Attorney for Robyn Denson

IN THE FOURTH DISTRICT COURT IN AND FOR UTAH COUNTY, STATE OF UTAH

In the Matter of the Marriage of: **ROBYN DENSON (fka Robyn Gibbons Evans),** Petitioner, and **KENNETH WAYNE DENSON,** Respondent.	**DECREE OF DIVORCE** Case No. 264402659 Judge: Hon. Ryan Stack Commissioner: Marian Ito

The Court, having entered its Findings of Fact and Conclusions of Law and approved the parties' executed agreements, ORDERS, ADJUDGES, AND DECREES:

1. Divorce. The marriage between Robyn Denson ("Robyn") and Kenneth Wayne Denson ("Ken"), solemnized on May 17, 2025, is dissolved on the ground of irreconcilable differences. This divorce becomes absolute upon the Court's signing of this Decree and the clerk's entry in the register of actions.

2. Children. No custody, parent-time, or child-support order is entered. There are no minor children of this marriage, and none are expected.

3. Antenuptial Agreement preserved. The Antenuptial Agreement identified in its opening paragraph as made May 15, 2025 ("Prenuptial Agreement") is incorporated by reference and remains binding, including its provisions governing separate property, earnings, retirement, debts, taxes, and enforcement. The parties shall comply with it. The parties' Stipulation and Property Settlement Agreement is approved. An express provision of that agreement or this

conforming Decree modifies the Prenuptial Agreement only to the stated extent. All other terms remain effective notwithstanding integration, merger, or full-settlement language.

4. Effective Date. The Effective Date for the settlement's deadlines and payment credits is October 27, 2026 as fixed by the parties' executed Stipulation The deadlines below run from that date. Entry of this Decree does not restart those periods.

5. Financial and banking accounts. The completed division of the parties' financial and banking accounts is approved and confirmed. Each shall retain the funds distributed to that party and the accounts allocated to that party, free from further claim by the other arising from that division. Each shall cooperate in removing the other from a divided joint account or closing it after pending transactions have cleared.

6. Ken's separate personal property. Ken is awarded the separate personal property he has already received and taken from the residence, free from any claim by Robyn. No further delivery of that separate property from the residence is required.

7. Other separate property and retirement. Except as expressly provided for the tractor and mower, each party is awarded that party's separate property, personal belongings, business interests, earnings, investments, and retirement interests as provided in the Prenuptial Agreement, free from any claim by the other. Each shall execute documents reasonably necessary to implement the property and retirement provisions.

8. Robyn's separate residence and house repairs. The residence at 2001 North 1210 West, Pleasant Grove, Utah 84062, remains Robyn's sole and separate property, including all equity, appreciation, and other interests. Ken relinquishes every claim to ownership, equity, or reimbursement against it. Robyn shall be solely responsible for the mortgage and other obligations associated with the residence, including house repairs, and shall indemnify and hold

Ken harmless from those obligations. Ken shall execute documents reasonably necessary to confirm Robyn's separate ownership without imposing additional personal liability on him.

9. Debts in separate names. Except as otherwise expressly provided in this Decree or specifically allocated by the Prenuptial Agreement, each party shall assume and timely pay all debts in that party's separate name and indemnify and hold the other harmless, including amounts the other is required to pay on the responsible party's behalf. Neither shall incur new debt in the other's name or on the other's credit.

10. Ken's truck and release of Robyn. Ken is awarded the GMC Denali Ultimate truck as his sole and separate property and shall be solely responsible for the entire associated debt notwithstanding Robyn's status as co-signer. Within ninety (90) calendar days after the Effective Date, Ken shall refinance the debt solely in his name, pay it in full, or otherwise obtain the lender's written release of Robyn from all liability. An application for refinancing or an assumption of payments alone does not satisfy this requirement.

11. Truck payment and proof of release. Ken shall provide Robyn written confirmation of the payoff or lender release promptly upon completion and no later than the ninety-day deadline. Until her release, and thereafter as to any remaining obligation allocated to him, Ken shall timely pay every installment and all interest, fees, and other charges. Ken shall indemnify, defend, and hold Robyn harmless from the truck debt and any collection claim arising from it, and reimburse any amount she is required to pay. Inability to qualify for refinancing does not extend the deadline absent a further written agreement signed by both parties.

12. Debt associated with Heidi Denson. Ken shall be solely responsible for the debt arising from his joint account with Heidi Denson and shall indemnify and hold Robyn harmless from it.

13. Robyn's specifically allocated debts. Robyn shall be solely responsible for the Citizens Bank mountain-bike loan; her school loans, including graduate-school and Aidvantage loans; the American Express personal loan in her separate name; and house-repair obligations. She shall timely pay these obligations and indemnify and hold Ken harmless. The bicycle remains Robyn's separate property.

14. Sheffield tractor and mower debt. Each party shall be responsible for fifty percent (50%) of the Sheffield loan covering the tractor and mower, subject to immediate application of tractor-sale proceeds and the payment credits below. This equal allocation is an express exception to allocating secured debt solely to the party retaining the collateral. The lender's current records, rather than an estimate in a financial declaration, establish the amount due.

15. Immediate tractor sale. The tractor shall be sold immediately. The parties shall promptly obtain a current payoff statement and any lender consent or lien-release instructions required for sale, immediately offer the tractor at a reasonable market price, and cooperate in showing, selling, and transferring it. Neither shall unreasonably withhold approval of a commercially reasonable offer or delay the sale. No sale shall dispose of the mower. The parties shall cooperate with the lender if a shortfall must be funded at closing to obtain a lien release.

16. Application of tractor-sale proceeds. All tractor-sale proceeds shall be applied immediately to the remaining Sheffield loan balance, preferably by direct payment from the purchaser or closing agent to Sheffield. Neither party may retain or divert those proceeds. Any sale expense to be paid separately by the parties must be approved by both in writing and shared equally. If proceeds exceed the entire payoff, any surplus shall be applied to the remaining balance for the mower. Any surplus remaining thereafter shall be divided equally.

17. Remaining Sheffield balance and 180-day payoff. After crediting all tractor-sale proceeds, each party shall pay one-half of the remaining Sheffield loan obligation, including ordinary interest accruing through payoff. The remaining obligation shall be paid within one hundred eighty calendar days after the date the tractor is sold, with each contributing that party's one-half by that deadline. Delay in sale does not extend the deadline unless both parties agree in a signed writing. If the lender requires payment of a shortfall at the sale closing, each party shall provide one-half of that required shortfall at closing.

18. Interim Sheffield payments and accounting. Until the Sheffield loan is paid in full, each party shall timely contribute one-half of every required installment so the account remains current. Payments by either party after the Effective Date, including payments at closing, shall be credited toward that party's one-half share without double counting. A party whose failure to pay causes an avoidable late charge or default cost shall bear it. Each shall promptly provide the other loan statements, payment receipts, sale documents, and final payoff confirmation sufficient to reconcile the equal shares.

19. Mower awarded to Robyn. The mower is awarded to Robyn as her sole and separate property, free from any ownership claim by Ken. Retention of the mower does not increase Robyn's fifty-percent share of the Sheffield obligation or reduce Ken's share. Upon payoff, the parties shall cooperate in obtaining and delivering any lien release affecting the mower.

20. Creditors and indemnification. These allocations govern the parties' duties to one another and do not themselves release either from a creditor's contract or lien. The parties shall notify their respective creditors and obligees of the court-ordered allocation and their separate current addresses, including service of a copy of this Decree as required by Utah Code §§ 81-4-

406(3)(a)–(c) and 15-4-6.5. Each shall cooperate in providing that information. A party paying an obligation allocated to the other may seek reimbursement and enforcement, subject to applicable agreed notice-and-cure terms.

21. Alimony. No alimony is awarded to either party. Each party's express waiver of temporary, past, present, and future alimony against the other is approved as part of the settlement.

22. Name restoration. Robyn may return to her previous name of Robyn Evans, should she so choose to do so.

23. Attorney fees and enforcement. Each party shall pay that party's separately incurred attorney fees and costs in this action through entry of this Decree. No accrued fee issue remains reserved.

24. Disclosure and undisclosed assets. The parties' full-disclosure representations are approved. If a party is later shown to have failed to disclose an asset, the other may seek an award of that asset as provided in the settlement and applicable law. No undisclosed asset is automatically transferred by this paragraph; any disputed award requires appropriate notice and a court determination.

25. Cooperation and further documents. Each party shall promptly execute and deliver documents reasonably necessary to implement the settlement, the Prenuptial Agreement, and this Decree. Further contractual amendments must be in a writing signed by both parties with any acknowledgments required by the Prenuptial Agreement. A contractual amendment does not itself amend this Decree; any necessary change to the Court's orders must be presented to the Court.

26. Life insurance and annuity beneficiaries. Based on each party's sworn statement, the Court acknowledges, for each party who owns a life insurance policy or annuity contract, that the party has reviewed and updated, where appropriate and lawfully permitted, the beneficiary list; affirms that those listed are the intended beneficiaries after the divorce becomes final; and understands that, if no changes are made, those listed will receive funds payable under the policy or contract. This paragraph implements Utah Code § 81-4-406(3)(d) and does not independently require either party to insure the other or alter a preserved contractual obligation.

27. Complete settlement and continuing enforcement. The settlement fully resolves the pending divorce action, subject to the provisions preserved in this Decree. No admission or finding of fault or wrongdoing is made. The parties' waiver of construction against the drafter remains effective. The Court retains authority to enforce this Decree, including the debt-allocation, indemnification, and document-execution provisions through procedures authorized by law.

28. Entry and service. The Rule 109 domestic relations injunction terminates upon final entry as provided by Rule 109(f). Counsel preparing this Decree shall promptly serve the signed Decree on Respondent's counsel and file proof of service under Rule 58A(g).
