DECREE OF DIVORCE

CIVIL NO: 254701685

JUDGE: MICHAEL D. DIREDA

COMMISSIONER: JULIE WINKLER

WHEREFORE, the Court has reviewed the Findings of Fact and Conclusions of Law, Mediated Stipulation and Settlement Agreement, and previous pleadings submitted to the Court. Based thereon, it is hereby ordered, adjudged and decreed as follows:

1. The parties will be granted a Decree of Divorce upon the grounds of irreconcilable differences.
2. The parties have three minor children: Braylon, born 2/12/14; Romee, born 3/13/17; and Hazlynn, born 8/26/19.

3. The parties shall share joint legal custody of their minor children.

4. The parties shall abide by the terms of the following Parenting Plan:

a. To the extent that they do not otherwise conflict with any of the provisions of this Stipulation, the parties shall abide by the advisory guidelines set forth at UCA Section 81-9-202.

In the event of a conflict between the terms of this Stipulation and the guidelines, the terms of this Stipulation shall govern and take precedence.

b. The parties shall handle decision making regarding the minor children as follows:

i. Day to day and emergency decisions shall be made by the parent who the child/ren is/are with at the time. In the event of an emergency involving any child, the other parent shall be notified as soon as reasonably possible.

ii. The parties shall attempt to reach shared decisions on behalf of the children in connection with all major decisions according to the following procedure:

- The parent who becomes aware of a decision concerning a child shall notify the other parent upon becoming aware of the issue.
- The parties shall then discuss the issue in an attempt to reach an agreement regarding the decision and in conjunction with this, consult with a professional or professionals (if applicable) qualified in the area of the decision.
- In the event the parties are unable to reach an agreement regarding the decision after discussion, they will participate in mediation to address the decision. The mediator shall be mutually agreed upon, with the parties to share equally the cost of the mediator.

- If the parties are unable to reach an agreement regarding the decision in mediation, then either party may submit the issue to the District Court for resolution.

c. Extracurricular Activities shall be handled as follows:

i. The parties shall discuss the minor children's involvement in an extracurricular activity prior to enrolling a child in the activity. If the parties mutually agree upon an activity in writing, including the costs associated with the activity, then they shall share equally the expenses associated with the activity, transport the child to the activity during their parent time, and allow the child to attend the activity during their parent time.

ii. If a parent does not agree to an activity in writing, the other parent may still enroll the child in the activity, however the parent who does not agree with the activity is not responsible to share any expenses related to the activity, is not required to transport the child to the activity, and may decline to allow the child to attend the activity during their parent time.

d. Both parties shall have the right of first refusal to provide care for the children during the other parent's parent time if that parent is unavailable to be with the children overnight during their parent time. The parent who exercises the option and the right of first refusal is responsible to provide all transportation in connection with exercising the option. The option may be exercised by the parent only and the parent exercising the right of first refusal must be directly providing the care, not any third party. This provision relates solely to parental absences
