**DECREE OF DIVORCE**  
**(EDITED BY JUDGE)**

Civil No. 254401323 DA

Judge: Kraig Powell  
Commissioner: Marla Snow

This matter comes before the Court by way of Petitioner's Verified Petition for Divorce and Affidavit of Jurisdiction and Grounds. The parties previously came to partial Stipulation and Settlement Agreement on November 19, 2025, which is of the official record. Next, the Court issued a Findings and Order Entering Default and Order of Contempt against the Respondent on May 27, 2026. Furthermore, the Court held an evidentiary hearing on July 21, 2026, regarding all remaining issues, wherein the Court issued a Ruling on the Record on July 31, 2026. These Findings of Fact and Conclusions of Law being consistent with Petitioner's Verified Petition for

Divorce and the Court's Order Entering Default, the parties' partial Stipulation and Settlement Agreement, and the Court's ruling regarding all remaining issues; the Court for now good cause appearing hereby **ORDERS, ADJUGES, and DECREES the following:**

### **JURISDICTION AND VENUE**

1. **Residence.** The parties are residents of Utah County, State of Utah, and have been for at least three (3) months immediately prior to the commencement of this action.

2. **Marriage Information.** Respondent and Petitioner were married on November 5<sup>th</sup>, 2011, in American Fork, Utah County, State of Utah and are presently married.

3. **Grounds for Divorce.** During the course of this marriage, the parties have experienced irreconcilable differences, making continuation of the marriage relationship impossible. Petitioner is hereby granted a Decree of Divorce, dissolving the bonds of matrimony.

4. **General Jurisdiction.** This Court has general jurisdiction over this matter, pursuant to Utah Code §78A-5-102(1).

5. **Personal Jurisdiction.** This Court has personal jurisdiction over the parties, pursuant to Utah Code §78B-3-205 and Utah Code §78B-15-604.

6. **Venue.** Venue is proper in this Court, pursuant to Utah Code §78B-15-605.

7. **Home State Jurisdiction.** The minor children have lived in Utah for at least six (6) consecutive months immediately before the commencement of this child custody proceeding, and Utah is the minor children's home state, pursuant to the Utah Uniform Child Custody

Jurisdiction and Enforcement Act. Accordingly, this Court has jurisdiction to make initial child custody determinations with respect to the minor children.

8. **Child Support Jurisdiction.** This Court has jurisdiction to enter child support orders, pursuant to Utah Code §§81-6-104(1) et seq. (Utah Child Support Act) and Utah Code §§78B-14-101 et seq. (Utah Uniform Interstate Family Support Act).

### **CHILDREN**

9. **Minor Children.** There have been two (2) children born as issue of the marriage:

| <b>Minor Children's Initials</b> | <b>Month &amp; Year of Birth</b> |
|----------------------------------|----------------------------------|
| F.L.H                            | December 2012                    |
| F.L.H                            | April 2020                       |

10. The Respondent has been physically, verbally, and emotionally abusive to not only the Petitioner but to the party's minor children.

- a. The Respondent abuses substances and the children need to be protected from the abuse of alcohol.

11. **Legal and Physical Custody.** Due to Father's past conduct demonstrated in this case, the Court has previously ordered his pleadings stricken and default judgment entered in favor of Mother for the relief requested in her Petition for Divorce. The Court therefore orders that Mother shall have sole legal and physical custody of the parties' children. After considering all the arguments, testimony, and exhibits at each of the many hearings held by the Court in this case, the Court found and concluded that the award of sole legal and physical custody of the children to Mother is in the children's best interest due to Father's demonstrated inability to

properly care for the children and prioritize their needs appropriately, pursuant to Utah Code §81-9-204.

a. Respondent shall be awarded parent time pursuant to Utah Code §81-9-302, with all parent time to be supervised by someone elected by the Petitioner until and unless the Respondent completes substance abuse treatment and counseling, anger management counseling, and any other orders of the Court before lifting the supervision requirement. Once supervision is lifted, then parent time may be expanded to 81-9-302 for daytime only until any further requirements are met, at which point parent time may be expanded to 81-9-302, including overnights .

12. **Drug Testing.** The Petitioner has the right to require Respondent to submit to alcohol testing with the type of test elected by the Petitioner and paid for by the Petitioner in a location designated by the Petitioner that is within close proximity to where the Respondent resides. Petitioner may withhold parent-time if Respondent is under the influence of alcohol or any other substance

13. **Transportation and Parent-Time Exchanges.** Transportation for parent-time exchanges shall be as the parties agree. If the parties are unable to agree, parent-time exchanges shall be as follows:

a. Parent-time exchanges shall occur at the Pleasant Grove Police Department. If Skyler elects to begin his parent-time at the time the minor children's school is regularly dismissed, the exchanges shall occur at the minor children's school.

b. If a party is going to be late, a party shall provide two (2) hours advanced notice of exchanges. If a parent has not provided two (2) hours' advanced notice of being late, and is not at the parent-time exchange within thirty (30) minutes of a designated exchange, the non-showing parent shall forfeit their parent-time until the next designated parent-time.

14. **Parenting and Educational Plan.** The parties shall adopt the following Parenting and Educational Plan provisions:

a. Both parties shall be listed on and have access to the minor children's school, church, medical and other records and both parties shall be included as the parents on such records. It is the responsibility of each parent to contact the minor children's school, coaches, teachers, doctors, dentists, church leaders, etc. in which the minor children are involved to establish their own relationship and have notices of significant school, social, sports, and community functions in which the minor children are participating or being honored sent directly to each parent. Both parties shall be entitled to attend and participate fully. If one parent receives notice that the other parent would not have access to, the party receiving said notice shall notify the other parent within twenty-four (24) hours of receiving the notice;

b. The parties shall each obtain their own information regarding the minor children's school work, school schedule, medical and dental treatment, counseling, emotional needs, accomplishments, and other information;

c. The parties shall notify the other parent of injury or illness as soon as reasonably possible involving the minor children;

d. The parties shall provide each other with the names and telephone

numbers of teachers and others who work with the minor children at school, medically, or otherwise so that each party can initiate their own relationship with these professionals;

e. The parties shall share information relating to doctor or dentist appointments, sports, special lessons, new skills, new language development, discipline challenges, etc., regarding their minor children;

f. When a parent leaves the minor children in the care of a third-party caregiver, the name and contact information of the other parent shall be provided to the caregiver. Additionally, the other parent shall be provided the name and contact information of the caregiver;

g. The parties shall notify the other parent of any change of address, email address, cell phone number and telephone number within twenty-four (24) hours of the change;

h. The parent who has the minor children in his/her care shall make minor day-to-day decisions regarding the minor children without having to consult with the other parent;

i. For emergency purposes, whenever the minor children travel overnight or longer, the parent arranging the travel shall provide the other parent with an itinerary of travel dates, destinations, and places where the minor children can be reached;

j. The parties shall work together in a reasonable manner to accommodate each other and to provide the minor children consistency and stability;

k. Special consideration shall be given by each parent to make the minor children available to attend family functions including funerals, weddings, family reunions,

religious holidays, important ceremonies, and other significant events in the life of the minor children or in the life of either parent which may inadvertently conflict with the parent-time schedule;

l. Each parent shall permit and encourage, during reasonable hours, reasonable and uncensored communication/virtual parent-time with the minor children. The parent with the minor children in his/her care shall not interfere with the virtual parent-time;

m. The parties shall not put the minor children in the middle of their disputes;

n. The parties shall not discuss with the minor children or in the minor children's presence adult issues, including the parties' legal proceedings or financial related issues of the parties;

o. The minor children shall not be used as messengers between the parents;

p. The parties shall maintain safe and appropriate sleeping and living accommodations for the minor children;

q. Each party shall have adequate clothing for the minor children at his/her residence;

r. Neither parent shall question the minor children about the other parent's activities, personal relationships or how the other parent spends his/her time or money;

s. Neither party will be under the influence of alcohol, take illegal drugs, or abuse prescriptions while exercising parent time.

t. The parties shall not ask the children to keep secrets from the other parent;

u. Each parent shall be supportive and respectful of the other parent in the

presence of the minor children;

v. Both parties shall be restrained from saying or doing anything that would tend to diminish the minor children's love and affection for the other parent. This includes any comments about the other parent's actions that may be construed as having a negative impact on the other parent's relationship with the minor children;

w. The party with the minor children in his/her care shall be responsible for ensuring the minor children's homework is complete and transporting the minor children to and from school on time;

x. Communication regarding the minor children shall be directly between the parents and shall not involve third parties. The parties shall communicate through the OurFamilyWizard parenting app, unless there is an emergency. The parties shall use the tone-meter on the OurFamilyWizard parenting app. In the event of an emergency, the parties shall communicate in any reasonable manner. The parties shall respond to messages within twenty-four (24) hours of receipt;

y. Petitioner shall have access to the minor children during school hours and the authority to check the minor children out of school during his custodial time for emergency purposes or necessary appointments; and,

z. The Petitioner shall be entitled to make decisions regarding substantial or significant issues affecting the minor children including but not limited to the minor children's education, medical care, dental care, religious upbringing, counseling, and other major issues. Petitioner shall keep Respondent informed about these decisions.

15. **Child Support.** The Court finds as follows regarding the parties incomes and the child support calculation:

a. The Court finds that Father is voluntarily underemployed due to the drastic drop in income he showed after Mother filed for divorce. The Court finds that Father has the skills, experience, ability, and potential job opportunities to maintain his previous level of income. The Court therefore finds that Father shall be imputed income at the average of his 2023 and 2024 monthly salary, which is \$9,491 per month.

b. The Court finds that Mother has the skills, abilities, and potential job opportunities to work full-time as a shoe cobbler. The Court finds that Mother is voluntarily underemployed. The Court finds that Mother shall be imputed gross monthly income in the amount of \$3,467.

c. Using these incomes according to the Utah child support guidelines, with two children and Mother exercising sole custody, Father's monthly child support obligation is \$1,452. The child support shall be payable one-half on the 5<sup>th</sup> day of each and every month, and one-half on the 20<sup>th</sup> day of each month commencing January 2024 and onward. Unless the Court orders otherwise, support for a child shall terminate at the time: (1) the child becomes 18 years of age or has graduated from high school during the child's normal and expected date of graduation, whichever occurs later; or (2) the child dies, marries, becomes a member of the armed forces of the United States, or is emancipated.

d. Reduction When Child Becomes 18. In accordance with statute, when a child becomes 18 years of age, or has graduated from high school during the child's normal and

expected year of graduation, whichever occurs later, the base child support award shall be automatically reduced to reflect the lower base combined child support obligation shown in the table in Utah Code §81-6-213 for the remaining number of minor children due child support. The award shall not be reduced by a per child amount derived from the base child support award originally ordered.

e. The Court enters an Order and Judgment for child support arrears for the months of May 2026 through July 2026, in the amount of \$4,356, minus a \$50 payment Father paid the day before the evidentiary hearing, for a total arrearage judgment of \$4,306 for the months of May 2026 through July 2026.

16. **Child Care Expenses.** In accordance with Utah Code §81B-6-209, the child support order shall require that each parent share equally the reasonable work-related child care expenses of the parents.

a. If the party not exercising parent-time is not available to exercise their first right of refusal, the parties shall first try to use family members at no cost to provide child care.

b. A party who does not first try to use family members at no cost to provide the child care shall be solely responsible for the cost of the child care incurred.

c. If an actual expense for child care is incurred because the party not exercising parent-time is not available to exercise their first right of refusal and no family members are available to provide child care at no cost, a parent shall begin paying his/her share on a monthly basis immediately upon presentation of proof of the child care expense, but if the child care expense ceases to be incurred, that parent may suspend making monthly payment of

that expense while it is not being incurred without obtaining a modification of the child support order.

d. In the absence of a court order, a parent who incurs child care expense shall provide written verification of the cost and identity of a child care provider to the other parent upon initial engagement of a provider and thereafter on the request of the other parent.

e. In the absence of a court order to the contrary, the parent shall notify the other parent of any change of child care provider or the monthly expense of child care within thirty (30) calendar days of the date of the change.

f. In addition to any other sanctions provided by the court, a parent incurring child care expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if the parent incurring the expenses fails to comply with subsections 'd' and 'e'.

17. **Medical/Dental Expenses.** In accordance with Utah Code §81-6-208, a parent shall provide and maintain medical and dental insurance for the minor children if it is available to them at reasonable cost and is accessible to the children.

a. Each parent shall share equally the out-of-pocket costs of the premium actually paid by a parent for the minor children's portion of insurance. The minor children's portion of the premium shall be a per capita share of the premium actually paid. The premium expenses for the minor children shall be calculated by dividing the premium amount by the number of persons covered under the policy and multiplying the result by the number of minor children in the instant case.

b. The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the minor children's portion of the premium. In cases in which the parent does not have insurance but another member of the parent's household provides insurance coverage for the minor children, the parent may receive credit against the base child support award or recover the other parent's share of the minor children's portion of the premium.

c. Each parent shall equally share all reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for the minor children, including but not limited to deductibles and copayments.

d. The parent who is maintaining insurance shall provide verification of coverage to the other parent upon initial enrollment of the minor children, and thereafter on or before January 2 of each calendar year. The parent shall notify the other parent of any change of insurance carrier, premium, or benefits within thirty (30) calendar days of the date the parent first knew or should have known of the change.

e. A parent who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other parent within thirty (30) days of payment with reimbursement to take place within the following thirty (30) days.

f. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply with Subsections (d) and (e) of this paragraph.

g. If, at any point in time, the dependent minor children are covered by the health, hospital, or dental insurance plans of both parents, Respondent's health, hospital, or dental insurance plan shall be primary coverage for the dependent minor children and Petitioner's health, hospital, or dental insurance plan shall be secondary coverage for the minor children. If a parent remarries and the minor children are not covered by that parent's health, hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the minor children.

18. **Collection and Billing for Expenses of Minor Children.** Pursuant to Utah Code §15-4-6.7, collection and billing pursuant to court or administrative order of child support:

1. When a court enters an order that provides for the payment of medical and dental expenses of a minor child under Section 30-3-5, 30-4-3, or 78B-12-111, or an administrative order under Section 62A-11-326, a provider who receives a copy of the order:

i. at or before the time the provider renders medical or dental services to the minor child shall, upon request from either parent, separately bill each parent for the share of the medical and dental expenses that the parent is required to pay under the order; or

ii. within 30 days after the day on which the provider renders the medical or dental service, shall not:

(i) make a claim for unpaid medical and dental expenses against a parent who has paid in full the share of the medical and dental expenses that the parent is required to pay under the order; or

(ii) make a negative credit report under Section 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full the share of the medical and dental expenses that the parent is required to pay under the order.

2a. When a court enters an order that provides for the payment of school fees of a minor child under Section 30-3-5 or 30-4-3:

(i) a provider who receives a copy of the order before the day on which the provider first issues a bill for a school fee shall, upon request from either parent, separately bill each parent for the share of the school fee that the parent is required to pay under the order;

(ii) a provider who receives a copy of the order, regardless of whether the provider receives the copy before, on, or after the day on which the provider first issues a bill for the school fee shall not make a negative credit report under Section 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full the share of the school fee that the parent is required to pay under the order; and

(iii) each parent is liable only for the share of the school fee that the parent is required to pay under the order.

b. A provider shall bill a parent for the parent's share of a minor child's school fee under an order described in Subsection (2)(a) regardless of whether the provider

grants the other parent a waiver for all or a portion of the other parent's share of the minor child's school fee.

19. **Extracurricular Activities.** The parties shall equally divide the cost of extracurricular activities for the minor children so long as the parties have mutually agreed to the activity in writing prior to the minor children being enrolled in the activity. If the parties have agreed to divide the cost of the activity in advance, proof of payment shall be provided by the party enrolling the minor children in the activity to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days. Any party unilaterally enrolling the minor children in extracurricular activities shall do so at their own expense and the activity shall not interfere with the other party's parent-time.

20. **Tax Benefits.** Beginning with the 2025 tax year, each parent shall be entitled to claim one of the two children as a dependent and exemption for tax purposes, After the oldest child is too old to be claimed, the parties shall alternate claiming the remaining child, beginning with Father; provided, however, that no party shall be entitled to claim a child on his or her taxes if that party has not fully paid up-to-date all prior and current child support obligations as of December 31 of the year for which the party wishes to claim the exemption.

### **ALIMONY**

21. The Court finds that Mother is not entitled to an award of alimony.

### **ASSETS**

22. **Real Property.** The parties did not acquire any Real Property during the course of the marriage.

23. **Personal Property.** During the course of the marriage the parties acquired personal property during the marriage, which shall be awarded as follows:

| <i>Item Description:</i>                                   | <i>Awarded to:</i> |
|------------------------------------------------------------|--------------------|
| Barbie Doll House (without furniture)                      | Skyler             |
| MacBook                                                    | Skyler             |
| Tools, electronics, and move collection (already received) | Skyler             |
| Harmon Family Cookbook                                     | Skyler             |
| X-Box (if found and located)                               | Skyler             |
| Jurassic Park Lounge Fly                                   | Skyler             |
| Portable DLP Projector                                     | Rachael            |

a. Each party is awarded their own personal property and effects and that property which is now in their individual possession or under their individual control, except as otherwise indicated within this Decree of Divorce.

b. The parties shall exchange the items of personal property each is awarded within thirty (30) days of the signing of the parties partial Stipulation at a time mutually agreed upon by the parties. Given the protective order in place, the items will be exchanged at the Pleasant Grove police department outside of a parent-time exchange.

24. **Tax Returns.** It appears that the parties may not have filed income tax returns for some, or many, of the years of marriage. Based on drafts of tax returns prepared by Crowne Centurion, the parties may be entitled to tax refunds as follows: for 2023, \$9,716 in federal tax refund plus \$1,056 in state tax refund for a total refund of \$10,772 for 2023; and for 2024, \$11,728 in federal tax refund plus \$1,079 in state tax refund for a total refund of \$12,807 for 2024. The grand total ostensible refund of 2023 and 2024 combined is \$23,549. The Court was

unable to make any findings or conclusions as to any other tax years. The Court ordered as follows:

a. On or before March 31, 2027, Father shall pay to Mother the amount of \$11,789, representing one-half of these ostensible tax refund amounts. The Court ordered that Father must make this payment to Mother regardless of whether or not he files the 2023 and 2024 taxes before March 31, 2027, and regardless of whether these amounts are the actual amounts ultimately contained in the final, filed 2023 and 2024 tax returns. The \$11,789 payment ordered by this Court is not necessarily a reflection of any actual amounts due to the parties as tax refunds for these years or any years.

b. Other than what the Court just ordered above, Father shall bear all liability for, and/or all benefits from, any tax obligations that may be due, or any refunds that may be received, for any and all years. Mother shall not receive any other amounts from taxes besides what has just been ordered above, and Mother shall bear no responsibility for any taxes owing by either party for any year. Again, for simplicity and clarity, Father will bear all burdens, and enjoy all benefits, from any tax filings or tax obligations or refunds other than what the Court has ordered Mother to receive from Father as outlined here.

c. Father is ordered to file with the applicable tax authorities, on or before December 31, 2027, any and all unfiled tax returns for the parties for all years of the marriage through and including 2024. If necessary, Mother shall cooperate in providing any information or signatures Father may need to file any tax returns.

25. **Bank Accounts.** the Court finds that the transactions in the Robinhood account, their dates, and their amounts, which are quite negligible, are not relevant to, or significant to, the equitable distribution of the marital estate. The Court therefore denies Mother's request for any division of, or order regarding, the Robinhood account. As such, each party is awarded their own bank accounts in their individual name.

26. **Retirement Accounts.** During the marriage, Father had a 401(k) retirement account with Fidelity. The Court finds that all funds and earnings in the account are marital property. From the evidence fairly presented at trial, the Court finds and concludes that the marital property value of the account for purposes of this case is \$18,513.33. The Court awards each party one half of \$18,513.33, which is \$9,256.67. The Court orders Father to disburse to Mother the sum of \$9,256.67 on or before September 30, 2026. If the account balance of the Fidelity account today is not sufficient to pay Mother \$9,256.67, or if the account balance is zero or non-existent, the Court finds, concludes, and orders that Father is still required to pay Mother \$9,256.67 on or before September 30, 2026, in equity and fairness.

### **DEBTS**

27. **Debt.** The parties acquired debts during the marriage. Each party shall assume and hold the other harmless from liability on, the following debts:

| <i>Creditor</i>            | <i>Approx. Balance</i> | <i>Obligation of:</i> |
|----------------------------|------------------------|-----------------------|
| IHG                        | \$8,900                | Skyler                |
| JP Morgan (Chase Sapphire) | \$3,808                | Rachael               |
| MACU ***1330               | \$4,671                | Rachael               |

a. **Joint Accounts.** Neither party will incur any additional liability on joint credit cards or any joint accounts. The parties shall cooperate in closing joint credit card accounts or removing the name of the party not assuming the account within thirty (30) days of the signing of this Stipulation.

b. **Other Debts.** Any and all other debts and obligations shall be the sole and exclusive responsibility of the party who incurred the particular debt.

c. **Creditors.** The parties understand that for joint debts, upon the entering of the Decree of Divorce, the claim of a creditor remains unchanged unless otherwise provided by the contract, or until a new contract is entered into between the creditors and the debtors individually.

d. **Notification to Creditors.** For any joint debts, the parties may notify their respective creditors regarding the court's division of debts, obligations, or liabilities, and regarding the parties' separate current addresses.

e. **Delinquency in Payments.** If either party is obligated on a joint debt, the payment of that debt must remain current. A party who makes payment on a delinquent debt in order to protect his/her credit rating, may seek reimbursement of the payment of that debt in addition to interest and attorney's fees from the other party.

28. **Business Interest.** The parties have no Business Interest acquired during the marriage.

## **MISCELLANEOUS**

29. **Partial Stipulation.** The parties entered into a Partial Stipulation and Settlement Agreement on November 19, 2025, regarding Transportation and Parent-Time Exchanges, Communication, Debt, and Personal Property. Those aforementioned issues have been incorporated into these Findings of Fact and Conclusions of Law consistent with the parties' partial stipulation. As such, they are reasonable and proper to build into the Findings.

30. **Application for Effective Communication Accommodation.** At the beginning of the July 21, 2026 evidentiary hearing, the Court granted Father's request for accommodations to allow Mele Thompson to sit next to him during the hearing and to consult with him and speak for him if necessary. The Court also granted Father any additional time he needed to listen to and mentally process any information in the hearing before speaking.

31. **Motion in Limine.** As the record will reflect, during the evidentiary hearing, the Court granted Mother's Motion in Limine and therefore excluded several of the exhibits offered by Father.

32. **Motion to Reopen Evidence.** After the evidentiary hearing, Father filed a Motion to Reopen Evidence Regarding 2023 Tax Records. Mother filed an Opposition to the Motion. After full consideration, the Court found no basis to grant the Motion and therefore denied it.

33. **Mutual Restraining Order.** Both parties shall be restrained from making disparaging or derogatory remarks to one another or to their minor children about one another or in the minor children's presence, either verbally, in writing or otherwise. Both parties shall be mutually restrained from annoying, stalking, harming, harassing or threatening the other party. The parties shall not enter the residence of the other party without permission from that party.

Each party shall be restrained from posting any stories, pictures, statements about the other party on any social media sites. Both parties shall be mutually restrained from allowing third parties to do what they themselves are prohibited from doing under this paragraph and shall have the affirmative duty to use his/her best efforts to prevent third parties from such violations, or shall remove the minor children from such circumstances.

34. **Mediation.** The parties shall attend mediation prior to or subsequent with the filing of any Petition for Modification.

35. **Former Name.** An order shall be entered restoring Petitioner to her former name, should she so desire.

36. **Attorney Fees and Costs.** The Court has previously entered orders and judgments against Father requiring him to pay Mother's attorney's fees at earlier points of this case. The Court now reaffirms and ratifies those earlier points of this case. Mother now requests an award of her attorney's fees for the evidentiary hearing. An award of attorney's fees for the trial of a domestic case resulting in a divorce decree is within the Court's discretion, considering the financial circumstances of the parties and the equities of the case. In light of the awards and orders the Court has now issued from the evidentiary hearing, the Court, in equity and justice, declines Mother's request to order Father to pay her attorney's fees for matters relating to the evidentiary hearing.
