j. **Future Transition to 60/40:** The parties may, by mutual written agreement, further modify physical custody to a 60/40 split when both parties determine such modification is in the best interest of the minor child(ren). Any such modification shall be memorialized in a written stipulation and submitted to the Court for approval prior to taking effect.

12. Individual Therapy. Father shall retain a licensed mental health therapist and shall diligently attend and comply with all treatment recommendations of the provider. 13. Drug Testing. Father shall submit to one (1) hair follicle test to establish a baseline. Following the baseline test, Father shall submit to random drug testing, by hair follicle or urinalysis, upon Mother's request and at Father's sole cost, for a minimum of two (2) years.

16. Residential treatment. Mother shall be designated as the primary residential parent for school purposes.

17. Virtual time. Each parent shall enjoy telephone, video conference, email, letters, or other alternative forms of contact with the children at reasonable times and places considering the children's bedtimes and the other parent's needs.

18. Relocation. Each Party shall provide the other Party with advance written notice of no less than sixty (60) days prior to any planned relocation of their primary residence to a location more than one hundred fifty (150) miles from the current primary residence of the children. Such notice shall include the proposed new address, the planned date of relocation, and a proposed modification to the parenting schedule to accommodate the relocation.

19. The Parties agree that any relocation beyond 150 miles shall require either mutual written agreement or a court order modifying the existing parenting plan prior to the move.

CHILD SUPPORT

20. Child Support. The parties should pay child support in compliance with the Uniform Child Support Guidelines. The parties agree that Mother's gross monthly income shall be imputed to \$2,502.00 and Father's gross monthly income shall be imputed to \$12,097.00 the

purposes of calculating child support. Based on those incomes, Father's support obligation under the child support guidelines is calculated as \$2,000.00 per month. This obligation shall begin on the date this stipulation is executed by both parties.

21. Unless the Court orders otherwise, support for each child terminates at the time (1) a child becomes 18 years of age, or has graduated from high school during the child's normal and expected year of graduation, whichever occurs later, or (2) a child dies, marries, becomes a member of the armed forces of the United States, or is emancipated in accordance with Utah Code § 81-6-213 and based on the combined support amount as derived from the parties' imputed income.

22. Child support payments shall begin the month of the filing of divorce in this matter or as ordered by the court. The monthly child support shall be paid one-half on or before the 5th day of each month, and the other half on or before the 20th day of each month, unless the custodial parent uses the Office of Recovery Services to collect support. Child support due and not paid on or before the 5th day of the month is delinquent on the 6th day of the month. Child support due and not paid on or before the 20th day of the month is delinquent on the 21st day of the month.

23. If the obligor parent is thirty (30) days late, the obligee parent shall be entitled to mandatory income withholding relief pursuant to Utah Code § 62A-11, Parts 4 and 5, and any Federal and State tax refunds or rebates due the non-custodial parent may be intercepted by the State of Utah and applied to existing child support arrearages. This income withholding procedure shall apply to existing and future payers. All withheld income shall be submitted to the Office of Recovery Services until such time as the non-custodial parent no longer owes child support to the person entitled to receive child support. All child support payments shall be made

to the Office of Recovery Services, P.O. Box 45011, Salt Lake City, UT 84145-011, unless the Office of Recovery Services gives notice that payments should be sent elsewhere. Should mandatory income withholding be implemented by the Office of Recovery Services, child support shall be due on the first day of each month and delinquent on the first day of the following month.

24. Any Office of Recovery Service fee shall be paid by the obligor parent.

25. Each of the parties is under mutual obligation to notify the other within thirty (30) days of any change in monthly income.

MEDICAL AND OTHER EXPENSES/CREDITS

26. **Medical Expenses.** Pursuant to Utah Code § 81-6-208, Father shall purchase and maintain appropriate health, hospital, and dental care insurance for a dependent children.

27. If, at any point in time, a child is covered by the health insurance plans of both parents, the health insurance plan of Father's shall be primary coverage for the child and the health insurance plan of Mother's shall be secondary coverage for the child. If a parent remarries and the child is not covered by that parent's health insurance plan but is covered by a step-parent's plan, the health insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the child.

28. Each parent shall share equally the out-of-pocket costs of the premium actually paid by a parent for the child's portion of insurance unless the court finds good cause to order otherwise.

29. The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the children's portion of the premium. If the

parent does not have insurance but another member of the parent's household provides insurance coverage for the child, the parent may receive credit against the base child support award or recover the other parent's share of the child's portion of the premium.

30. The children's portion of the premium is a per capita share of the premium actually paid. The premium expense for a child shall be calculated by dividing the premium amount by the number of persons covered under the policy and multiplying the result by the number of children in the instant case.

31. Each parent shall equally share all reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for a dependent child, including deductibles and copayments unless the court finds good cause to order otherwise.

32. The parent ordered to maintain insurance shall provide verification of coverage to the other parent, or to the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., upon initial enrollment of the dependent child, and after initial enrollment on or before January 2 of each calendar year. The parent shall notify the other parent, or the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., of any change of insurance carrier, premium, or benefits within 30 calendar days of the date the parent first knew or should have known of the change.

33. A parent who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other parent within 30 days of payment. The other parent shall reimburse the parent within thirty (30) days.

34. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to provide verification.

35. **Child Care Expenses.** Pursuant to Utah Code § 81-6-209, both parties shall share equally all reasonable work-related child care expenses.

36. The party who incurs child care expenses shall provide written verification of the cost and identity of a child care provider to the other party upon initial engagement of a provider and thereafter on the request of the other party. The party incurring and/or paying for child care expenses shall notify the other party of any change of a child care provider or the monthly expense of child care within 30 calendar days of the date of the change.

37. The party not directly paying for child care shall begin paying his or her share of child care expenses within 30 days upon presentation of proof of the child care expense.

38. A party incurring and/or paying for child care expenses may be denied the right to receive credit for the expenses or to recover the other party's share of the expenses if the party incurring and/or paying for the expenses fails to comply with this order.

39. **Public Assistance.** Neither party has received or is receiving public assistance from the State of Utah.

40. **Tax Exemptions.** Mother should be awarded the tax exemptions for the child in all years.

DIVISION OF ASSETS AND LIABILITIES

41. Personal Property. During the course of the marriage the parties acquired personal property. The personal property acquired during the marriage should be divided equitably between the parties.

42. Vehicles. During the course of the marriage, the parties obtained interest or ownership of certain vehicles. Mother should be awarded the 2017 Toyota Highlander. Father should be awarded the Toyota Tacoma and Chevrolet Silverado.

43. The vehicles and their associated debt should be equitably divided between the parties.

44. Accounts. During the course of the marriage, the parties obtained interest in certain checking, savings, or other financial accounts. The parties should be awarded an equitable share of the marital funds in these accounts. Any accounts jointly held by the parties should have the funds equitably divided and then closed.

45. Separate and Premarital Property. Each party should be awarded their separate and premarital property, including property or monies in their possession at the time of marriage or received from inheritance, unless stated otherwise herein.

46. Debts and Obligations. During the course of the marriage, the parties acquired marital debts and obligations. The parties' debts and obligations known by each party at the time of separation should be equitably divided.

47. Father should be awarded and solely responsible for the American Express Credit Card with a current balance of \$10,109.

48. The parties should be responsible for any respective individual post-separation debts that are incurred.

49. The parties should notify respective creditors or obligees, regarding the court's division of debts, obligations, or liabilities and regarding the parties' separate, current addresses.

50. The parties should be ordered to take all necessary steps to remove each other's name from any and all joint accounts or obligations within thirty (30) days from the entry of a final Decree of Divorce herein, including all requirements and notices set forth in Utah Code §15-4-6.5 and 6.7.

51. Real Property. Mother is hereby awarded the marital residence located at 1087 Bear Hollow Lane, Elk Ridge, Utah 84651 (the "Property"), together with all equity therein, free and clear of any claim by Father. Mother shall assume sole responsibility for the mortgage, taxes, insurance, and all other obligations associated with the Property from the date of entry of this Decree forward.

52. Mother shall refinance the existing mortgage on the Property into her name alone. Upon completion of the refinance, Father shall be fully released from any and all liability associated with the mortgage on the Property.

53. Father shall cooperate fully and execute any and all documents reasonably necessary to effectuate the transfer of title, including but not limited to a Quit Claim Deed, within thirty (30) days of the date of entry of this Decree. In the event Father fails to execute such documents, this Decree shall serve as legal authority for the transfer of title.

54. HELOC. Father shall assume full and sole responsibility for any and all outstanding balances, interest, fees, and obligations arising from the Home Equity Line of Credit ("HELOC") currently secured against the marital residence or any other jointly-held property. Father agrees to indemnify and hold Mother harmless from any liability, claim, or demand arising from the

HELOC, including any deficiency, default, or collection action. Father shall make all payments on the HELOC as they become due and shall not allow any default that could adversely affect Mother's credit.

55. Retirement and Other Investment Accounts. During the course of the marriage, both parties may have either obtained interest in or contributed marital funds to their respective retirement and other investment accounts.

56. Father has two retirement accounts. He has a 401 (k) account and an IRA.

57. Mother shall receive fifty percent (50%) of the balance of Father's Karl G. Maeser Preparatory Academy 401(k) Profit Sharing Plan as of the date of division. The division shall be effectuated by means of a Qualified Domestic Relations Order ("QDRO"), which shall be prepared and submitted to the Plan Administrator consistent with the terms of this Agreement.

58. From and after the date of the entry of this Order (or the date of the Marital Settlement Agreement, whichever is earlier), the Participant shall not withdraw, borrow against, transfer, roll over, convert, pledge, assign, encumber, or otherwise dispose of any portion of the retirement account(s) subject to this Order without the prior written consent of the Alternate Payee or further order of the Court. Any such unauthorized disposition shall constitute a contempt of court and shall give rise to a claim for damages, including the full replacement of any amount dissipated plus interest.

59. In the event the Participant takes any action that reduces the Alternate Payee's assigned share below the amount she would have received had no such action been taken, the Participant shall personally pay to the Alternate Payee, from his separate non-retirement assets, a sum equal to the difference between (i) the amount the Alternate Payee would have received absent the

dissipation and (ii) the amount actually received. Such payment shall be made within thirty (30) days of demand and shall be subject to post-judgment interest at the applicable statutory rate.

60. The Alternate Payee's assigned share of fifty percent (50%) shall be calculated based on the gross vested account balance as of the Valuation Date, before any deduction, offset, or reduction for any outstanding loan balance owed by the Participant against the account. Any outstanding loan shall remain the sole obligation of the Participant and shall not diminish the Alternate Payee's assigned share in any respect.

61. From the Valuation Date through the date of actual segregation and transfer, any investment gains or losses accruing on the account shall be allocated pro rata between the Participant's retained share and the Alternate Payee's assigned share, based on each party's proportionate interest. The Alternate Payee shall not bear a disproportionate share of any loss resulting from the Participant's investment decisions or inaction following the Valuation Date.

62. To the extent the Plan provides a Qualified Pre-Retirement Survivor Annuity ("QPSA") or any other pre-retirement death benefit, the Alternate Payee shall be designated as the surviving beneficiary with respect to her assigned share. This stipulation shall serve as the Alternate Payee's election to receive such benefits in the event of the Participant's death prior to the completion of the QDRO process.

63. In the event the Participant dies before the Alternate Payee's assigned share has been segregated and transferred, this stipulation shall continue in full force and effect. The Plan Administrator is directed to treat the Alternate Payee as having a fully vested, segregated interest in the assigned share as of the Valuation Date, and to distribute such share to the Alternate Payee (or her estate) in accordance with the terms of this stipulation and applicable law.

64. The Participant shall not change the beneficiary designation on any retirement account subject to this stipulation without the Alternate Payee's prior written consent or a further order of the Court. Any purported change in violation of this provision shall be void and of no effect as to the Alternate Payee's assigned share. The Alternate Payee shall be deemed a constructive beneficiary of the assigned share pending qualification of the QDRO.

65. In the event the Alternate Payee dies after the entry of this Order but before receiving the full distribution of her assigned share, the balance of the assigned share shall be distributed to the Alternate Payee's estate or to such beneficiary as the Alternate Payee shall have designated with the Plan. The Alternate Payee is hereby authorized and encouraged to file a beneficiary designation with the Plan Administrator upon qualification of this stipulation.

66. The Participant shall cooperate fully to ensure that the transfer of the Alternate Payee's assigned share is accomplished in a manner that does not result in any income tax liability or early withdrawal penalty to the Alternate Payee. For the 401(k) Plan, this means qualifying the QDRO under IRC Section 414(p). For the IRA, this means executing a direct trustee-to-trustee transfer pursuant to IRC Section 408(d)(6). The Participant shall not take any direct distribution that would cause the transfer to lose its tax-free status.

67. The parties shall equally split the costs and attorney's fees associated with the preparation, submission, and qualification of the QDRO for the 401(k) Profit Sharing Plan.

68. The Parties further stipulate that Mother shall receive fifty percent (50%) of the balance of Father's Individual Retirement Account ("IRA") as of the date of division. The division of the IRA shall be accomplished through a transfer incident to divorce pursuant to applicable IRS

regulations. Mother shall receive her share via a direct trustee-to-trustee transfer into a qualifying IRA established in her name.

69. Father shall be solely responsible for all fees associated with the division and transfer of the IRA. This includes any administrative fees, legal fees for preparation of any required order, or fees charged by the financial institution.

70. Life Insurance. Father should be ordered to obtain or maintain life insurance policies, so long as reasonably available, with the children listed as the beneficiaries to cover any pending child support obligation and Mother listed as a beneficiary to cover any pending spousal support obligation. Father should be required to maintain a life insurance policy until the last minor child reaches the age of majority.

71. If either party owns a life insurance policy or an annuity contract, each party must acknowledge to the court that the owner:

- a. has reviewed and updated, where appropriate, the list of beneficiaries;
- b. has affirmed that those listed as beneficiaries are in fact the intended beneficiaries after the divorce becomes final; and
- c. understands that if no changes are made to the policy or contract, the beneficiaries currently listed will receive any funds paid by the insurance company under the terms of the policy or contract.

72. Business Interests. Each party is hereby awarded the limited liability companies and any related accounts, assets, and liabilities associated therewith, as set forth below. Each party shall retain sole ownership and control of their respective entity, free and clear of any claim by the other party, from the date of entry of this stipulation.

73. Mother is hereby awarded all right, title, and interest in and to Kaci Anne Photography, LLC, including all accounts, equipment, receivables, contracts, intellectual property, and goodwill associated therewith. Father is divested of any and all interest in Mother's LLC upon entry of this Decree.

74. Father is hereby awarded all right, title, and interest in and to White Oak Investments, LLC, including all accounts, assets, and liabilities associated therewith. Mother is divested of any and all interest in Father's LLC upon entry of this Decree.

75. Each party shall cooperate and execute any and all documents reasonably necessary to effectuate the transfer of membership interests, including any required filings with the Utah Division of Corporations, within thirty (30) days of the date of entry of this stipulation.

76. **Alimony.** Mother should be awarded alimony pursuant to Utah Code § 81-4-502 and 503. Mother has a need for alimony, and Father has the ability to pay. Father is ordered to pay Mother in the amount of \$2,000.00 per month, commencing on June 01, 2026, and continuing for one hundred eighty (180) months. Alimony shall terminate earlier upon the occurrence of any of the following events: Mother's death, Father's death, Mother's remarriage, or Mother's cohabitation with another person in a marriage-like relationship as defined by Utah law. Absent earlier termination, alimony shall terminate automatically after Father has made one hundred eighty (180) monthly payments, with the final payment due June 01, 2041.

77. The monthly alimony support shall be paid one half on or before the 5th day of each month, and the other half on or before the 20th day of each month, unless a custodial parent uses the Office of Recovery Services to collect support. Alimony due and not paid on or before the 5th day of the month is delinquent on the 6th day of the month. Alimony due and not paid on or

before the 20th day of the month is delinquent on the 21st day of the month. Should a custodial parent use the Office of Recovery Services to collect support, alimony shall be due on the first day of each month and delinquent on the first day of the following month.

78. Mutual Restraining Orders. The parties should be restrained from disparaging the other party to or in the presence of the child and are to instruct third-parties to also be so restrained. The parties should be restrained from discussing the legal action or any adult topics with or in the presence of the child and are to instruct third-parties to also be so restrained.

79. The parties should be permanently restrained from harassing, harming, bothering, annoying, threatening, committing violence or attempting to harass, bother, annoy, threaten or commit violence to the other. Said methods of harassment include, but are not limited to, excessive unsolicited telephone calls, excessive electronic contact through e-mails, texts, etc., and unplanned visits at the other's place of residence.

80. Neither party will dissipate, sell, or transfer any separate or marital property during the pendency of this action, except to make payments on undisputed marital debts as they come due. The parties should be restrained from using each other's names and/or social security numbers to obtain any debt.

81. Name Change. Mother should be restored to her maiden name should she so desire.

SO ORDERED.
