Re: State of Utah v. Monja Zella Hatch, Case 255600016

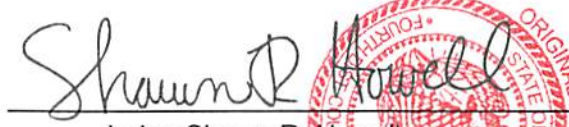

4TH DISTRICT
STATE OF UTAH
JOAB COUNTY

Comments: The court ordered a judgment of the unsecured bond back on 2/5/26. The defendant then appeared before the court and was sentenced on 4/21/2026. Would you like the collections department to continue with the local debt collection procedure to collect on this judgment or is the bond forfeiture judgment able to be set aside? Please advise.

Judge's Response

Date: 7/7/2026

The defendant subsequently appeared in court so I will order the bond forfeiture judgment to be set aside.
