Case No: 264402197

Judge: Christine Johnson

The Petitioner, Megan Perry, and the Respondent, Cameron Perry, have entered into a written Stipulation resolving all outstanding divorce issues, which has been filed with the court. The Court has received and accepted the parties' Agreement, reviewed the file, and being otherwise duly advised, having previously signed and entered its Findings of Fact and Conclusions of Law:

IT IS HEREBY ORDERED:

The bonds of matrimony existing between Petitioner and Respondent are hereby dissolved. In addition, all other remaining issues in this matter, outlined below, are to become final and absolute upon entry by the court.

CHILD CUSTODY AND PARENT-TIME

1. There is one minor child born or adopted between the parties, to wit: R.P. (born December 2022).
2. The parties are awarded joint legal custody of the minor child. The parties shall be governed by the Parenting Plan set forth herein.
3. The Petitioner is awarded sole physical custody of the minor child. Parent-time with the minor child shall be as the parties may agree. If the parties are unable to agree on a parent-time schedule, then parties shall follow a phase up parent-time schedule as follows, beginning the first of the month following the date of entry of the Decree of Divorce. Phase up stages are subject to progression criteria as outlined below. Any deviations from the default schedule must be mutually agreed and made in writing.
 - a. Phase One:
 - i. For the first six (6) weeks, Respondent shall exercise parent-time every Tuesday from 5:30 PM to 7:30 PM and every other Saturday from 9:00 AM to 12:00 PM.
 - ii. Parent-time visits shall occur at an age-appropriate, public, child-focused location as agreed by the parties. If unable to agree, visits shall occur at a public park, library, children's museum, Thanksgiving Point, or similar child focused venue selected by Respondent.

- b. Phase Two:
 - i. Beginning week seven (7) and continuing through week fifteen (15), Respondent shall exercise parent-time every Tuesday from 5:30 PM to 7:30 PM and every other Saturday from 9:00 AM to 7:00 PM.
- c. Phase Three:
 - i. Beginning week sixteen (16) through week fifty-two (52), Respondent shall exercise parent-time every Tuesday from 5:30 PM to 7:30 PM and every other Friday at 6:00 PM to Saturday at 6:00 PM.
- d. Progression Criteria (Phases 1–3):
 - i. Progression from one phase to the next shall occur automatically upon Father's satisfaction of all of the following criteria:
 - 1. Father attends at least ninety percent (90%) of all scheduled parenting-time visits during the applicable phase. Missed visits due to illness, emergencies, or other good cause shall not automatically prevent or restart phase progression.
 - 2. No psychiatric hospitalization, suicide attempt, suicidal threat, or other significant mental health crisis requiring emergency intervention occurs during the applicable phase.
 - 3. No parenting-time visit is terminated early due to a reasonable and articulable safety concern for the child.
 - 4. Father complies with all recommended mental health treatment

5. Father engages in no behavior that creates a reasonable safety concern for the child.
- ii. Progression shall occur only after Father has satisfied the above requirements and provided any documentation reasonably necessary to verify compliance.
- iii. If either parent disputes whether the progression criteria have been satisfied, the parties shall participate in mediation before seeking court intervention, except in emergencies involving the child's immediate safety.
- e. Phase Four:
 - i. Respondent may progress to Phase Four only upon satisfying the Phase 1–3 progression criteria and completion of a comprehensive psychological or psychiatric evaluation concluding that Respondent may safely exercise Phase Four parenting time, including overnight parenting time. The evaluation shall be conducted by a licensed psychologist or psychiatrist mutually agreed upon by the parties. If the parties are unable to agree upon an evaluator, then they shall participate in mediation before requesting court intervention.
 - ii. The purpose of the evaluation shall be to assess Respondent's ability to safely exercise expanded parent-time, including additional overnight parent-time with the minor child.
 - iii. The evaluator shall be provided relevant information from both parents, including prior mental health history, suicidal statements or

behaviors, treatment history, and any child safety concerns the evaluator deems appropriate to consider.

- iv. The evaluator may recommend restrictions, conditions, or a slower step-up schedule, which shall be incorporated into the parenting-time schedule unless otherwise ordered by the Court.
- v. The parties shall share equally the cost of the evaluation.
- vi. Respondent shall schedule the evaluation within thirty (30) days of becoming eligible for Phase Four and shall cooperate fully with the evaluator and any recommendations arising from the evaluation.
- vii. Phase Four parent-time shall commence only if the evaluator determines that Respondent may safely exercise expanded and overnight parent-time. If the evaluator recommends conditions, treatment, counseling, medication compliance, monitoring, or other safeguards, Respondent shall comply with such recommendations as a condition of progressing to Phase Four.
- viii. If Respondent is not cleared for expanded or overnight parent-time, the parties shall continue to follow the Phase Three parent-time schedule. Respondent may obtain a subsequent evaluation upon demonstrating substantial compliance with the evaluator's recommendations, but no more frequently than once every six (6) months unless otherwise agreed by the parties.

ix. Upon receipt of a written determination that Respondent is able to safely exercise expanded and overnight parent-time, the parties shall immediately transition to Respondent exercising parent-time every Tuesday from 5:30 PM -7:30 PM and every other weekend Friday at 5:00 PM until Sunday at 2:00 PM.

x. If, during and after the phase-up process, Respondent experiences a suicide attempt, psychiatric hospitalization, involuntary commitment, credible threat of self-harm, or other significant mental health crisis that materially affects Respondent's ability to safely care for the minor child, the parties shall temporarily revert to the Phase Two schedule until Respondent is again cleared by a licensed mental health professional to exercise expanded or overnight parent-time.

4. In addition, holiday parent-time shall be as the parties agree. If unable to agree then holiday parent-time shall be as follows:
