Attorney for Petitioner

IN THE FOURTH JUDICIAL DISTRICT COURT
IN AND FOR UTAH COUNTY, STATE OF UTAH

In the Matter of the Marriage of ASHLEY MARIE FOURR, Petitioner, and BRADY PAUL FOURR, Respondent.	**DECREE OF DIVORCE** Case No. 264402124 Judge Sean Petersen Commissioner Dustin Hardy

This matter came before the Court on Petitioner's Verified Petition for Decree of Divorce. Respondent having been duly served and having failed to answer or appear, and the Court having entered Respondent's default on August 20, 2026, and having entered its Findings of Fact and Conclusions of Law, and being fully advised, now enters its Decree.

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED as follows:

1. **Divorce granted.** The bonds of matrimony between Petitioner Ashley Marie Fourr and Respondent Brady Paul Fourr are dissolved and the parties are awarded a Decree of Divorce on the ground of irreconcilable differences, to become final upon entry.

2. **Custody.** Petitioner is awarded sole legal custody and sole physical custody of the parties' four minor children, G.F., L.F., J.F., and C.F.

3. **Parent-time.** Respondent shall exercise parent-time with G.F. pursuant to the minimum schedule in Utah Code Ann. Section 81-9-302, and with L.F., J.F., and C.F. pursuant to the age appropriate minimum schedule in Utah Code Ann. Section 81-9-304, under which the youngest child receives daytime parent-time without overnights and parent-time increases with age.

4. **Conditions of parent-time.** As a condition of parent-time, Respondent shall not consume alcohol or any non-prescribed controlled substance during his parent-time or within eight hours before it begins, shall take prescription medication only as prescribed to him, shall not transport the children after any such use, and shall not expose the children to the use of alcohol or controlled substances.

5. **Reservation.** Petitioner's right to seek supervised, restricted, or modified parent-time upon a substantial change in circumstances or a showing that restriction is necessary to protect the children is expressly reserved.

6. **Transition as the children age.** The parent-time schedule shall adjust automatically as the children age, without any further motion, petition, or order. As each child under five advances through the age bands in Utah Code Ann. Section 81-9-304, that child's parent-time shall increase as provided in that statute, and upon each child attaining five years of age that child's parent-time shall transition automatically to the minimum schedule in Utah Code Ann. Section 81-9-302. This provision is self-executing.

7. **Synchronization onto one schedule.** Once the youngest child attains three years of age, Respondent's parent-time with all of the minor children shall be exercised together on the minimum schedule in Utah Code Ann. Section 81-9-302. Until then, any child five or older shall follow the Section 81-9-302 schedule and any child under five shall follow the Section 81-9-304 schedule, with exchanges coordinated so that overlapping parent-time occurs concurrently to the extent practicable.

8. **Holidays and continuing conditions.** While the children are on different schedules because of their ages, the holiday and extended parent-time schedule applicable to the oldest child under Section 81-9-302 shall govern for all of the children, so that the children are together during holiday and extended parent-time, except that no child shall have overnight or extended parent-time before it is appropriate for that child under Section 81-9-304. The substance related conditions and Petitioner's reserved right to seek restriction continue to apply under both schedules.

Parenting Plan.

The parties shall comply with the following parenting plan:

a. Significant Events. Each party shall give special consideration to make the children available to attend family functions including funerals, weddings, family reunions, religious holidays, important ceremonies, and other significant events in the lives of the children or in the life of either party.

b. Contact Information. Each party shall provide the other with his or her current address, telephone number, email address, and other virtual parent-time access information within 48 hours of any change.

c. Access to Records. Both parties shall have direct access to all school reports, daycare reports, and medical records and shall notify the other party promptly in the event of a medical emergency involving a child in their custody.

d. Emergency Contacts. Both parties shall work to ensure that they are listed as emergency contacts on the children's school and childcare records.

e. Parental Communication. All communication between the parties shall be civil and respectful, shall avoid name calling and confrontational, accusatory, or harassing tone, and shall be reasonable in number and frequency.

f. Transportation and Exchanges. Transportation shall be provided by the parent whose parent-time is ending. The parties shall use curbside exchange. The receiving parent shall not approach the other parent's vehicle or home, and contact shall be limited to necessary information about the children.

g. Communication Through Children. The parents shall not use the children or any third party as messengers to communicate with each other.

h. Telephone and Virtual Contact. Each parent shall permit the children to have reasonable telephone and virtual contact with the other parent during their respective parent-times.

i. Notification of Children's Events. Both parties shall share school and activity information not otherwise available through the school calendar or email and shall notify each other of programs, activities, and events.

j. Surrogate Care. Each parent shall exchange the name, address, and telephone number of all surrogate care providers.

k. Day to Day Decisions. During each party's parent-time, day to day decisions shall be made by the party then caring for the children.

l. Emergencies. Either parent may make emergency decisions affecting the health, safety, or welfare of the children while in that parent's care, and shall notify the other parent as soon as possible.

m. Prohibited Materials and Substances. Neither party shall expose the children to alcohol use, illegal drug use, illegal activity, abusive relationships, sexual behavior, or pornographic material.

n. Prohibited Individuals. The parents shall not leave the children alone with any individual who may pose a risk to the children's health and safety, including any violent felons, sex offenders, or known drug users.

o. No Overnight Guests. Neither parent may have an overnight romantic guest of the opposite sex to whom they are not married or related by blood while the children are in that parent's care.

p. First Right of Refusal. If the parent exercising parent-time will be away from the children for a period longer than four consecutive hours, that parent shall first offer the other parent the opportunity to care for the children. This right applies only to the parents and not to extended family or third parties.

q. Mutual Restraining Order. Each party is restrained from speaking in a disparaging, condescending, or disrespectful manner concerning the other party in the presence of the children, and shall use best efforts to prevent third parties from doing so, including on any social media platform.

r. Travel. Whenever the children travel outside of Utah for more than 24 hours, the traveling parent shall provide the other parent with an itinerary, contact information, and locations where the children or that parent can be reached.

9. **Child support.** Respondent shall pay Petitioner base child support of $3,590.00 per month for the four minor children, in accordance with the attached Child Support Worksheet and Utah Code Ann. Sections 81-6-102, 81-6-204, and 81-6-205. Support shall be paid through income withholding as provided by Utah Code Title 81, Chapter 7 and applicable law. Support shall continue as to each child under Utah Code Ann. Section 81-6-213 until the child turns 18 or graduates from high school, whichever is later, or until the child is otherwise emancipated.

10. **Children's health care and child care.** Respondent shall maintain medical and dental insurance for the children if available at reasonable cost under Utah Code Ann. Section 81-6-208. The parties shall equally share the children's portion of the premium and all reasonable uninsured and unreimbursed medical, dental, and mental health expenses for the children, subject to the 30 day verification requirement. The parties shall equally share work or education related childcare under Utah Code Ann. Section 81-6-209.

11. **Petitioner's health insurance.** Respondent shall maintain health insurance for Petitioner, or pay the cost of comparable coverage, until Petitioner obtains employment providing reasonably comparable coverage or until further order of the Court.

12. **Vehicles.** Petitioner is awarded the 2023 Ford Expedition. Respondent shall pay one-half of each monthly loan payment until the loan is refinanced, satisfied, or otherwise

allocated by further order of the Court, and Petitioner shall use reasonable efforts to refinance the loan into her name when able. Respondent is awarded the 1966 Ford F-150.

13. **Bank accounts.** Petitioner is awarded the parties' joint Navy Federal account. Each party is otherwise awarded the accounts held in his or her own name.

14. **Retirement and stock.** Petitioner is awarded one-half of the marital portion of Respondent's Meta Platforms 401(k) account (ending 1355) by Qualified Domestic Relations Order, and one-half of the marital portion of Respondent's Meta Platforms restricted stock units held at Charles Schwab, valued as of entry of this Decree, by appropriate order or transfer. Respondent is awarded the remaining one-half of each account. The parties shall cooperate in the preparation and entry of any order necessary to divide these accounts.

15. **Personal property.** Each party is awarded the personal effects and belongings in his or her possession. Home furnishings, decor, and electronics are awarded to the party in possession unless the parties agree otherwise in writing.

16. **Debts.** Respondent shall pay and be solely responsible for the parties' joint credit card debts, including the Navy Federal account (ending 0076) and the American Express account (ending 1002), and shall indemnify and hold Petitioner harmless from those debts. Except as otherwise ordered, each party shall be responsible for debts incurred in his or her own name after the date of filing and shall indemnify and hold the other harmless. Neither party shall encumber or impair the other's credit. The parties shall comply with Utah Code Ann. Sections 15-4-6.5 and 15-4-6.7.

18. **Life insurance.** Respondent shall maintain existing life insurance benefiting Petitioner or the children, shall not impair that coverage, and shall maintain life insurance sufficient to secure his child support and alimony obligations, naming Petitioner and the children as irrevocable beneficiaries to the extent necessary, and shall provide proof of coverage upon entry of this Decree and on reasonable request.
