**IN THE SECOND JUDICIAL DISTRICT COURT
DAVIS COUNTY, STATE OF UTAH**

In the matter of the marriage of RONALD BRADLEY BEARD, Petitioner, vs. MANDI MARIE BEARD, Respondent.	DECREE OF DIVORCE Civil No. 244702017 Judge: Williams Comm: Wilson
--	--

That upon Stipulation and good cause appearing, and the Court being fully advised in the premises and having made and entered its Findings of Fact and Conclusions of Law now therefore,

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

- 1. Decree of Divorce.** The parties are hereby granted a mutual Decree of Divorce, the same to become final upon entry.
- 2. Residency.** The parties were bona fide residents of Davis County, State of Utah for three months immediately prior to the filing of this action.
- 3. Marriage Statistics.** The parties were married on May 7, 2021, in Riverdale, Weber County, Utah and are presently married. The parties separated on or about December 24, 2024.

4. **Grounds.** During the course of the marriage the parties have experienced irreconcilable differences thereby destroying the legitimate purpose of matrimony and making continuation of the marriage impossible.

5. **Child.** The parties have one minor child as issue of this marriage, namely BSB born July 29, 2023. The parties expect no other child.

6. **Jurisdiction.** Utah has jurisdiction to make child custody and parent-time determinations pursuant to Utah Code Ann. §81-11 *et seq.*, in that Utah is the home state of the minor child at the time of commencement of this proceeding.

7. **Child Custody.** The parties are awarded joint legal custody of the minor child consistent with the parenting plan described herein. The parties are awarded joint physical custody consistent with the parent-time schedule described herein.

PARENTING PLAN

8. The parties adopt Utah Code Ann. §81-9-202 as part of their parenting plan and shall share joint legal custody of the minor child pursuant to the following parenting plan:

a. The parents will discuss beforehand in a civil and business-like manner all important matters regarding the health, education and general welfare of the minor child, and each parent will give due consideration to the other parent's point of view. Such important matters include, but are not limited to: surgeries or other medical or dental procedures; where the child will attend school; any special education programs the child may enroll or participate in; what extracurricular activities the child will participate in, and to what extent, especially where those extracurricular activities may interfere with a parent's parent time; any tattoos or

piercings; giving the child permission to marry or join the armed forces before age 18, etc.

b. Education Decisions. So long as the parties reside within 10 miles of each other, Respondent's residence will determine where the child attends school. If they live more than 10 miles from each other and the parties cannot agree on where the child shall attend school, the parties will first attend mediation to discuss options, and thereafter the issue may be motioned before the court for determination.

c. Medical Decisions. The minor child shall continue to attend the same pediatrician's office and dentist's office that they have been attending. A change to these offices shall not be made unless both parties agree in writing. The parties shall strongly consider the recommendations of the attending pediatrician, dentist, or medical professional.

d. In the event of a medical emergency where a decision must be made before consultation with and agreement from the other parent can reasonably be accomplished, the first parent on the scene may make the decision; provided, however, that once a parent makes such a decision he or she will immediately contact the other parent, inform the other parent of the nature and extent of the medical emergency, and return to the decision making process set forth above.

e. If the parties are unable to reach an agreement, they should consult with the relevant professionals (teachers, doctors, dentists, therapists, etc.) prior to requesting mediation. If the parties are still unable to agree to an educational,

medical, or religious decision, the parties shall attend mediation. If the parties are unable to reach an agreement at mediation, then either party may file a motion with the court.

f. The parties are equally responsible for transportation for the minor child. So long as the child is familiar with the adult, a parent may designate a family member or another adult to pick up and transport the minor child when a parent is not able to do so during their parent-time.

g. Each parent will pick up and drop off the minor child at the other parent's residence, unless another location has been mutually agreed upon.

h. The parents will communicate openly about parent time. If a parent will be late picking up or dropping off the minor child, that parent will let the other parent know as soon as possible via text message or email.

i. During transportation and transition, neither parent will demonstrate anger, sarcasm or profanity in front of the minor child.

j. The parents will not ask the minor child to carry messages or child/spousal support checks, or to otherwise act as an intermediary between the parents. The parents will exchange information in person, through text messaging, email, or phone calls.

k. Each parent will notify the other parent within 24 hours of receiving notice of all significant school, social, sports, and community functions in which the child is participating or being honored, and both parents should be entitled to attend and participate fully.

l. Each parent is entitled to virtual parent-time with the minor child during reasonable hours, and for reasonable durations. Additionally, each parent is permitted to contact the child on their own devices. The child is permitted to contact either parent at reasonable times and for reasonable duration.

Communications between a parent and the child should not be monitored, recorded, or filtered by the other parent.

m. The parents will work together to share the responsibility times and fun times so the minor child know that both work and play go on at both homes.

n. Both parents will actively encourage and support the minor child in maintaining a good relationship with the other parent and will refrain from making demeaning or disparaging remarks about the other parent to or within the minor child's hearing and will not permit any third party to do so either.

o. Neither parent will drink to excess, or abuse prescription drugs, or use illegal drugs during his or her parent time, nor will they allow the minor child to be with other people who are engaging in these activities.

p. Each parent will notify the other at least 24 hours in advance if he/she plans to take the child traveling overnight or longer and will provide the other parent with a travel itinerary that will include addresses and telephone numbers where he/she and the minor child may be reached in the event of an emergency.

q. Both parents will have full access to the minor child's school, medical, dental, and other records relevant to the child's well-being. Both parents will be

permitted to fully participate in and attend all school meetings, medical appointments, and other meetings relevant to the well-being of the minor child.

r. Each parent may make minor day-to-day decisions regarding the minor child while the minor child is with that parent.

s. All reasonable and necessary school fees shall be divided equally. All extracurricular activities shall be divided equally so long as the parties agree to share the costs in writing prior to enrolling the child in the activity. If a party does not agree to share an extracurricular activity, then one party may unilaterally pay for the entire activity. However, neither party is permitted to sign a child up for an activity that will occur during the other parent's parent-time without prior written authorization.

9. Physical Custody and Visitation. The parties shall share joint physical custody.

a. From now until the child turns five years old, the parties shall follow the following schedule:

i. Petitioner father will have every other Sunday overnight, every Monday and Thursday overnight, and every other Friday and Saturday overnights.

ii. Respondent mother will have every other Sunday overnight, every Tuesday and Wednesday overnights, and every other Friday and Saturday overnights.

b. Within 6 months prior to the child entering kindergarten, the parties shall attend mediation to discuss where the child will attend school

c. When the child enters kindergarten, the parties shall have 50/50 parent time, week on-week off, coordinated so that the minor child and Respondent's daughter can be together.

d. Parent time exchanges shall be curbside.

10. Holiday Parent Time. Major holidays shall be shared per §81-9-302 with Petitioner being designated as the custodial parent for holiday purposes only.

11. Child Support. Petitioner's income for child support purposes is \$6,445 per month. Respondent's income for child support purposes is \$5,833 per month. Based on the joint physical custody worksheet, with Father having 182 overnights and Mother having 183 overnights, Father's child support obligation shall be \$40.00 per month beginning May 2026.

12. Unless agreed to by the parties in writing, child support shall be due on the 1st day of each month with one half paid by the 5th day of each month and the other half paid by the 20th day of each month. Child support shall be deemed late if not received before the start of the following month.

13. Child support shall continue until a minor child reaches the age of eighteen (18) or graduates from high school during their normal and expected graduating class, whichever occurs later, or if the child dies, marries, becomes a member of the armed forces of the United States, or is otherwise emancipated.

14. Pursuant to UCA §81-6-212, any child support may be adjusted by motion when the most recent Child Support Order is older than three (3) years and by petition when the most recent Child Support Order is less than three (3) years old.

15. Medical Expenses. Pursuant to Utah Code §81-6-208, the parties shall provide and maintain health/medical/dental insurance for the benefit of the child. Should one party obtain health/medical/dental insurance through their employment or other business undertakings, the other party shall be liable for the payment of one-half of the cost of said insurance for the child's portion of that insurance. The child's portion shall be determined on a pro rata share of the premium actually paid by a parent, and the obligating parent's share of the monthly premium will be added to or subtracted from their monthly child support obligation.

a. Unless the parties agree otherwise, if the child is covered by the insurance of both parents, Respondent's insurance shall be designated as primary, and Petitioner's ChampVA insurance shall be designated as secondary. If the child is covered by a stepparent's plan, the stepparent shall take the same designation of priority as the parent to whom they are married. If for any reason Respondent loses her insurance, Petitioner's ChampVA insurance shall be designated as primary.

b. Both parties shall share equally all reasonable and necessary uninsured medical, dental, orthodontic, and optical expenses, including deductibles and co-payments, incurred for the minor child and actually paid by the parties.

c. The parent providing insurance should provide verification of coverage to the other parent, or to the Office of Recovery Services under Title IV of the Social Security Act, upon initial enrollment of the dependent child, and thereafter on or before January 2 of each calendar year. The parent should notify the other parent, or the Office of Recovery Services, of any change of insurance carrier, premium,

or benefits within 30 calendar days of the date that parent first knew or should have known of the change.

d. A parent who incurs medical, dental, orthodontic, or optical expenses should provide written verification of the cost and payment of the expenses to the other parent within 30 days of payment.

e. A parent incurring medical, dental, orthodontic, or optical expense may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply with the notification requirements above.

f. The parent to whom written verification is provided shall reimburse the parent who incurred the medical, dental, orthodontic, or optical expenses one-half of the amount of the out-of-pocket costs within 30 days of receipt of the written verification.

16. Day Care Expenses. The parties shall share day care expenses consistent with Utah Code Ann. §81-6-209.
