a. 3Each parent shall share equally the out-of-pocket costs of the premium actually paid by a parent for the minor children’s portion of insurance. The minor children’s portion of the premium is a per capita share of the premium actually paid. The premium expenses for the minor children shall be calculated by dividing the premium amount by the number of persons covered under the policy and multiplying the result by the number of minor children in the instant case.

b. The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the minor children’s portion of the premium. In cases in which the parent does not have insurance but another member of the parent's household provides insurance coverage for the minor children, the parent may receive credit against the base child support award or recover the other parent's share of the minor children’s portion of the premium.

f. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply with Subsections (d) and (e) of this paragraph.

g. If, at any point in time, the dependent minor children are covered by the health, hospital, or dental insurance plans of both parents, Dakota’s health, hospital, or dental insurance plan shall be primary coverage for the dependent minor children and Bryson’s health, hospital, or dental insurance plan shall be secondary coverage for the minor children. If a parent remarries and the minor children are not covered by that parent's health, hospital, or dental insurance plan but is covered by a step-parent's plan, the health, hospital, or dental insurance plan

of the step-parent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the minor children.

h. School Registration and Fees. The parties will equally divide all reasonable and necessary school registration and school fees for the minor children. Proof of payment shall be provided by the party incurring the cost to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days.

21. Collection and Billing for Expenses of Minor Children. Pursuant to Utah Code §15-4-6.7, collection and billing pursuant to court or administrative order of child support:

1. When a court enters an order that provides for the payment of medical and dental expenses of a minor child under Section 30-3-5, 30-4-3, or 78B-12-111, or an administrative order under Section 62A-11-326, a provider who receives a copy of the order:

a. at or before the time the provider renders medical or dental services to the minor child shall, upon request from either parent, separately bill each parent for the share of the medical and dental expenses that the parent is required to pay under the order; or

b. within 30 days after the day on which the provider renders the medical or dental service, may not:

(i) make a claim for unpaid medical and dental expenses against a parent who has paid in full the share of the medical and dental expenses that the parent is required to pay under the order; or

(ii) make a negative credit report under Section 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full the share of the medical and dental expenses that the parent is required to pay under the order.

2 a. When a court enters an order that provides for the payment of school fees of a minor child under Section 30-3-5 or 30-4-3:

(i) a provider who receives a copy of the order before the day on which the provider first issues a bill for a school fee shall, upon request from either parent, separately bill each parent for the share of the school fee that the parent is required to pay under the order;

(ii) a provider who receives a copy of the order, regardless of whether the provider receives the copy before, on, or after the day on which the provider first issues a bill for the school fee may not make a negative credit report under Section 70C-7-107, or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full the share of the school fee that the parent is required to pay under the order; and

(iii) each parent is liable only for the share of the school fee that the parent is required to pay under the order.

b. A provider may bill a parent for the parent's share of a minor child's school fee under an order described in Subsection (2)(a) regardless of whether the

provider grants the other parent a waiver for all or a portion of the other parent's share of the minor child's school fee.

22. **Extracurricular Activities**. The parties will equally divide the cost of extracurricular activities for the minor children so long as the parties have mutually agreed to the activity in writing prior to the minor children being enrolled in the activity. If the parties have agreed to divide the cost of the activity in advance, proof of payment shall be provided by the party enrolling the minor children in the activity to the other party within thirty (30) days of the payment with reimbursement to take place within the following thirty (30) days. Any party unilaterally enrolling the minor children in extracurricular activities will do so at their own expense and the activity will not interfere with the other party's parent-time.

23. **Tax Return/Tax Benefits**. For the 2025 tax year, the parties will file a joint tax return and will equally divide any refund obtained or liability incurred.

24. Beginning with the 2026 tax year, the parties will file separate tax returns and shall equally share claiming the minor children for tax benefit purposes related to filing federal and state tax returns. Each party will be solely responsible for any tax debt that he/she incurs on his/her personal taxes and shall be awarded any refund that may be obtained. The parties will share the child tax credits as follows:

a. While there are two (2) minor children, Dakota shall be entitled to claim B.C. each year for tax benefit purposes and Bryson shall be entitled to claim Z.C. each year for tax benefit purposes.

b. At such time as there is only one minor child, the parties shall alternate claiming the child with Dakota receiving the benefit for tax years ending in an even number and Bryson receiving the benefit for tax years ending in an odd number.

c. The parties shall cooperate in signing any forms required by the IRS allowing the other party to claim the minor children when he/she is entitled to the tax benefit.

d. Bryson's right to claim either of the children in any given year is contingent on him being current with all of his child support payments for all prior years by the last day of the year in which he is scheduled to claim a child on his personal taxes.

MEDICAL/AUTO INSURANCE

25. The parties will be responsible for their own medical and auto insurance upon entry of the Decree of Divorce herein.

ALIMONY

26. Given the disparity in the party's incomes, Bryson shall pay Dakota $780.00 each month in alimony for two years (24 months) beginning November 1, 2026. Alimony will cease upon the expiration of the stated time period, Dakota's remarriage or Dakota's cohabitation as defined by law, whichever occurs first.

Both parties will follow all recommendations made by the agent, including the listing price, price adjustments, final sale price, repairs, staging, showings, etc. The agent will make a good faith effort to sell the home as soon as possible and will make price adjustments to the listing price of the home as needed to sell the home as soon as possible. Neither party can object to or prevent the agent from making price adjustments as he/she deems necessary to sell the home as soon as possible. If Bryson is ever going to be delinquent on a mortgage payment, he will notify Dakota at least 7 days before the payment is deemed delinquent. Dakota can choose whether she wants to pay the mortgage or not. If Dakota pays the mortgage, the amount she pays will be reimbursed to her from Bryson's share of the equity. Dakota choosing to pay a mortgage payment does not relieve Bryson from his obligation to pay all costs and expenses related to the home as stated herein. Bryson will cooperate in making the home available for showings and maintaining the home in good showing condition. When the home sells, the proceeds of the sale shall be applied as follows:

a. 5First, to pay expenses of sale;

accounts ($5,000.00). Dakota will also be reimbursed from the proceeds for any amount Dakota pays on the mortgage as state herein.

d. If there are remaining proceeds after the amounts stated directly above are paid to Dakota, the parties will then equally divide the remaining proceeds. If the proceeds do not provide Dakota with the total amounts listed directly above, Bryson will be required to pay the unpaid amount to Dakota in monthly payments until paid in full.

If there is a dispute over any item of marital property, the parties will schedule and attend mediation with Conner Fackrell (who focuses on helping parties divide marital property) to assist them in dividing the property before submitting the issue to the court. The parties may discuss how to divide their personal property with one another directly but will do so through the Our Family Wizard App.

e. **Delinquency in Payments**. If either party is obligated on a joint debt, the payment of that debt must remain current. A party who makes payment on a delinquent debt in order to protect his/her credit rating, may seek reimbursement of the payment of that debt in addition to interest and attorney's fees from the other party.
