Attorneys for Stefani Knaupp

IN THE FOURTH JUDICIAL DISTRICT COURT OF UTAH COUNTY
STATE OF UTAH
137 North Freedom Blvd, Provo, UT 84601

In the matter of the marriage of:

STEFANI KNAUPP,

Petitioner,
and

ANDREW GRAHAM KNAUPP,

Respondent.

DECREE OF DIVORCE

Civil No. 264400846
Judge Christine Johnson
Commissioner Marian Ito

THIS MATTER comes before the above-referenced Court by way of Petitioner Stefani Knaupp's Petition for Divorce, Andrew Knaupp's Counter Petition for Divorce and the parties' Stipulation. The Court, having previously entered Its Findings of Fact and Conclusions of Law,

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

1. The bonds of matrimony and the marriage contract heretofore existing by and between the Petitioner and Respondent are hereby dissolved. The Court hereby grants this Decree of Divorce on the grounds of irreconcilable differences, said Decree to become absolute and final upon the entry by the Court in the Register of Actions.

CHILDREN

2. Children. The parties are the parents to three children, one of which remains a minor, to wit: A.P.K., born December 2008.
3. Custody/Visitation. The parents are awarded joint legal and joint physical custody of the minor child, on a 50/50 basis, with parent time being exercised in accordance with U.C.A. §81-9-305. However, due to the child's age and near-adulthood, as well as his responsibilities, school commitments, work, and preparation for post-high school plans, his preferences and input should be considered when arranging parent time.

PARENTING PLAN

4. Parenting Plan. The parties shall be bound by the following parenting plan, pursuant to Utah Code Ann. §81-9-203:
 - a. The parties shall be responsible for making joint decisions regarding the child's education, medical care, dental care, religious upbringing, counseling, and other major parenting issues. The parties shall do their best to agree on a solution that meets the best interest of the child. If they reach an impasse, the parties shall participate in mediation prior to seeking court intervention.
 - b. The minor child is 17-years old and is able to transport himself. If parental transportation is necessary, the party receiving the child for his or her parent time shall be responsible for picking up the child from the party with the child.
 - c. Special consideration shall be given by each parent to make the child available to attend family functions including funerals, wedding, family reunions, religious holidays, important

ceremonies, and other significant events in the life of the child or in the life of either parent which may inadvertently conflict with the parent-time schedule.

d. The parents shall notify each other of any special events involving the child such as school activities, church events, sports events, graduations, etc., so that each party shall have the option of attending the special event if possible. For any event that is not posted online, each party shall notify one another within 24 hours of receiving notice of all significant school, social, sports, and community functions in which the child is participating or being honored, and both parties shall be entitled to attend and participate fully.

e. Both parties shall be ordered to provide to the other party the name, address and telephone number of every educational institution the child will attend, as well as the name, address and telephone number of all providers of extracurricular activities and an identification of those activities. Furthermore, the parties shall be ordered to update this information when any new or different educational institutions are attended by the child, or any different extracurricular activities are engaged in. The parties shall notify all providers that each party shall be given separate notice of any and all communications from the education providers to the parties.

f. Educational Plan. In accordance with U.C.A. 81-9-203(11), the parents both have authority to make educational decisions for the child. The child will attend school at Pleasant Grove high school until graduation, unless the parties mutually agree otherwise in writing. The parties will consult together and strive to reach joint educational decisions. If the parties cannot agree after attempting mediation, then they will present the issue to Court for resolution.

g. For emergency purposes, when traveling with the minor child, the parties shall give all information required by Utah Code § 81-9-202(19), to wit: (1) an itinerary of travel dates; (2) destinations; (3) phone numbers where the child or traveling parent can be reached; and, (4) the name and telephone number of an available third person who would be knowledgeable of the child's location.

h. Either parent may make emergency decisions regarding the health or safety of the child.

i. The parent, with whom the child is residing at the time, shall make day-to-day decisions regarding the care, control and discipline of the parties' child.

j. Each parent should notify the other parent of significant illnesses the child may have when they are at each parent's individual homes.

k. Both parents shall be allowed to call the minor child at reasonable times. The child may call either parent at reasonable times.

l. SERVICEMEMBER(S): Neither parent is currently serving in the military. In the event that either does enlist in the future, the parenting plan shall be amended to contain provisions that address the foreseeable parenting and custodial issues likely to arise in the event of notification of deployment or other contingency, including long-term deployments, short-term deployments, death, incapacity, and noncombatant evacuation operation.

CHILD SUPPORT AND PAYMENT OF OTHER EXPENSES FOR CHILD

5. Child support. Mother's gross monthly income is approximately \$8,900. Father's gross monthly income is approximately \$8,900. The parties further acknowledge that they have an equal parent-time schedule. Based upon the parties' substantially equal incomes and equal

division of overnights, application of the Utah child support guidelines would result in little to no transfer payment between the parties. Accordingly, neither party shall pay child support to the other. This arrangement is in the best interest of the minor child and constitutes an appropriate deviation from the presumptive guideline support amount, if any deviation exists.

6. Extra-curricular Activities. The parties will equally divide the cost of extra-curricular activities for the minor child so long as the parties have mutually agreed to the activity in writing prior to the child being enrolled in the activity. If the parties have agreed to divide the cost of the activity in advance, proof of payment shall be provided by the party enrolling the child in the activity to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days. Any party unilaterally enrolling the child in extra-curricular activities will not interfere with the other party's parent-time unless the parties mutually agree. Notwithstanding the foregoing, the extracurricular activities in which the minor child is currently enrolled as of the date of the Stipulation (mountain bike club and choir) shall continue, and the parties shall equally divide all associated costs, regardless of which party has historically paid such expenses.

7. School Fees. Each party shall be ordered to assume and be responsible for fifty percent (50%) of any out-of-pocket school expenses (i.e. registration, books, required supplies, lab fees, etc.) incurred during the time leading up to and including high school. This does not include private school tuition. The party incurring the out-of-pocket school expense shall submit to the other party an invoice, bill, receipt, or verification of the incurred expense within thirty (30) days of payment or receiving the same and shall be reimbursed by the other party within thirty (30)

days of receipt of those school expense invoices, bills, receipts, and/or verification

CHILD CARE EXPENSES

8. Child Care Expenses. Due to the age of the minor child, the parties do not presently anticipate incurring regular work-related child care expenses. In the event either party incurs reasonable and necessary work-related child care expenses in the future, the parties shall allocate and reimburse such expenses in accordance with U.C.A. §78B-12-214.

INSURANCE

9. 1Health Insurance and Automobile Insurance for Minor Child. Until the minor child graduates from high school or otherwise emancipates pursuant to Utah law, Mother shall maintain and pay for the minor child's health insurance coverage, and Father shall maintain and pay for the minor child's automobile insurance coverage. Neither party shall seek reimbursement, contribution, offset, or credit from the other for the insurance expenses allocated under this paragraph. In the event that mother is no longer insured by her employer, the parties will equally share these expenses with health insurance pursuant to the statute below.

10. Medical/Dental Expenses. Subject to the previous paragraph, the parties will follow §81-6-208.

a. 2Each parent will share equally all reasonable and necessary uninsured medical, dental, orthodontia, eye care, counseling, prescriptions, deductibles, and copayments, incurred for the dependent child and actually paid by the parents.

b. 3The parent who incurs medical and dental expenses will provide written verification of the cost and payment of medical and dental expenses to the other parent

within 30 days of payment. The other parent will remit payment within 30 days of receipt of the verification.

c. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply with Subsection (b).

d. Division of Accounts. Pursuant to Utah Code Annotated §15-4-6.7, the parties may elect that medical/dental or school expenses be divided by the service provider into two separate accounts for payment, one for each parent as long as the service provider receives a copy of the Decree of Divorce at or before the day on which the service provider first renders medical/dental services or issues a bill for school fees.

TAXES/TAX CREDIT

11. 2025 Income Tax Refund. The parties filed a joint federal and/or state income tax return for tax year 2025. Husband has received the resulting tax refund. Within seven (7) days following execution of the Stipulation, Husband shall pay Wife one half of the refund received, which is believed to be \$2,769.50.

12. 2026 Child Tax Credit and Dependency Exemption. The Father shall be entitled to claim the minor child as a dependent for all applicable federal and state income tax purposes for tax year 2026. The parties acknowledge that 2026 is anticipated to be the final tax year in which the minor child may be claimed as a qualifying child dependent.

ALIMONY

13. Alimony. Husband and Wife are each capable of supporting himself and herself; and, therefore, neither shall be awarded alimony. Both Husband and Wife waive and relinquish the right to receive alimony from the other both now and in the future.

BUSINESS INTERESTS

14. Business Interests. During the course of the marriage, Husband acquired and operated a business known as *Latterday Saints Ideas (Publishing)* (the “Business”). The Business, together with any associated goodwill, intellectual property, accounts, inventory, income, receivables, and liabilities related thereto, shall be awarded to Husband as his sole and separate property, free and clear of any claim or interest of Wife. Wife shall execute any documents reasonably necessary to effectuate this provision.

PROPERTY

15. Personal Property. During the course of the marriage relationship, the parties have acquired certain personal property. The parties are each awarded the personal property as specified below:

<i>Item Description:</i>	<i>Awarded to:</i>

a. Remaining Personal Property. Any items of personal property not specifically identified or awarded herein (including the dog) shall be divided equally between the parties within thirty (30) days following entry of the Decree of Divorce. The parties shall attempt to resolve the division of such items through good-faith communications by email or text message. In the

event the parties are unable to agree regarding the division of any remaining items, they shall prepare a written list identifying the disputed property and participate in mediation for the purpose of resolving the dispute. The cost of mediation shall be divided equally between the parties, and the mediation shall occur without counsel present unless otherwise agreed by the parties.

16. 4Real Property. During the course of the marriage, the parties acquired a home and real property located at 341 N. 650 W., Lindon, UT 84042. The property shall be sold as soon as reasonably practicable, and pending the sale, the parties shall comply with the following terms and conditions:

a. Possession. Pending the sale of the property, both parties may continue to reside in and maintain possession of the home. The parties shall cooperate in maintaining the property in good condition and shall each contribute to the reasonable upkeep, cleanliness, and preservation of the property to facilitate its sale. Neither party shall intentionally damage the property or unreasonably interfere with the sale process.

b. Payment of mortgage and utilities. The Husband shall continue paying the monthly mortgage obligation and utility expenses associated with the marital residence through July 31, 2026. In the event the residence has not sold by August 1, 2026, the parties shall thereafter equally divide (50/50) the monthly mortgage payments and reasonable utility expenses associated with the residence until the Property is sold or until further written agreement of the parties.

- c. Sale. The Property shall be listed for sale immediately and marketed in accordance with the following provisions:
- i. Selection of Realtor. Within fourteen (14) days of execution of the Stipulation, Husband shall provide Wife with the names of five (5) licensed real estate agents for consideration. Wife shall have seven (7) days thereafter to select one of the proposed agents. Upon selection, the parties shall contact the chosen realtor within seven (7) days and shall promptly execute all documents necessary to list the Property for sale. The parties shall cooperate in good faith with the realtor in all matters reasonably necessary to market and sell the Property, including permitting reasonable access for photographs, inspections, appraisals, open houses, and showings. The parties shall further make reasonable efforts to timely respond to communications from the realtor and prospective purchasers.
- ii. Listing Price and Offers. The initial listing price of the Property, any subsequent price reductions, and the acceptance or rejection of any offers or counteroffers shall be determined by mutual agreement of the parties. In the event the parties are unable to agree, the written recommendation of the realtor shall control.
- iii. Repairs and Improvements. Any repairs, maintenance, or improvements reasonably necessary to facilitate the sale of the Property and agreed upon in writing by the parties shall be paid equally (50/50) by the parties.
- iv. Distribution of Sale Proceeds. Upon closing of the sale of the Property, the net sale proceeds shall be distributed in the following order:

1. First, payment of all customary costs and expenses of sale, including realtor commissions, title charges, escrow fees, and closing costs;
2. Second, payment in full of all mortgages, liens, encumbrances, or other obligations secured by the Property;
3. Third, payment to the following debts currently in Wife's name in the specified amounts:

		remaining mortgage balance shall be paid from the sale proceeds as provided herein.

a. Other Debts. Except as otherwise specifically provided in the table above, each party shall be solely responsible for any debts incurred in his or her individual name that are not listed in the table, and shall indemnify and hold the other party harmless therefrom.

b. Payment of Marital Expenses and Debts Pending Sale of the Home.

Additionally, beginning August 1, 2026, Husband shall contribute toward the minimum monthly payments due on the credit card obligations identified herein by paying Wife the sum of \$400 per month, representing his one-half share of the current minimum monthly payments.

FINANCIAL ACCOUNTS

21. Retirement. During the course of the marriage, the parties acquired interests in the following retirement accounts and benefits:

<i>Account Description:</i>	<i>Approx. Balance</i>
Franklin Templeton Investment (Andrew's name)	\$21,211.77

- a. Division of defined contribution accounts. The Franklin Templeton Investment account, Andrew's 401K and the URS 401k account shall be divided equally. A Qualified Domestic Relations Orders (QDRO) shall be prepared by Moody Brown Law. Within 15 days after the Decree of Divorce is entered, both parties will provide a retirement statement showing the balance as of the date the Decree is entered. Each party will pay one-half the cost of the total cost of preparation and one-half of all processing fees. The parties understand it is their responsibility to cause that the appropriate QDRO be prepared. The parties understand that the cost must be paid prior to the preparation of the QDROs. Both parties are enjoined from withdrawing, transferring, pledging, or borrowing such benefits until an entry and acceptance of all appropriate QDROs by Plan Administrators.
- b. Division of pension. Wife participated in the URS Pension Plan both prior to and during the marriage. Of her years of service, approximately seven (7) years were accrued during the marriage and are therefore marital in nature. The marital years of service include approximately the year 2004 and years 2020 through the present. Accordingly, Husband shall be awarded one-half (1/2) of the marital portion of Wife's pension benefits, calculated pursuant to the formula set forth in *Woodward v. Woodward*, as applied under Utah law. Said division shall be effectuated through a QDRO, to be prepared by Moody Brown Law. MUTUAL RESTRAINT

24. Father and Mother are restrained from speaking derogatorily about the other parent or speaking to the child about the issues in this case, or from attempting to influence the child's preference regarding custody or parent time which would tend to diminish the love and affection of the children for the other parent. Husband and Wife shall be mutually restrained from harassing, annoying, or otherwise bothering the other party. Husband and Wife shall be mutually restrained from allowing third parties to do what they themselves are prohibited from doing under this paragraph, and will have the affirmative duty to use his or her best efforts to prevent third parties from such violation, or will remove the children from such circumstances.
