After discussing the issue and researching solutions, if the parties cannot reach an agreement on a major issue regarding the minor child, the parties shall meet with and discuss the issue with an expert in the field of the dispute. If the parties are still unable to agree after meeting with and discussing the issue with an expert in the field of the dispute, they shall attend mediation. Each party shall be responsible for one-half the cost of the mediation. If the parties do not reach an agreement in mediation, either party may take the issue before the court.

**17.** **Divorce Education and Orientation Class**. The parties shall each complete the Divorce Education and Orientation Class as required by the State of Utah within fourteen (14) days of the signing of the parties' Stipulation, if they have not already done so and shall provide one another with a copy of the certificate of completion of the class.

**18.** **Child Support**. Father's gross monthly income is $5,839. Mother's gross monthly income is imputed at $2,600. Based on the joint custody child support calculation worksheet for one minor child, with Father having the minor child 182 overnights each year for

purposes of calculating child support, and Mother having the minor child 183 overnights each year for purposes of calculating child support, Father's child support obligation to Mother will be $190 per month, commencing November 1, 2026. Unless the Court orders otherwise, support for the child terminates at the time: (1) the child becomes 18 years of age or has graduated from high school during the child's normal and expected date of graduation, whichever occurs later; or (2) the child dies, marries, becomes a member of the armed forces of the United States, or is emancipated. The child support is payable one-half on the 5th day of each and every month, and one-half on the 20th day of each month.

**a.** Income Withholding. The party receiving child support is entitled to immediate and automatic withholding of income as a means of collecting child support, pursuant to Utah Code §26B-9-303.

**b.** Adjustment of Child Support. A child support order may be adjusted pursuant to Utah Code §26B-9-221.

**19.** **Child Care Expenses**. In accordance with Utah Code §81-6-209, the child support order shall require that each parent share equally the reasonable work-related child care expenses of the parents.

**a.** If an actual expense for child care is incurred, a parent shall begin paying his/her share on a monthly basis immediately upon presentation of proof of the child care expense, but if the child care expense ceases to be incurred, that parent may suspend making monthly payment of that expense while it is not being incurred without obtaining a modification of the child support order.

**b.** In the absence of a court order, a parent who incurs child care expense shall provide written verification of the cost and identity of a child care provider to the other parent upon initial engagement of a provider and thereafter on the request of the other parent.

**c.** In the absence of a court order to the contrary, the parent shall notify the other parent of any change of child care provider or the monthly expense of child care within thirty (30) calendar days of the date of the change.

**d.** In addition to any other sanctions provided by the court, a parent incurring child care expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if the parent incurring the expenses fails to comply with subsections ‘b’ and ‘c’.

**e.** 2**Medical/Dental Expenses**. In accordance with Utah Code §81-6-208, a parent shall provide and maintain medical and dental insurance for the minor child if it is available to them at reasonable cost and is accessible to the child. Currently Father is providing the minor child’s medical insurance.

**f.** 3Each parent shall share equally the out-of-pocket costs of the premium actually paid by a parent for the minor child’s portion of insurance. The minor child’s portion of the premium is a per capita share of the premium actually paid. The premium expenses for the minor child shall be calculated by dividing the premium amount by the number of persons covered under the policy and multiplying the result by the number of minor children in the instant case.

**g.** The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the minor child’s

portion of the premium. In cases in which the parent does not have insurance but another member of the parent's household provides insurance coverage for the minor child, the parent may receive credit against the base child support award or recover the other parent's share of the minor child's portion of the premium.

**h.** Each parent shall equally share all reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for the minor child, including but not limited to deductibles and copayments.

**i.** The parent who is maintaining insurance shall provide verification of coverage to the other parent upon initial enrollment of the minor child, and thereafter on or before January 2 of each calendar year. The parent shall notify the other parent of any change of insurance carrier, premium, or benefits within thirty (30) calendar days of the date the parent first knew or should have known of the change.

**j.** A parent who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other parent within thirty (30) days of payment with reimbursement to take place within the following thirty (30) days.

**k.** In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply with Subsections (d) and (e) of this paragraph.

**l.** If, at any point in time, the dependent minor child is covered by the health, hospital, or dental insurance plans of both parents, Father's health, hospital, or dental insurance plan shall be primary coverage for the dependent minor child and Mother's health,

hospital, or dental insurance plan shall be secondary coverage for the minor child. If a parent remarries and the minor child are not covered by that parent's health, hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the minor child.

**m.** **Medical Billing for a Minor Child**. Pursuant to Utah Code §15-4-6.7, the parties may elect that medical/dental expenses be divided by the service provider into two separate accounts for payment, one for each parent as long as the service provider receives a copy of the Decree of Divorce or other controlling court order at or before the day on which the service provider first renders medical/dental services. A creditor who has been provided a copy of the order may not make a claim for unpaid medical expenses against a parent who has paid in full that share of the medical and dental expenses required to be paid by that parent under the order, nor may the creditor make a negative credit report under Utah Code §70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full that share of the medical and dental expenses required to be paid by the parent under the order.

**20.** **School Registration and Fees**. The parties will equally divide all reasonable and necessary school registration and school fees for the minor child. Proof of payment shall be provided by the party incurring the cost to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days.

**21.** **Payment of School Fees**. When a court enters an order that provides for the payment of school fees of a child pursuant to Section 81-4-204 or Section 81-4-406, a

provider who receives a copy of the order before the day on which the provider first issues a bill for a school fee and upon request of a parent, shall separately bill each parent for the share of the school fee that the parent is required to pay under the order. A provider may bill a parent for the parent's share of a child's school fee under an order regardless of whether the provider grants the other parent a waiver for all or a portion of the other parent's share of the child's school fee. A provider, who receives a copy of the order, regardless of whether the provider receives the copy before, on, or after the day on which the provider first issues a bill for the school fee, may not make a negative credit report under Section 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full the share of the school fee that the parent is required to pay under the order. Each parent is liable only for the share of the school fee that the parent is required to pay under the order.

**22.** **Extracurricular Activities**. The parties will equally divide the cost of extracurricular activities for the minor child so long as the parties have mutually agreed to the activity in writing prior to the minor child being enrolled in the activity. If the parties have agreed to divide the cost of the activity in advance, proof of payment shall be provided by the party enrolling the minor child in the activity to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days. Any party unilaterally enrolling the minor child in extracurricular activities will do so at their own expense and the activity will not interfere with the other party's parent-time.

**23.** **Tax Benefits**. Beginning with the 2026 tax year, the parties shall equally share claiming the minor child for tax benefit purposes related to filing federal and state tax

returns, with Father receiving the benefit for tax years ending in an odd number and Mother receiving the benefit for tax years ending in an even number.

**a.** The party ordered to pay child support must be current on his/her child support obligation as of December 31st of the tax year he/she is entitled to claim the minor child for tax benefit purposes on his/her tax return.

**INSURANCE**

**24.** **Medical Insurance**. The parties shall be responsible for their own medical insurance upon entry of the Decree of Divorce herein.

## MISCELLANEOUS

**33.** **Deeds and Titles**. Both parties shall sign whatever documents are necessary to transfer title and quit claim deeds or any other documents that are necessary to implement the terms of the parties' Stipulation.

**34.** **Mediation**. The parties shall attend mediation prior to, or simultaneously with, filing a Petition to Modify the Decree of Divorce. Each party shall pay one-half the cost of mediation.

**35.** **Asset Division/Financial Claims**. The parties' Stipulation resolves the asset division and all financial claims either party has against the other through the date of the signing of the parties' Stipulation.

**36.** **Mutual Restraining Order**. The parties agree to the following mutual restraining order language:

**a.** Both parties are mutually restrained from making disparaging or derogatory remarks about one another, either directly to each other, to the minor child, or in the presence of the minor child. This includes verbal statements, written communications, or any other form of expression. For purposes of this provision, "disparaging or derogatory" shall include any negative or ill-speaking comments about the other party, regardless of if they believe it to be true or not. If a party becomes aware of any such prohibited conduct occurring in the presence of the minor child, that party shall take immediate steps to remove the child from such circumstances.

**b.** Both parties are mutually restrained from engaging in any conduct that constitutes annoyance, stalking, harassment, harm, or threats toward the other party.

**c.** Neither party shall enter the residence of the other without that party's express permission.

**d.** Both parties are prohibited from posting, sharing, or permitting the posting or sharing of any photographs, stories, comments, or statements concerning the other party on any social media platform.

**e.** Both parties are mutually restrained from permitting any third party to engage in conduct that they themselves are prohibited from under this paragraph. Each party shall use their best efforts to prevent such conduct by third parties.

**37.** **Former Name**. An order shall enter restoring Katelyn to her former name of Katelyn Simons, should she so desire.

**38.** **Identity**. Neither party shall use the other party's likeness, picture, name, identification, or credit of the other party to obtain credit, open an account for any service, or obtain any other service.

**39.** **Execution of Final Documents**. The parties agree that a final Decree of Divorce may be entered reflecting the terms of the parties' Stipulation. Both parties shall sign and fully execute the final documents that are necessary to implement the provisions of this Decree of Divorce.

**40.** **Final Stipulation.** The parties' Stipulation is entire and complete and embodies all understandings and agreements between the parties. No prior or contemporaneous oral or written agreements or matters outside of the parties' Stipulation shall have any force or effect. Skye and Katelyn are aware that they have a right to proceed to trial in this matter to present all of their evidence and witnesses but waive this right. Skye and Katelyn are satisfied

that the Stipulation and this resulting Decree of Divorce are fair and reasonable. There are no questions Skye and Katelyn have to ask or unresolved issues that need to be addressed. All issues either party wishes to raise have been incorporated in the parties' Stipulation and this resulting Decree of Divorce.

**41.** **Full Disclosure**. Each party warrants to the other that there has been a complete accurate and current disclosure of all income, assets, and liabilities. Both parties understand and agree that any deliberate failure to provide complete disclosure may constitute perjury and may allow a party to bring a claim regarding any undisclosed asset. The property referred to in this Decree of Divorce represents all the property which either party has any interest in or right to, whether legal or equitable, owned in full or in part by either party, separately or by the parties jointly.

**42.** **Attorney Fees and Costs**. Each party shall assume and pay his/her own costs and attorney fees incurred in this action.
