of majority. Mother recently started a new business, but it is not yet providing significant income. Mother's required care for B.J. will make it difficult for her to hold full-time employment. Based thereon, Mother's gross monthly income is imputed at \$3,750 per month, consistent with her historical income of approximately \$45,000 per year.

23. Child Support Amount. Based on the foregoing incomes, Father's child support obligation is \$2,001 per month pursuant to the Utah child support guidelines.

24. Limitation on Decrease of Child Support. Father's child support obligation will not be subject to reduction until both children have reached the age of eighteen (18) and graduated from high school.

25. Commencement of Child Support. Child support shall commence on March 1, 2026, and will be back paid upon finalization of divorce.

26. Payment of Child Support. Child support shall be paid directly, once per month, with the monthly payment due on or before the 20th of each month.

27. Child Support for B.J. Beyond Age of Majority. Mother does not invoke Utah Code § 78B-12-102 and applicable law, for Father's child support obligation to B.J. beyond the age of eighteen (18) or completion of high school, either now or hereafter, since Mother acknowledges Father's adjustment of child support as noted within this Order (26, 30).

28. Adjustment Upon C.J. Emancipation. In accordance with Utah law, when a child reaches eighteen (18) years of age or graduates from high school during the child's normal and expected year of graduation, whichever occurs later, the base child support obligation shall be adjusted to reflect the remaining number of children due support. Father has agreed to continue to pay \$2,001 in child support until C.J. reaches eighteen (18) years of age or graduates from high school, whichever occurs later, in the spirit of continued support for B.J. and her likely need for care at home beyond the age of majority. Therefore, childcare shall not be calculated by simply dividing the original support amount on a per-child basis, unless Mother agrees in writing that a reduction of child support is acceptable. Upon C.J. emancipation, Father is relieved of all child support obligations.

29. Health Insurance. The parties shall be responsible for their own health insurance starting January 1, 2027. Father will continue to provide health insurance for the rest of 2026.

30. For the remainder of 2026, Mother will pay all health expenses, deductibles, and co-payments for herself and the children outside of medical premiums until individual deductibles or family out-of-pocket max is reached and healthcare covers any additional costs.

31. Beginning January 1, 2027, and in any years after, if Father is *employed* and can access health benefits through his employer, Father will cover both minor children on his plan, including medical premiums, dental insurance, and eye insurance. Father will continue to cover both minor children until they reach the age of majority when the child reaches eighteen (18) years of age or graduates from high school, whichever occurs later. Mother will pay all

other health expenses, deductibles, and co-payments for doctor visits, vaccinations, tests, bloodwork, dentist, eye doctor, lenses/contacts, emergency care, surgeries, etc. until individual deductibles or family out-of-pocket max is reached and the healthcare plan covers any additional costs.

32. Beginning January 1, 2027, and in any years after, if Father is *unemployed*, Mother will cover both minor children's health benefits *whether employed or unemployed*, including medical premiums, dental insurance if cost-effective, and eye insurance if cost-effective. Father will reimburse Mother half of the premium costs for the total healthcare plans, including dental and eye insurance if applicable, for her and the children, to be paid out monthly in addition to child support. Mother will provide verification annually of the healthcare plan's monthly premiums. Verification will be supplied upon initial enrollment of minor children. Mother will make a good faith effort to provide verification on or before January 7 but no later than January 15 of any given year. Mother will then pay all other health expenses, deductibles, and co-payments for doctor visits, vaccinations, tests, bloodwork, dentist, eye doctor, lenses/contacts, emergency care, surgeries, etc. until individual deductibles or family out-of-pocket max is reached and healthcare plan covers any additional costs.

33. The insuring parent will notify the other parent of any change of insurance carrier, premium or benefits within 30 calendar days of the date he/she first knew or should have known of the change.

34. **Taxes.** For 2024, the parties have filed taxes jointly and divided any refund or shortfall. For 2025, if possible, the parties will file taxes jointly and divide any refund or shortfall equally. For 2026, and thereafter, each party will claim one child each. When only one child is eligible to be claimed, Mother will claim the child in even-numbered years and Father will claim the child in odd-numbered years. If either party cannot benefit from claiming a child,

the other parent will automatically have the right to claim the child or children. Notwithstanding, Father's ability to claim the minor child(ren) as a tax dependent is subject to him being fully current on his child support and healthcare premium reimbursement obligation as of December 31st of each calendar year. If he is not current, he forfeits the right to claim a child to Mother.

35. If the children take clothing or other items with them for parent time the receiving parent will make reasonable efforts to ensure that clothing or other items are returned with the children at the end of said parent time.

36. Both parties will be on their own separate cell phone plans should they choose to have one. The cost of service for minor children's cell phones will be assumed by Respondent.

ALIMONY

37. **Alimony.** Neither party will pay alimony to the other either now or hereafter.

MARITAL HOME & REAL PROPERTY

38. **Real Property.** The parties own a home located at 450 E. 710 N., Lindon, Utah 84042 (the "Marital Home").

39. The Marital Home is awarded to the Respondent as her sole and separate property, including all current and future equity. The Respondent will pay the mortgage payments, utilities, taxes, and any other costs associated with this property and will hold the Petitioner harmless on all associated debts or obligations, including any home equity line of credit.

40. Within ninety (90) days of the signing of this agreement, the Respondent will refinance and/or assume the mortgage on the Marital Home and remove the Petitioner's name from the mortgage obligation.

41. If for any reason the Respondent does not or cannot refinance and/or assume the

mortgage on the Marital Home within ninety (90) days of the signing of this agreement, then the Marital Home shall be listed for sale (based on the recommendations of a mutually agreed upon realtor) and marketed at fair market value. Notwithstanding the foregoing, Respondent may, at any time prior to the closing of a sale of the Marital Home, complete a refinance and/or assumption of the mortgage and remove Petitioner from the mortgage obligation, in which event the property shall be removed from the market or any pending sale shall be canceled. If Respondent completes a refinance and/or assumption after the property has been listed or after a purchase contract has been entered, Respondent shall be solely responsible for any costs incurred as a result, including but not limited to any earnest money required to be returned to a prospective buyer, cancellation-related costs, and reasonable listing or marketing expenses incurred by the parties. Upon sale of the Marital Home, the property shall be sold to a qualified buyer at fair market value, and the equity shall be awarded to the Respondent.

MARITAL PROPERTY

42. **Property.** Petitioner is awarded his personal items, including but not limited to clothing, furniture, electronics, and personal effects, including his wedding ring. Respondent is awarded her personal items, including but not limited to clothing, furniture, electronics, and personal effects, including her wedding ring, and both dogs. The parties' other property will be equitably divided as they may agree hereafter. If the parties are unable to agree on a division of their personal property, they will create a list of all available marital property and will each choose an item (back and forth) until all marital property has been divided (this includes all furniture, electronics, kitchen items, tools, equipment, etc.). If the parties are still unable to divide their property, either party may file a motion under Utah Rule of Civil Procedure 101 and the Court will equitably divide the property.

43. **Vehicles.** During the course of the marriage, the parties acquired vehicles. The

parties are awarded their vehicles and any associated financial obligations if applicable, as follows: Awarded to Petitioner: Honda Civic 2003. Awarded to Respondent: Subaru Outback 2014. Each party shall be responsible for any costs, debts, maintenance, or payments associated with the vehicle(s) awarded to them. If necessary, the parties will sign the title(s) of any vehicle over to the party who was awarded that vehicle within thirty (30) days of signing this agreement. Both vehicles are paid in full and have no loans or join loans.

44. **Retirement.** During the marriage, the parties obtained retirement accounts. Petitioner has a 401(k) and other retirement accounts. Respondent has a 401(k) and potentially other retirement accounts. Petitioner is awarded all retirement accounts that are currently in his name as his sole and separate property. Respondent is awarded all retirement accounts that are currently in her name as her sole and separate property.

45. **HSA Accounts.** The parties each have their own HSA account, and each party shall be awarded the HSA account in their separate names.

46. **Business.** Petitioner is awarded his business, Digital Ruby, LLC, as his sole and separate property. The Respondent is awarded her business, Triptych Funds, LLC, as her sole and separate property. Both parties shall assume sole responsibility for all debts and obligations associated with their business and shall indemnify and hold the other party harmless from any and all past, present, or future liabilities, obligations, or claims related to their business. Both parties hereby waive any and all rights, claims, or interest in the other parties' business, now and in the future.

47. **Investment and Bank Accounts.** During the course of the marriage, the parties acquired various investment accounts, checking accounts, savings accounts, and other financial assets. The parties believe that their respective accounts currently hold approximately equal funds, and it is their intent that the total marital funds held in such accounts be divided equally

between them. The parties agree that they have given a full and complete disclosure of all accounts as stated in the following paragraphs.

48. Petitioner's Accounts. Petitioner holds the following accounts in his separate name: Coinbase account, E-Trade account, Fidelity account, and Capital One 360 account. Petitioner represents that there are no other financial accounts in his name not disclosed herein, whether held individually, jointly, or through any business or entity in which he has an ownership interest or control.

49. Respondent's Accounts. Respondent holds the following accounts in her name: UCCU account. Petitioner's name is currently also on Respondent's UCCU account; Petitioner will remove his name from the joint account and the UCCU account is awarded to Respondent. Respondent represents that there are no other financial accounts in her name not disclosed herein, whether held individually, jointly, or through any business or entity in which she has an ownership interest or control.

50. Equalization of Account Balances. The parties determined the value of each account by identifying the balance shown on the statement on March 1, 2026. The total value of the accounts awarded to each party were then compared. Thus, assets are considered divided fairly as of March 1, 2026. No further division will occur.

MARITAL DEBT

51. Debt. The parties will be responsible for the debts that are currently in their sole and separate names. Both parties will hold the other party harmless on these debts and ensure that the other party is not charged for or negatively affected in any way by the debt of the other party. If there are any joint debts in both parties' names these debts will be divided equally and the accounts closed, if applicable.

52. Petitioner will be fully responsible for any and all post-separation debts that are

currently under his sole and separate name. Respondent will be fully responsible for any and all post-separation debts that are currently under her sole and separate name. Both parties will hold the other party harmless on these debts and ensure that the other party is not charged for or negatively affected in any way by the debt of the other party.

MISCELLANEOUS

53. Both parties are restrained from speaking derogatorily about the other party both in the presence of the children and on social media or other public forums. The parties will not make disparaging remarks to one another or to their children about one another or in the children's presence, either verbally, in writing or otherwise. Both parties are mutually restrained from harassing, annoying, threatening one another or otherwise bothering the other party. Both parties are mutually restrained from allowing third parties to do what they themselves are prohibited from doing under this paragraph and have an affirmative duty to use his or her best efforts to prevent third parties from such violations or will remove the minor children from such circumstances. As used in this paragraph, disparage means to say anything ill of the other whether they believe it to be true or not.

54. Respondent may change her marital name to her maiden name of Kelly Elizabeth Hoose, if or when she may desire to do so.

55. Prior to a Petition to Modify being filed to change any provision of a final decree, the parties must first make a good faith attempt to resolve the issue through mediation, for which both parties will share the cost equally. This requirement will not apply to enforcement of the Decree of Divorce.

56. Each party will be responsible for his or her own costs and attorney's fees.

57. Each party will execute and deliver to the other party any documents necessary to implement the provisions of the Decree of Divorce entered by the court.

58. Both parties participated in the negotiation and drafting of this document, and therefore, there is no presumption that ambiguities shall be construed against the drafter.

IT IS SO ORDERED
