DECREE OF DIVORCE

Case No. 264700309

Judge: Michael Edwards

Commissioner: Christina Wilson

This matter came before the Court based upon Petition for Divorce filed with this Court on March 6, 2026, and Respondent's Counter Petition filed on April 8, 2026. The parties entered and filed a Stipulation and Settlement Agreement on July 10, 2026, which is now part of the official record. After a review of the file, and now being fully advised, the Court, for good cause appearing, hereby **ORDERS ADJUDGES and DECREES:**

1. The parties shall be granted a Decree of Divorce based on grounds of irreconcilable differences.

2. The parties have five children together. The parties' eldest two children have emancipated. The parties have three minor children: Spencer, born 1/1/09; Henry, born 10/11/13 and Clara, born 10/23/18.
3. The parties shall share joint legal custody of their minor children.
4. The parties shall abide by the terms of the following Parenting Plan:
 - a. To the extent that they do not otherwise conflict with any of the provisions of the Stipulation, the parties shall abide by the advisory guidelines set forth at UCA Section 81-9-202. In the event of a conflict between the terms of the Stipulation and the guidelines, the terms of the Stipulation shall govern and take precedence.
 - b. The parties shall handle decision making regarding the minor child(ren) as follows-
 - Day to day and emergency decisions shall be made by the parent who the child(ren) is/are with at the time. In the event of an emergency involving a child, the other parent shall be notified as soon as reasonably possible.
 - The parties shall attempt to reach shared decisions on behalf of the child(ren) in connection with all major decisions according to the following procedure—

5. The parent who becomes aware of a decision concerning a child shall notify the other parent upon becoming aware of the issue.
 6. The parties shall then discuss the issue in an attempt to reach an agreement regarding the decision and in conjunction with this, consult with a professional or professionals (if applicable) qualified in the area of the decision.
 7. In the event the parties are unable to reach an agreement regarding the decision after discussion, they will participate in mediation to address the decision. The mediator shall be mutually agreed upon, with the parties to share equally the cost of the mediator.
 8. If the parties are unable to reach an agreement regarding the decision in mediation, then either party may submit the issue to the District Court for resolution.
- c. Extracurricular Activities shall be handled as follows-
- The parties shall discuss the minor child(ren)'s involvement in an extracurricular activity prior to enrolling a child in the activity. If the parties mutually agree upon an activity in writing, including the costs associated with the activity, then they shall share equally the

expenses associated with the activity, transport the child to the activity during their parent time, and allow the child to attend the activity during their parent time.

- If a parent does not agree to an activity in writing, the other parent may still enroll the child in the activity, however the parent who does not agree with the activity is not responsible to share any expenses related to the activity, is not required to transport the child to the activity, and may decline to allow the child to attend the activity during their parent time.

b. Communication between the parents and minor child(ren) shall be as follows:

- The child(ren) may initiate communication with the parent they are not with at their sole option and election, with all such communication to be at reasonable times and of reasonable frequency and duration. The parent who receives a communication from a child may respond to the communication.
- The parents may initiate communication with the child(ren) when the child(ren) is(are) with the other parent, provided that all such communication shall be at reasonable times, of reasonable

frequency and duration, shall not interfere with school hours or extracurricular activities; and shall not take place between the hours of 9:00 p.m. and 7:00 a.m. unless there is an emergency.

- c. Both parties shall have the right of first refusal to provide care for the minor child(ren) during the other parent's parent time if that parent is unavailable to be with the child(ren) overnight during their parent time. The parent who exercises the option and the right of first refusal is responsible to provide all transportation in connection with exercising the option. The option may be exercised by the parent only and the parent exercising the right of first refusal must be directly providing the care, not any third party. This provision relates solely to parental absences away from their residence overnight and shall not be construed to prevent the child(ren) from having sleepovers with friends and family.
- d. Sleeping arrangements for the minor children shall be as follows:
- Clara shall have her own bed and bedroom.
 - Spencer and Henry may share a bedroom and may share a bed, provided it is queen size or larger.
 - Neither party shall initiate co-sleeping with a minor child.
5. The parties are awarded joint physical custody of their minor children.

- b. Holiday parent time shall be as set forth in the schedule attached hereto and incorporated herein.
- c. Extended summer parent time shall be as follows:
 - Commencing the summer of 2027, each party is entitled to 3 additional days of extended parent time with the minor children, to be exercised consecutively and contiguous with their regular week of parent time.

- Commencing with the 2028 calendar year and even-number years thereafter, Corinne will provide written notice of her extended

summer parent time dates on or before May 1st and thereafter, Ben will provide written notice of his extended parent time dates on or before May 15th.

- If a parent fails to provide a notification within the time periods described above, the complying parent's election takes precedence. If both parents fail to provide notice within the time periods described above, the first parent who provided notice shall have their elections take precedence.
- Neither party may exercise any of their extended parent time over a holiday that belongs to the other parent for that year.

d. Transportation for parent time shall be handled as follows:

- The parties shall share the responsibility to transport the child(ren) in connection with the exercise of parent time, with the party who is commencing their time with the child(ren) being responsible to pick the child(ren) up at the beginning of their parent time.
- Parent time exchanges shall take place at the parties' respective residences, with all exchanges to be curbside, meaning that the parent who is in the vehicle (and any third party accompanying that parent) remains in the vehicle, and the parent who is in the

residence (and any third party at the residence) remains in the residence, and the children will walk unaccompanied back and forth between the residence and vehicle.

- If a party is exercising any parent time visit outside of Davis County, Weber County or any further south than 7200 south in Salt Lake County; the party who is exercising parent time outside of these boundaries shall be solely responsible for all transportation in connection with the visit.

8. Corinne will continue to provide the health insurance coverage on behalf of the minor child(ren) provided it is available to her through employment at a reasonable cost. In accordance with UCA Section 81-6-208, the parties shall share equally the actual out of pocket costs for the child(ren)'s portion of insurance premiums.
