IN THE FOURTH DISTRICT COURT, UTAH COUNTY, STATE OF UTAH

In the Matter of the Children of **SAMUEL DAVID THOMPSON** Petitioner, and **TIFFANY RACHEL BECKSTRAND**, Respondent.	**DECREE OF PATERNITY, CUSTODY AND SUPPORT** Case No.: 224402761 Judge: Sean Petersen

Based on the Findings of Fact and Conclusions of Law, this Court now orders as follows:

IT IS HEREBY ORDERED

1. Samuel Thompson ("Father") and Tiffany Beckstrand ("Mother") are adjudicated the biological parents of five minor children whose names are set forth in this Court's Findings.

2. With to their oldest minor child Gregory, he shall remain living in the sole physical custody of Father in Eagle Mountain and attending school based out of Father's residence.

3. With respect to their other minor children, the parties are awarded joint physical custody consistent with Utah Code 81-9-303, with Mother designated the primary residential parent receiving 220 overnights and Father receiving 145 overnights. The

children shall attend school based out of Mother's residence in the Magna Utah area.

4. Utah Code 81-9-303 anticipates that the parent exercising overnight parent-time delivers the Children to school in the morning. The Court therefore orders a drop-off rule for school-morning exchanges. At all other times outside of the school-morning drop-off, the receiving parent provides transportation. Accordingly, when Father has an overnight on a school night, Father is responsible for delivering the younger Children to school in Magna in time for school. When Father's parent-time is starting, Father also travels to Magna to receive the younger Children. In the summertime, and on holidays that do not involve school, the receiving parent provides transportation. Mother therefore still plays a role in transportation. Either party may have another adult who is familiar with the Children provide transportation as needed.

5. The parties shall share joint legal custody of the minor Children. Should the parties disagree on any major legal-custody issue, they shall first discuss the issue with each other, then attend mediation and equally share the expenses of that mediation. If mediation does not resolve the issue, either party may seek court intervention. Mother shall have the right to choose the schools the four younger Children attend. Father shall have access to the Children's school records and the right to receive updates from each school. Mother has the obligation to notify Father of any non-emergency medical or dental appointments. Father shall have the right to attend those appointments if he chooses to do so. Each party has the obligation to promptly notify the other parent of any emergency concerning the Children.

6. Except as modified herein, the parties shall follow the standard statutory advisory guidelines (Utah Code 81-9-202 et seq.). There shall be no disparagement of the other

parent in the presence of the children. Both parties shall have equal access to the children's educational and medical records.

7. All non-emergency communications between the parties regarding the children shall be in writing via text message, email, or a co-parenting application like OurFamilyWizard. Emergency communications may be made by other means, to be confirmed in writing as soon as practicable.

8. The version of the Utah Code in effect at the time of the filing of the parentage petition excluded SSDI as income. The Court shall use zero income for Father. Mother shall be imputed at minimum wage in the amount of $1,260 per month for the months prior to August 2026, and that beginning in August 2026 Mother's income is $3,466 per month based on her working full-time grossing $20 per hour.

9. Based on the calculations performed by ORS, before September 2026 Father's child support obligation is zero. From September 2026 onwards, Mother is the obligor, so her monthly child support obligation to Father is $230/month beginning September. Because Father's obligation for support was $0 during the months the children received TANF, ORS will not recover any money from him.

10. Both parents shall provide health care coverage, as defined by Utah Code Section 81-6- 101, for the medical expenses of the child.

11. If insurance for medical and dental expenses is available or becomes available to either parent at reasonable cost, and is accessible to the child, the parent(s) shall be responsible for maintaining insurance for their child. If at any point in time, the child is covered by the health, hospital, or dental insurance plans of both parents, the health, hospital, or dental insurance plan of the father shall be primary coverage for the child and

the health, hospital, or dental insurance plan of mother shall be secondary coverage for the child. If a parent remarries and the child is not covered by that parent's health, hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the child.

12. Both parents shall provide cash medical support by equally sharing all reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for the child, including deductibles and copayments.

13. Both parents shall share equally the out-of-pocket costs of the child's portion of the premium actually paid by the parent who maintains the insurance.

14. Written verification of insurance enrollment, medical, and dental insurance premiums and any change in coverage or premiums shall be provided to the Office.

15. Unless and until verification is provided to the Office, no credit will be given by the Office.

16. If child-care expenses are incurred, the parents shall share equally all reasonable monthly work-related child care expenses.

17. The parent(s) shall notify the Office of any change in residence, employment, income or custody.

18. The family received TANF from the months of July 2025 to April 2026, and the mother assigned her right to collect support during those months to the State of Utah. The Court finds that father owes the state for support during those months; however, because his obligation during those months was $0.00, the State shall not collect any money from

him for that obligation.

END OF ORDER

NOTICE OF ELECTRONIC FILING

This order, once signed by a judicial officer, will bear the judge's electronic signature, date of signature, and the seal of court at the top of this document.
