| IN THE MATTER OF THE MARRIAGE OF:<br><br>ROBERT MICHAEL GREEN,<br><br>Petitioner,<br><br>AND<br><br>HILLORI KNAPHUS GREEN,<br><br>Respondent. | **DECREE OF DIVORCE**<br><br>Case No. 264402488<br><br>Judge: Ryan Stack<br>Commissioner: Dustin Hardy |

BASED UPON the Verified Petition for Decree of Divorce, Stipulation and Property Settlement Agreement (the "Agreement") on file with the Court and fully incorporated herein by reference, the Affidavit of Jurisdiction and Grounds, and the Court, having previously entered Findings of Fact and Conclusions of Law, and being fully advised in the premises;

**IT IS HEREBY ORDERED, ADJUDGED AND DECREED:**

**1.** The parties are awarded a Decree of Divorce based upon the grounds of irreconcilable differences, the same to be final upon entry.

**CUSTODY/CHILDREN**

**2.** **Legal Custody/Parenting Plan.** The parties are awarded joint legal custody of the minor child subject to the following Parenting Plan:

**a.** The parties shall exchange information concerning the health, education, religious upbringing and welfare of the minor child and confer before making any decisions concerning this area.

**b.** Each party shall have the right to make day to day and emergency decisions when the child is with that parent. If there is an emergency involving the child, the party having to make the emergency decision shall let the other parent know of the decision as soon as reasonably possible.

**c.** Each party shall have access to the child's education and medical records and shall be listed as emergency contacts. Each party will be responsible for knowing the minor child's school calendar, events, or any activities that are posted online.

**d.** The parties shall be mutually restrained from speaking negatively about the other parent to or in the presence of the minor child. If the parties are aware that any third party is speaking negatively about the other parent to or in front of a minor child, they shall have an affirmative duty to remove the minor child from that situation. The parties shall be mutually restrained from threatening, name

calling, or otherwise degrading the other party and from enmeshing the minor child in any conflict between the parties.

**e.** If, after meaningful discussion, the parties cannot come to a mutual decision regarding any major decision involving the child (e.g. medical care, education, and religious upbringing), the parties shall consult with experts in the field and if they still cannot agree, they shall attend mediation prior to litigating the issue with each party paying one-half of the cost of mediation.

**f.** Each party shall have the right to provide care for the minor child if the other party is not personally available for a period of overnight or longer.

**g.** For emergency purposes, whenever the child travels with either parent, all of the following shall be provided to the other parent:

i. An itinerary of travel dates;

ii. Destinations; and

iii. Places where the child or traveling parent can be reached.

**h. Educational Plan.**

i. The minor child will continue to attend her current school.

ii. If the parties cannot come to an agreement on educational decisions for the minor child, they will follow the advice of the minor child's educators.

iii. Each party shall have access to the child at school during his or her parent-time, and each shall have the right to attend any school events for the child regardless of parent-time.

**3.** **Physical Custody.** The parties are awarded joint physical custody of the minor child pursuant to Utah Code § 81-9-305 except that given the age and maturity of the minor child, the parties will allow the minor child to work out parent-time with each parent including holidays.

**4.** **Child Support.** For purposes of calculating child support, Petitioner is employed and earns $20,554 in gross monthly income. Respondent is unemployed but agrees to be imputed minimum wage of $1,257.00 per month. Based upon the joint physical custody worksheet, with 182 overnights for Petitioner and 183 overnights for Respondent, Petitioner's monthly child support obligation will be $797 per month.

**5.** Unless the Court orders otherwise, support for the child terminates at the time: (1) the child becomes 18 years of age or has graduated from high school during the child's normal and expected date of graduation, whichever occurs later; or (2) the child dies, marries, becomes a member of the armed forces of the United States, or is emancipated. The child support is payable one-half on the 5th day of each and every month, and one-half on the 20th day of each month.

**a.** Income Withholding. The party receiving child support is entitled to immediate and automatic withholding of income as a means of collecting child support, pursuant to Utah Code §26B-9-303.

**b.** Adjustment of Child Support. A child support order may be adjusted pursuant to Utah Code §26B-9-221.

**6.** **Child Care Expenses.** There are no child care expenses.

**7.** **Medical Expenses.** In accordance with Utah Code §81-6-208, the parties shall provide and maintain medical insurance for the minor child if it is available at a reasonable cost.

Petitioner agrees to pay the health insurance premiums for all of the children (minor and adult children) through December of 2026. Beginning in January of 2027, the parties shall share equally in the cost of the minor child's medical insurance and out-of-pocket medical, dental, and therapeutic expenses. If at any point in time the child is on health insurance plans of both parties, Petitioner's health insurance plan shall be primary and Respondent's health insurance plan shall be secondary. The child's portion of the medical insurance is a per capita share of the premium actually paid. The premium expense for the child shall be calculated by dividing the premium amount by the number of persons covered under the policy and multiplying the result by the number of children in the instant case.

**8. Extracurricular Activities.** The parties shall share equally in the cost of any extracurricular activities for the minor child provided the activity has been previously agreed to in writing.

**9. Educational Expenses and Phone Expenses.** The parties shall share equally any required education expenses incurred for the minor child. The parties shall equally share in the minor child's cell phone bill through her graduation.

**10. 2026 Taxes.** The parties shall file separate tax returns for 2026. Petitioner may claim the minor child for tax purposes. Respondent will execute IRS Form 8332.

**PROPERTY**

**11. Real Property.** During the marriage, the parties acquired real property located at: 887 S. 1540 E., Springville, Utah 84663 (the "Marital Home"). Respondent is awarded the exclusive use and possession of the Marital Home and Petitioner will move out upon the entry of the Decree in this matter. The parties shall list the Marital Home for sale by July 1, 2027. Until the

home is sold, Petitioner shall pay the mortgage, taxes and insurance on the Marital Home and deduct the payment from his alimony payment to Respondent. Respondent shall pay the utilities.

**12.** The parties shall list the home with an agreed upon realtor. If the parties cannot agree on a realtor, Respondent will provide Petitioner with three names and Petitioner will choose a realtor. If the parties are unable to agree on a listing price or terms of sale, the parties shall follow the recommendation of the realtor. Once the Marital Home is sold, the proceeds shall be used to pay off the mortgage, pay the realtor fees and any fees associated with the cost of sale (e.g. closing costs), and the remaining proceeds shall be divided equally between the parties.

**13.** Respondent shall not have any third parties move into the Marital Home with the exception of her mother who may stay temporarily. Respondent shall not make any major changes to the Marital Home and once it is listed for sale will maintain it in showable condition and make it available for showings. Petitioner shall maintain the landscaping on the Marital Home until it is sold. Respondent shall not acquire any new pets during the time she is in the Marital Home.

**14.** **Personal Property.** Each party shall be awarded his or her premarital property, clothing and personal effects. Respondent shall be awarded the dog, her horse, her horse trailer and horse tack. The parties shall work together to divide their remaining personal property and furnishings. If they are unable to do so by the time Petitioner moves out of the Marital Home, the parties shall return to mediation and if they cannot agree on a division after two hours, the mediator will take on the role of arbitrator and decide how personal property shall be divided.

**15.** The parties own the following bank accounts which shall be divided equally (50% to each) as of 10.23.26. The parties shall work together to divide these accounts within two business days of signing this Agreement:

**a.** MACU x8003 Joint account (including all sub-accounts) with a total approximate value of $838.00 as of 10.23.26;

**b.** MACU x7367 Petitioner's name only with a total value of approximately $9,237 as of 10.23.26;

**16.** All other bank accounts held solely in a party's name shall be awarded to the party whose name is on the account free and clear of any claim by the other party.

**17.** Each party shall be entitled to one-half (50%) of the MAIOR AI and Berry AI stock options and, if any, dividends. If the actual stock options cannot be divided, then at such time as Petitioner cashes out the stock options, Respondent is entitled to 50% of the net proceeds (less taxes paid by Petitioner on the sale of the stocks). Petitioner has an affirmative duty to notify Respondent of any sale of stock or dividends received within one week of a sale or dividend received. If Petitioner is found by the court to have failed to do so in bad faith, the Court may impose appropriate sanctions.

**18.** The parties' vehicles will be divided as follows:

**a.** Petitioner shall be awarded the 2011 Toyota Camry (value of $4,640). There is no liability on this vehicle.

**b.** Respondent shall be awarded the 2019 Chevy Suburban (value of $2,000 with no loan) and 2019 Chevy Suburban (Value of $26,000) subject to the loan of approximately $27,550. Respondent shall refinance the loan on the 2019

Suburban to remove Petitioner from the loan within 90 days of the entry of the Decree of Divorce.

**a.** Petitioner shall pay the following loans:

ii. Chase Bank credit card x8933 approximate amount owed of $3,938;

**b.** Respondent shall pay any loans exclusively in her own name except as otherwise stated herein;

**c.** The parties shall each pay 50% of: the Dental debt (Trapnell) of $1,236, Dental debt (Warren) of $7,525, and Dental debt (Springville Dental) of $573.

**20.** The parties shall hold the other harmless on any debt as he or she is ordered to pay herein.

**21.** **Business:** Petitioner shall be awarded his LLC including all assets and subject to all liabilities.

**22.** **Alimony.** Petitioner shall pay Respondent alimony for a period of eighteen (18) years or until Respondent remarries, cohabitates or passes away, as follows:

**a.** Beginning November 1, 2026 until the home sells, Petitioner shall pay Respondent $6,500.00 per month (less any ordered child support);

**b.** Beginning the month following the sale of the house, and continuing for the remaining length of alimony, Respondent shall pay Petitioner $6,200.00 per month (less any ordered child support);

**c.** Once Petitioner no longer has a child support obligation, his alimony payments shall be $6,200.00 per month unless otherwise ordered by the court; and

**d.** Alimony payments shall be due one-half by the 5th and one-half by the 20th of each month.

**23.** Alimony may be modified pursuant to Utah law.
