c. Summer Parent-Time. Each parent is entitled to two (2) weeks of uninterrupted summer parent-time during the summer months, when school is not in session (neither party will have the children for more than 14 consecutive days). In calendar years ending in an even number, Derek shall notify Allison in writing of the dates he will be exercising his summer parent-time by May 1st and Allison shall notify Derek in writing of the dates she will be exercising her summer parent-time by May 15th. In calendar years ending in an odd number, Allison shall notify Derek

in writing of the dates she will be exercising her summer parent-time by May 1st and Derek shall notify Allison in writing of the dates he will be exercising his summer parent-time by May 15th. If the party with first option doesn't provide written notice by May 1st, the other parent shall be entitled to first option. The summer parent-time cannot interfere with the other parent's holiday parent-time.

12. First Right of Refusal. Each parent will have first option to provide care for the minor children over any other third party if the parent responsible for the minor children is not available for a period of four (4) hours or longer during their custodial time and the other parent is personally available and willing to provide the care and the transportation.

13. Transportation. Transportation for parent-time exchanges shall be as the parties agree. If the parties are unable to agree, parent-time exchanges shall be as follows:

a. A party exercising the first right of refusal shall provide the transportation both directions.

b. Parent-time exchanges shall occur at the minor children's school when school is in session if possible. When school is not in session or when doing exchanges at school is not possible, the party beginning parent-time shall provide the transportation for the parent-time exchange, which shall occur at the other parent's residence.

14. Parenting and Educational Plan. The parties agree to adopt the following Parenting and Educational Plan provisions:

a. The children will continue to attend their current schools through graduation, unless the parties agree otherwise.

b. Both parties will be listed on and have access to the minor children's school, church, medical and other records and both parties shall be included as the parents on such records. As joint legal custodial parents, it is the responsibility of each parent to contact the minor children's school, coaches, teachers, doctors, dentists, church leaders, etc. in which the minor children are involved to establish their own relationship and have notices of significant school, social, sports, and community functions in which the minor children are participating or being honored sent directly to each parent. Both parties shall be entitled to attend and participate fully. If one parent receives notice that the other parent would not have access to, the party receiving said notice shall notify the other parent within twenty-four (24) hours of receiving the notice;

c. The parties shall each obtain their own information regarding the minor children's schoolwork, school schedule, medical and dental treatment, counseling, emotional needs, accomplishments, and other information;

d. The parties shall notify the other parent of injury or illness as soon as reasonably possible involving the minor children;

e. The parties shall provide each other with the names and telephone numbers of teachers and others who work with the minor children at school, medically, or otherwise so that each party can initiate their own relationship with these professionals;

f. The parties shall share information relating to doctor or dentist appointments, sports, special lessons, new skills, new language development, discipline challenges, etc., regarding their minor children;

g. When a parent leaves the minor children in the care of a third-party caregiver, the name

and contact information of the other parent will be provided to the caregiver. Additionally, the other parent shall be provided the name and contact information of the caregiver;

h. The parties shall notify the other parent of any change of address, email address, cell phone number and telephone number within twenty-four (24) hours of the change;

i. The parent who has the minor children in his/her care may make minor day-to-day decisions regarding the minor children without having to consult with the other parent;

j. For emergency purposes, whenever the minor children travel overnight or longer, the parent arranging the travel shall provide the other parent with an itinerary of travel dates, destinations, and places where the minor children can be reached;

k. The parties agree to work together in a reasonable manner to accommodate each other and to provide the minor children consistency and stability;

l. Special consideration should be given by each parent to make the minor children available to attend family functions including funerals, weddings, family reunions, religious holidays, important ceremonies, and other significant events in the life of the minor children or in the life of either parent which may inadvertently conflict with the parent-time schedule;

m. Each parent should permit and encourage, during reasonable hours, reasonable and uncensored communication/virtual parent-time with the minor children. The parent with the minor children in his/her care will not interfere with the virtual parent-time;

n. The parties agree that they will not put the minor children in the middle of their disputes;

o. The parties will not discuss with the minor children or in the minor children's presence adult issues, including the parties' legal proceedings or financial related issues of the parties;

p. The minor children will not be used as messengers between the parents;

q. The parties shall maintain safe and appropriate sleeping and living accommodations for the minor children;

r. Each party will have adequate clothing for the minor children at his/her residence;

s. Neither parent should question the minor children about the other parent's activities, personal relationships or how the other parent spends his/her time or money;

t. The parties will not ask the children to keep secrets from the other parent;

u. Each parent shall be supportive and respectful of the other parent in the presence of the minor children;

v. Both parties should be restrained from saying or doing anything that would tend to diminish the minor children's love and affection for the other parent. This includes any comments about the other parent's actions that may be construed as having a negative impact on the other parent's relationship with the minor children;

w. The party with the minor children in his/her care shall be responsible for ensuring the minor children's homework is complete and transporting the minor children to and from school on time;

x. Communication regarding the minor children shall be directly between the parents and shall not involve third parties;

y. Both parents shall have access to the minor children during school hours and the authority to check the minor children out of school during his/her custodial time for emergency purposes or necessary appointments; and,

z. The parties will make joint decisions regarding substantial or significant issues affecting the minor children including but not limited to the minor children's education, medical care, dental care, religious upbringing, counseling, and other major parenting issues. After discussing the issue and researching solutions, if the parties cannot reach an agreement on a major issue regarding the minor children, they shall meet with an expert in the field of the dispute. After meeting with an expert in the field of the dispute, if the parties are still unable to agree, the parties will schedule and attend mediation, with both parties paying half of the costs, before seeking court intervention.

15. Divorce Education and Orientation Class. The parties shall each complete the Divorce Education and Orientation Class as required by the State of Utah within fourteen (14) days of the signing of the Stipulation, if they have not already done so and shall provide one another with a copy of the certificate of completion of the class.

16. Child Support. Derek's gross monthly income is $10,000.00. Allison's gross monthly income is $9,000.00. Based on the joint child support worksheet for four (4) minor children, Derek is obligated to pay Allison $108.00 per month in child support. However, given that Allison's obligation to reimburse Derek her share of the children's monthly health insurance premiums for the children is higher than the child support amount, Derek will not be required to pay Allison child support as long as he is providing health insurance for the minor children.

17. Child Care Expenses. In accordance with Utah Code §81-6-209, the child support order shall require that each parent share equally the reasonable work-related child care expenses of the parents, unless the parties mutually agree otherwise in writing.

a. If an actual expense for child care is incurred, a parent shall begin paying his/her share on a monthly basis immediately upon presentation of proof of the child care expense, but if the child care expense ceases to be incurred, that parent may suspend making monthly payment of that expense while it is not being incurred without obtaining a modification of the child support order.

b. In the absence of a court order, a parent who incurs child care expense shall provide written verification of the cost and identity of a child care provider to the other parent upon initial engagement of a provider and thereafter on the request of the other parent.

c. In the absence of a court order to the contrary, the parent shall notify the other parent of any change of child care provider or the monthly expense of child care within thirty (30) calendar days of the date of the change.

d. In addition to any other sanctions provided by the court, a parent incurring child care expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if the parent incurring the expenses fails to comply with subsections ‘b’ and ‘c’.

18. 2**Medical/Dental Expenses**. In accordance with Utah Code §81-6-208, a parent shall provide and maintain medical and dental insurance for the minor children if it is available to them at reasonable cost and is accessible to the children.

a. 3Each parent shall share equally the out-of-pocket costs of the premium actually paid by a parent for the minor children’s portion of insurance. The minor children’s portion of the premium is a per capita share of the premium actually paid. The premium expenses for the minor children shall be calculated by dividing the premium amount by the number of persons

covered under the policy and multiplying the result by the number of minor children in the instant case.

b. The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the minor children's portion of the premium. In cases in which the parent does not have insurance but another member of the parent's household provides insurance coverage for the minor children, the parent may receive credit against the base child support award or recover the other parent's share of the minor children's portion of the premium.

c. Each parent shall equally share all reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for the minor children, including but not limited to deductibles and copayments. However, the parties will use Derek's current FSA account to pay for child related medical costs. Once the FSA is depleted then the parties will equally pay the out of pocket costs.

d. The parent who is maintaining insurance shall provide verification of coverage to the other parent upon initial enrollment of the minor children, and thereafter on or before January 2 of each calendar year. The parent shall notify the other parent of any change of insurance carrier, premium, or benefits within thirty (30) calendar days of the date the parent first knew or should have known of the change.

e. A parent who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other parent within thirty (30) days of payment with reimbursement to take place within the following thirty (30) days.

f. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply with Subsections (d) and (e) of this paragraph.

g. If, at any point in time, the dependent minor children are covered by the health, hospital, or dental insurance plans of both parents, Derek's health, hospital, or dental insurance plan shall be primary coverage for the dependent minor children and Allison's health, hospital, or dental insurance plan shall be secondary coverage for the minor children. If a parent remarries and the minor children are not covered by that parent's health, hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the minor children.

h. School Registration and Fees. The parties will equally divide all reasonable and necessary school registration and school fees for the minor children. Proof of payment shall be provided by the party incurring the cost to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days.

19. Collection and Billing for Expenses of Minor Children. Pursuant to Utah Code §15-4-6.7, collection and billing pursuant to court or administrative order of child support:

1. When a court enters an order that provides for the payment of medical and dental expenses of a minor child under Section 30-3-5, 30-4-3, or 78B-12-111, or an administrative order under Section 62A-11-326, a provider who receives a copy of the order:

a. at or before the time the provider renders medical or dental services to the minor child shall, upon request from either parent, separately bill each parent for the share of the medical and dental expenses that the parent is required to pay under the order; or

b. within 30 days after the day on which the provider renders the medical or dental service, may not:

(i) make a claim for unpaid medical and dental expenses against a parent who has paid in full the share of the medical and dental expenses that the parent is required to pay under the order; or

(ii) make a negative credit report under Section 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full the share of the medical and dental expenses that the parent is required to pay under the order.

2 a. When a court enters an order that provides for the payment of school fees of a minor child under Section 30-3-5 or 30-4-3:

(i) a provider who receives a copy of the order before the day on which the provider first issues a bill for a school fee shall, upon request from either parent, separately bill each parent for the share of the school fee that the parent is required to pay under the order;

(ii) a provider who receives a copy of the order, regardless of whether the provider receives the copy before, on, or after the day on which the provider first issues a bill for the school fee may not make a negative credit report under Section 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange,

regarding a parent who has paid in full the share of the school fee that the parent is required to pay under the order; and

(iii) each parent is liable only for the share of the school fee that the parent is required to pay under the order.

b. A provider may bill a parent for the parent's share of a minor child's school fee under an order described in Subsection (2)(a) regardless of whether the provider grants the other parent a waiver for all or a portion of the other parent's share of the minor child's school fee.

20. Extracurricular Activities. The parties will equally divide the cost of extracurricular activities for the minor children so long as the parties have mutually agreed to the activity in writing prior to the minor children being enrolled in the activity. If the parties have agreed to divide the cost of the activity in advance, proof of payment shall be provided by the party enrolling the minor children in the activity to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days. Any party unilaterally enrolling the minor children in extracurricular activities will do so at their own expense and the activity will not interfere with the other party’s parent-time.

21. Tax Return/Tax Benefits. Beginning with the 2026 tax year, the parties shall equally share claiming the minor children for tax benefit purposes related to filing federal and state tax returns as follows:

a. While there are four (4) minor children, Derek shall be entitled to claim S.M.W. and K.R.W. on his taxes each year and Allison shall be entitled to claim L.R.W. and H.B.L.W. on her taxes each year.

b. When there are three (3) minor children, Derek shall be entitled to claim K.R.W. on his taxes each year and Allison shall be entitled to claim L.R.W. on her taxes each year. The parties will rotate every other year claiming H.B.L.W. with Derek claiming in even numbered years and Allison claiming in odd numbered years.

c. When there are two (2) minor children, Derek shall be entitled to claim H.B.L.W. on his taxes each year and Allison shall be entitled to claim L.R.W. on her taxes each year.

d. At such time as there is only one minor child, the parties shall alternate claiming the child with Derek receiving the benefit for tax years ending in an even number and Allison receiving the benefit for tax years ending in an odd number.

e. The parties shall cooperate in signing any forms required by the IRS allowing the other party to claim the minor children when he/she is entitled to the tax benefit.

MEDICAL/AUTO INSURANCE

22. The parties should be responsible for their own medical and auto insurance upon entry of the Decree of Divorce herein.

ALIMONY

23. Given that both parties are abled bodied adults with equal income, neither party will be awarded alimony now or in the future.

ASSETS

24. Real Property. 4During the marriage, the parties acquired a home located at 533 Malia Lane, Saratoga Springs, Utah. As part of the global settlement agreement found herein, the home and all of its equity will be awarded to Allison free and clear of any rights, title or interest that

Derek may claim now or in the future. If Derek's name is attached to the mortgage, Allison will complete a refinance or a loan assumption, removing Derek's name therein, within 90 days from the date the final decree of divorce is entered by the court. If Allison's fails to remove Derek's name, as stated herein, the home will be immediately listed for sale. Once sold, all proceeds obtained from the sale will be awarded to Allison. While Derek's name is attached to the mortgage, she shall keep all payments attached to the home current and shall hold Derek harmless therein. Allison will transfer the utilities, insurance and taxes into her name only immediately following the entry of the Decree of Divorce.

25. **Vehicles**. The parties acquired vehicles during the marriage. Each party is awarded the vehicle currently in his/her possession.

a. The parties will cooperate in signing the title(s) on the vehicle(s) the other party is awarded within fourteen (14) days of the date the decree of divorce is entered by the court.

b. Each party will be responsible for the debt, maintenance and insurance on the vehicle(s) he/she is awarded, holding the other harmless therefrom.

26. 5**Personal Property**. The parties acquired personal property during the marriage. Each party is awarded their items of personal property and effects and any item of personal property acquired after the parties separated. The parties shall equitably divide all other items of marital property. If there is a dispute over any item of marital property, the parties will schedule and attend mediation before submitting the issue to the court.

27. **Bank Accounts**. Each party shall be exclusively awarded any and all bank accounts held solely in his/her name, free and clear from any claim by the other party.

28. 6**Retirement Accounts**. Each party is awarded their own individual retirement accounts except that Allison will be awarded $92,000 from Derek's TIAA CREF account. Allison will obtain the stated amount from the account by filing a Qualified Domestic Relations Order ("QDRO"). Each party will pay half the cost of the QDRO. The QDRO will be paid for and filed with the court within 30 days from the date the final decree of divorce is entered by the court. Once Allison has received the $92,000 from the account, she will pay back to Derek $57,000 and will keep for herself $10,000. Derek will then use $7,000 from the money he is paid to pay off a loan that the parties owe to his father. The remaining $25,000.00 ($92,000 less $57,000 and less $10,000) will be put in a joint account and will be used to pay any taxes related to removing the funds from the account. Once all tax penalties are paid in full, any amount remaining from the $25,000.00 not used to pay taxes will be equally divided between the parties. If there are additional tax penalties, Allison will be solely responsible for those tax penalties/liabilities incurred by her taking the stated amount from the account through the QDRO and/or liquidating any amount from the account to pay back to Derek the stated $57,000. Allison will further be solely responsible for any and all other tax penalties related to her receiving and/or paying back the stated amounts found herein, if any. The parties acknowledge that the agreement stated herein regarding the retirement account is part of their global property settlement agreement that includes Allison being awarded the home and all of its equity.

The parties shall cooperate in closing joint credit card accounts or removing the name of the party not assuming the account within thirty (30) days of the signing of the Stipulation.

f. Delinquency in Payments. If either party is obligated on a joint debt, the payment of that debt must remain current.
