Attorney for Petitioner

**DISTRICT COURT OF THE STATE OF UTAH
FOURTH JUDICIAL DISTRICT
UTAH CITY COUNTY**

IN THE MATTER OF THE MARRIAGE OF	
CRIS KWONG,	ORDER ON HEARING HELD JULY 28, 2026 Case Number: 234403196 Judge: Sean Petersen Commissioner: Marian Ito
Petitioner,	
and	
ROUDABEH DARVISH,	Respondent.
Respondent.	

The parties attended a hearing before Commissioner Ito on July 28, 2026, to address Petitioner’s Motion to Enforce. Petitioner was present at said hearing with his legal counsel, John S. Larsen. Respondent was present at said hearing represented pro se. After considering the pleadings on file and taking oral arguments from both parties, the court enters the following orders:

1. The court finds that the parties were divorced in September of 2024.
2. The court finds that the Decree of Divorce requires that Respondent pays in full the Mountain America Credit Union that is listed in Petitioner’s name only.
3. The court finds that from September of 2024 through November of 2025, Respondent did not make a single payment on the credit card.
4. The court finds that the credit card issue was presented to the court in November of 2025 at a Motion to Enforce Hearing. The court finds that at the November 2025

Hearing, the court found Respondent in contempt for failing to make a single payment on the card from September of 2024 through November of 2025 and ordered her to pay the credit card off in full by November of 2026 and to make a monthly payment on the card each month until the card was paid in full. Respondent was sanctioned by ordering to pay Petitioner attorney fees.

5. The court finds that since November of 2026 Respondent has again failed to make a single payment on the credit card. The balance of the credit card is increasing each month due to interest, late fees and penalties and is negatively effecting Petitioner's credit.

6. The court finds that the credit card is in collections with Knight Bureau and that Knight has been garnishing each of Petitioner's pay checks due to Respondent's failure to make payments on the credit card.

7. The court orders that Respondent is in contempt of court for failing to make a single payment on the credit card since November of 2025.

8. The court sanctions Respondent by ordering her to serve five (5) days in the Utah County Jail. The court stays this sanction until the scheduled review hearing (set for November 30, 2026). The court orders that if the total balance owing on the credit card, including late fees, penalties, etc., and the total amount taken from Petitioner through the garnishment from now through the date of payoff, is not paid off in full before November 30, 2026, the court will lift the stated sanction and Respondent will serve five days in jail. The court makes it abundantly clear that there will be no exceptions to this order – Respondent will serve 5 days in jail with no questions asked.

9. The court orders Petitioner to cooperate with Respondent's attempts to pay off the full amount owing on the credit card. Petitioner will provide Respondent with a written updated payoff amount each month from now until November so that Respondent is fully informed on how much is owing on the card.

10. Petitioner will ensure that Respondent has access to the credit card account through Knight so that she can pay off the full amount owing on the card directly to Knight. If Knight does not allow Respondent to pay off the credit card directly, Respondent will pay the full amount owing, plus the full amount garnished from Petitioner, directly to Petitioner so he can then pay off the debt to Knight.

11. In summary, Respondent must payoff the total amount owing to Knight and reimburse Petitioner the full amount he has paid Knight through the garnishment before November 30, 2026 or the court will order Respondent to serve five days in jail.

12. The court awards Petitioner \$1,000.00 in attorney fees for Respondent being held in contempt today.

13. The court awards Petitioner a judgment against Respondent for the award of attorney fees from November 2025 in the amount of \$2,500.00, attorney fees awarded to Petitioner today in the amount of \$1,000.00 and \$3,792.00 for the garnishment payments taken from Petitioner through July 15, 2026. The court notes that the garnishment against Petitioner will continue until the debt is paid in full. As such, the judgement awarded to Petitioner as stated herein will increase monthly to reflect the full amount garnished from Petitioner until the debt is paid in full and the garnishment stops.

14. The parties will attend a review hearing with this court on November 30, 2026, at 9:00 a.m. in person to determine whether this order has been fully complied with or not. If not, Respondent will serve five days in jail.
