22. Activity Costs. Each party shall be ordered to assume and be responsible for fifty percent (50%) of any out-of-pocket amount incurred for any mutually agreed-upon in writing extracurricular activities that the minor children may be involved in. c. The parent who incurs medical and dental expenses may provide written verification of the cost and payment of medical and dental expenses to the other parent within 30 days of payment. The other parent will remit payment within 30 days of receipt of the verification. If neither party is able to secure said insurance at a reasonable cost, each party shall be responsible for the payment of one-half of

all reasonable and necessary medical and dental expenses for the minor children as indicated.

d. If, at any point in time, the dependent children are covered by the health, hospital, or dental insurance plans of both parents, the health, hospital, or dental insurance plan of Mother shall be primary coverage for the dependent children and the health, hospital, or dental insurance plan of Father shall be secondary coverage for the dependent children. If a parent remarries and his or her dependent children are not covered by that parent's health, hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the dependent children.

e. Double coverage shall not be required. However, if the parties have double coverage for insurance, each party shall pay their own insurance policy premium with no compensation from the other party.

a. While there are three minor children, the parties will alternate the dependency exemption/tax credit for the minor children. Mother will claim 2 oldest children in odd-numbered tax years and the oldest child for even-numbered tax years and Father will claim 2 youngest children in even-numbered years and youngest child for odd-numbered tax years.

b. While there are two minor children, the parties will each receive one child as a dependency exemption/tax credit. Mother will claim the oldest child and Father will claim the youngest child.

c. When there is only one minor child, the parties will alternate the dependency exemption/tax credit for the minor child. Mother will be entitled to claim the minor child as a dependency exemption/tax credit for odd-numbered tax years, and Father will claim the minor child as a dependency exemption/tax credit for even-numbered tax years.
