The custodial parent's normal parent-time and holiday parent-time do not count as an interruption of the consecutive day requirement.

36. If a child receives cash assistance through the T.A.N.F. or F.E.P. programs, any agreement by the parties to reduce child support during extended parent-time must be approved by the Office of Recovery Services.

 - the amount previously ordered was not a deviation from the child support guidelines.

If the children receive TANF funds at the time an adjustment is sought, ORS will review the order and ask the court to adjust the amount if appropriate. (Utah Code 62A-11-306.2).

42. The parties can ask to change this child support order at any time by petition if there has been a substantial change in circumstances because of material changes in:

The difference may not be temporary.

The court can consider natural or adoptive children born after the entry of the decree other than those in common to both parties as part of a request to modify an existing award subject to limitations in the law. (Utah Code 81-6-202(8))
