ATTORNEY FOR PETITIONER
CHRISTIAN PHILLIP LESAK

**IN THE SECOND JUDICIAL DISTRICT OF DAVIS COUNTY,
FARMINGTON DEPARTMENT, STATE OF UTAH**

In the Matter of the Marriage of: CHRISTIAN PHILLIP LESAK, Petitioner, and AVIAN DANIS RAY, Respondent.	DECREE OF DIVORCE Case No. 264701006 Judge David J Williams Commissioner Julie Winkler
--	--

The above-entitled matter came before the Court on the Petitioner's *Motion for Entry of Decree of Divorce* and *Petitioner's Declaration of Jurisdiction and Grounds*.

Petitioner and Respondent have signed a document entitled "Acknowledgment of Service of Process, Waiver, and Consent to Default Stipulation" in which Respondent has acknowledged the receipt of Petitioner's *Divorce Complaint*, waived the right to have a summons and the *Divorce Complaint* served upon her, waived the statutory time in which to answer or otherwise respond to the same, and consented to the Court's jurisdiction and

entering a judgment against her by default. The Court therefore entered Respondent's default.

The Court, having made its findings of fact and conclusions of law, and being otherwise fully advised, does hereby decree as follows:

DIVORCE

1. Petitioner is awarded a divorce from Respondent on the grounds of irreconcilable differences, the same to become final upon entry of this Decree.

CHILDREN

2. The parties have no minor children as issue of this marriage / relationship and none are expected.

ALIMONY

3. Neither party shall be entitled to alimony payments from the other party.

DEBTS

4. The parties acquired debt during the marriage, which shall be divided as follows:

a. Petitioner and Respondent are jointly obligated on a debt owed to Ally Auto arising from a repossessed vehicle. The vehicle was Respondent's, and she failed to make the payments on it as the parties had agreed she would. Respondent shall be required to immediately assume, pay, and hold Petitioner harmless from this debt to Ally Auto, including, but not limited to, any principal, interest, late fees,

collection costs, attorney fees, additional adverse credit consequences, and any other amounts or liabilities associated with the debt. A payment plan shall be acceptable if the creditor is willing to approve one. Nevertheless, Petitioner shall not be required to sign any further agreements with the creditor or otherwise incur any additional obligation in connection with this debt. If the creditor approves a payment plan, then Respondent shall immediately notify Petitioner of the details of that payment plan and ensure that each payment is made in full and on time so the creditor does not seek payment directly from Petitioner and so Petitioner does not suffer any additional adverse credit consequences resulting from Respondent's failure to pay the debt as required. Respondent shall provide Petitioner with a copy of the approved payment plan, or other written proof of its terms, within five (5) calendar days after the payment plan is approved. Respondent shall also provide Petitioner with proof of each payment made within five (5) calendar days after making such payment or allow him access to the account, if he does not already have access, so he may monitor the payments being made.

b. Each party shall be ordered to pay any and all debts, liabilities, and obligations incurred in their own individual name and hold the other party harmless therefrom.

PERSONAL PROPERTY

5. Parties have already divided their personal property. Each party shall be

awarded the personal property now in his or her possession and/or control. In particular, Petitioner shall be awarded the 2018 Ford Mustang, and each party shall be awarded their own financial accounts.

RETIREMENT

6. One or both parties have a pension, profit sharing, and/or retirement benefits/accounts, such as, but not limited to, defined benefit plans, a defined contribution plan, savings contribution plan, 401(k), 403(b), 457, IRA, ROTH IRA, Thrift Savings Plan, and/or other similar type benefits and accounts.

7. Each party shall be awarded their own said benefits/accounts, and neither party shall be awarded any portion of, or interest in, the other party's said benefits/accounts.

REAL PROPERTY

8. The parties presently do not own an interest in any real property.

MISCELLANEOUS MATTERS AND ATTORNEY FEES

9. Each party shall be responsible and liable for his or her own costs and attorneys fees.

10. Each party shall be required to promptly make, execute and deliver any further assurance, releases, contracts, and instruments (i.e. whatever documents) that may be necessary to carry into effect the terms, covenants, conditions and provisions herein contained. If either party fails to comply with the provisions hereof, this document shall constitute an actual grant, assignment and conveyance of property and rights in such manner

and with such force and effect as shall be necessary to effectuate the terms hereof and at the will of the non-disobedient party, he or she may bring an Order to Show Cause or Motion to Enforce at the expense of the disobedient party and seek that the Court appoint some other person to execute the necessary documents pursuant to Rule 70 of the Utah Rules of Civil Procedure. Any document executed pursuant to Rule 70 has the same effect as if executed by the disobedient party.
