5. **Transportation:** Wherever possible, parent-time exchanges shall occur through the children's school/daycare, wherein the parent ending their parent-time timely drops the child off at school/daycare and the parent beginning their parent-time picks the child up from school/daycare. In all other instances, the parent beginning his or her parent-time shall be responsible for transportation. The parties shall be mindful of the importance of promptness when parent-time exchanges occur outside of the child's school/daycare.

6. If either party is unavailable to personally transport the child for a parent-time exchange, they may designate an appropriate and responsible person to provide said transportation. If a third party is providing transportation for the child, the parent who elected that individual shall immediately provide the other parent with that third party's name and contact information.

7. **Right of First Refusal:** Pursuant to Utah Code Ann. 81-9-202(13), parental care is presumed to be better for the children than surrogate care. Therefore, if either parent intends to leave the children with a surrogate care provider for a period of more than two (2) hours, the other parent shall have the right of first refusal.

8. **Virtual Parent-Time:** Both parents shall allow the minor children unmonitored phone access to the other parent for a reasonable duration and at reasonable hours.

9. **Drugs and Alcohol:** The parties are restrained from consuming illegal drugs or non-prescribed prescription drugs, or abusing prescription drugs at any time. The parties are restrained from abusing alcohol while the minor children are in their care or immediately prior to parent-time.

10. **Address and Phone Number:** The parties shall keep each other informed of their address and telephone number at all times.

#### **CHILD-RELATED FINANCES**

11. **Child Support:** Using the joint custody worksheet – giving Dena 182 overnights and James 183 overnights amounts to Dena paying \$26.00 per month as child support; and then a separate worksheet giving Dena 183 overnights and James 182 overnights amounts to James paying \$26.00 per month as child support. Therefore, because the parties intend a true 50/50 and

the child support worksheets cancel one another out; the child support ordered in this matter shall be \$0.00 per month.

- a.** The child support will be paid until (1) a minor child reaches the age of majority or graduate High School in the expected year of graduation, whichever occurs later, or (2) a child dies, marries, becomes a member of the armed forces of the United States, or is emancipated in accordance with Utah Code Ann. 81-6-101.
- b.** In the event a child is diagnosed with a disability requiring extraordinary care, the child support shall continue for the duration of that child's life.
- c.** This child support may be submitted to and administered by the Office of Recovery Services (ORS).
- d.** The person entitled to receive child support will be entitled to mandatory income withholding relief pursuant to Utah Code 62A-11 parts 4 and 5 (1953 as amended). Any Federal and State tax refunds or rebates due the non-custodial parent may be intercepted by the State of Utah and applied to existing child support arrearages. This income withholding procedure will apply to existing and future payers. The payor shall be responsible for any fees assessed by ORS.
- e.** Child support will be paid in two increments each month; half on the 5<sup>th</sup> and half on the 20<sup>th</sup> of each month.

**12. Medical Insurance Coverage:** The party with the best coverage shall be ordered to maintain in force any and all health insurance for the minor children, when it is available at a reasonable cost and the insurance coverage is accessible to the child.

**13.** If at any time the children are covered by the insurance plans of both parents, James's plan shall be designated as primary coverage and Dena's plan shall be secondary coverage for the child. *Utah Code 30-3-5.*

**14.** If a parent remarries and their dependent children are not covered by their insurance, but are covered by the step-parent's plan, the step-parent's plan shall be treated as if it is the plan of the remarried parent and shall retain the same designation for primary or secondary insurance as described above.

**15.** If the court or an administrative agency must determine which parent shall be ordered to maintain insurance for medical expenses, the court or administrative agency may consider the:

- a.** Reasonableness of the cost;
- b.** Availability of a group insurance policy;
- c.** Coverage of the policy; and
- d.** Preference of the custodial parent.

**16.** The party who carries the insurance on the children shall provide verification of coverage to the other parent, or to the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., upon initial enrollment of the dependent children, and after initial enrollment on or before January 2 of each calendar year. That party shall notify the other parent, or the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C.

Sec. 601 et seq., of any change of insurance carrier, premium, or benefits within 30 calendar days of the date the parent first knew or should have known of the change.

**17. Medical Insurance Premiums:** In accordance with Utah Code 30-3-5(1)(b), both parties shall share equally the out-of-pocket costs of the premium actually paid by a parent for the children's portion of the insurance. The children's portion of the premium is a per capita share of the premium actually paid for the family and is calculated by dividing the premium amount by the number of persons covered under the policy, and multiplying the result by the number of minor children of the parties. The insurance premium shall be automatically added to or subtracted from the child support obligation above.

**18. Out-of-Pocket Medical Expenses:** Each party shall pay one-half of all reasonable and necessary health, optical, hospital, dental, orthodontic, psychological, and other medical expenses of the parties' minor children including, but not limited to: out-of-pocket costs actually paid by either parent for the minor children's portion of health, optical, hospital, dental, orthodontic, psychological, and other medical insurance coverage and all reasonable and necessary uninsured health, optical, hospital, dental, orthodontic, psychological, and other medical expenses, including deductibles and co-payments, incurred for the dependent children and actually paid by either parent.

**19.** Either parent who incurs health, optical, hospital, dental, orthodontic, psychological, and other medical expenses for the parties' minor children shall provide written verification of the costs and payment for the expenses to the other parent within thirty (30) days of payment. The other parent shall reimburse them within thirty (30) days of receiving verification of payment. In addition to any other sanctions provided by the court, a parent incurring medical expenses may

be denied the right to receive credit for the expense or to recover the other party's share of the expenses if that party fails to comply with this provision. *Utah Code 78B-12-212(8), (9).*

**20. Notice to Medical/Dental Expense Creditors:** Pursuant to Utah Code 15-4-6.7, Utah Code 30-2-5, and Utah Code 30-3-5(1)(c), when a court order has been entered providing for the payment of medical expenses of a minor child pursuant to Utah Code 30-3-5, 30-4-3, or 78B-12-212, or an administrative order under 62A-11-326, a creditor who has been provided a copy of the order may not make a claim for unpaid medical expenses against a parent who has paid in full that share of the medical and dental expenses required to be paid by that parent under the order, nor may the creditor make a negative credit report under Utah Code 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full that share of the medical and dental expenses required to be paid by the parent under the order.

- a.** Each party should send a copy of the Decree of Divorce to the creditor of the particular medical or dental expense of the minor children;
- b.** Notify the particular creditor of that party's current address; and
- c.** Inform the particular creditor that it may not make a claim for unpaid medical expenses against that party if that party has paid in full that share of medical and dental expenses required to be paid by that parent under the order and also inform the particular creditor that it may not make a negative credit report under Utah Code 70C-7-107 or a report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information

Exchange, regarding a parent who has paid in full that share of the medical and dental expenses required to be paid by that parent under the order.

**21. Childcare:** Each party shall be responsible and liable for one-half of the reasonable childcare costs actually incurred each month as a result of parties' work. Both parties' portions of these childcare costs shall be paid directly to the childcare provider in a timely manner.
