Attorney for Adrienne Leigh Lawrence

IN THE SECOND JUDICIAL DISTRICT COURT, FARMINGTON
DEPARTMENT,
IN AND FOR DAVIS COUNTY, STATE OF UTAH

In the Matter of the Marriage of ADRIENNE LEIGH LAWRENCE and PAUL TANNER LAWRENCE	DECREE OF DIVORCE Civil No. 224701835 Judge Jennifer Valencia Commissioner Chrsitina Wilson
--	---

The above-entitled matter came before the court on Petitioner's *Verified Petition for Divorce*, Petitioner's *Declaration of Jurisdiction and Grounds*, and the parties' signed Stipulation. The parties have filed a stipulation resolving all issues, and Petitioner has testified by Declaration as to jurisdiction and grounds. The Court, having entered its Findings of Fact and Conclusions of Law, now orders:

DECREE OF DIVORCE

1. The parties are hereby awarded a Decree of Divorce from one another on the grounds of irreconcilable differences and their marriage is hereby dissolved.

Jurisdiction

2. Both Adrienne and Paul are bona fide residents of Davis County, State of Utah, and have been for three months immediately prior to filing this action.

3. Adrienne and Paul were married on October 20, 2007 in Salt Lake City, State of Utah and are presently married. The parties separated on or about February 11, 2022.

Grounds

4. During the course of the marriage the parties have experienced difficulties that cannot be reconciled, which have prevented the parties from pursuing a viable marriage relationship.

Children

5. The parties share three minor children: E.F.L., born July 2009; T.D.L., born March 2014; and M.L.R.L., born October 2016.

Legal Custody

6. Adrienne shall be awarded sole legal custody of the minor children.

7. Unless and until Paul receives a more normalized parent-time schedule after being released from the responsibility to follow Talon

Greeff's recommendations, he shall not be entitled to any notice or knowledge of appointments or legal decisions made by Adrienne.

Physical Custody and Parent Time

8. Adrienne shall be awarded sole physical custody of the minor children.

9. Paul's parent-time shall be conditional upon following all of Talon Greeff's recommendations in his completed court psychological evaluation and any existing criminal protective orders, as described below. The oldest daughter E.L. shall not be required to participate given the continual protective order she has been awarded by the court against Paul and any recommendations related to E.L. shall not be enforced.

a. Paul needs to engage in weekly therapy with a marriage and family therapist who has been licensed for at least five years, understands personality disorders and can provide treatment using Dialectic Behavior Therapy (DBT).

b. The therapist needs to review the psychometric testing completed for this assessment to better address Paul's unique needs. In particular, the treatment guide provided by the MCMI-IV Millon Clinical Multiaxial Inventory-IV provides critical insight and recommendations. The testing will be provided to the Guardian ad Litem who can provide it to the therapist.

c. Paul needs to be assessed by a psychiatrist to determine if he has depression that can be treated with psychopharmacologic treatment or rule out depression as a possible diagnosis. The psychiatrist shall also assess whether any other psychopharmacologic treatment could possibly enhance Paul's energy and moderate his affectivity. The psychometric testing shall be shared with the psychiatrist to help with the diagnosis and treatment. The testing will be provided to the Guardian ad Litem who can provide it to the psychiatrist.

d. Paul needs to participate in weekly family therapy with his children as a condition of parent time. Paul's individual therapist shall provide this therapy to help Paul positively manage conflict and frustration with his children. It will also provide them with a venue where they can air concerns about their father or visits with him and have them addressed.

e. Paul would benefit from an intensive domestic violence treatment program that includes a group therapy component. If a domestic violence treatment program is not available, he shall participate in group therapy with other men. Preferably for

domestic violence, but any therapy group that uses DBT or addresses thinking errors would be helpful.

f. Paul shall attend individual and family therapy weekly as a condition for parent time with the rest of the children. He shall complete both his individual and family session to earn the next parent time visit. If not, he forfeits the visit for that week.

g. He shall also be required to complete at least 8 group therapy sessions within 180 days of the order. If it's not completed, Paul will need to do his individual, weekly and group therapy each week to earn the next week's parent time.

h. The following risk mitigation strategies shall be considered:

i. Allow the children to decide when they turn 12 years old if they want to go to their father's home. They shall also be allowed to decide the length of their visits and if they are overnight. They would also be allowed to leave the visit whenever they wanted.

ii. Provide one of the children with a family Gizmo phone watch, or Apple watch with phone service. Important phone numbers, including their mother's, father's and other relatives could be programmed into it

allowed quick contact if needed. The children would be able to check-in and use it to contact their mother if they wanted to leave. It would also allow them to contact their mother if their father is “off” or acting weird so they can talk to her about what to do.

iii. The children could be introduced to Paul’s neighbors, if they don’t already know them. They shall know they are allowed to go to this neighbor’s home if they feel they are at risk.

iv. No firearms or ammunition shall be in the home Paul shares with his mother.

10. Paul shall be responsible for all assessment, evaluation, and therapy costs associated with following Mr. Greeff’s recommendations.

11. The guardian ad litem shall remain appointed following entry of the Decree of Divorce to oversee the implementation of Mr. Greeff’s recommendations and to consult with the individual and family therapists.

12. The guardian ad litem shall approve the therapists selected to implement the terms of Mr. Greeff’s recommendations. Paul’s individual therapist shall be a different therapist than the family therapist.

13. No parent-time outside of therapy shall occur without approval from the guardian ad litem in consultation with the family therapist. No virtual

parent-time shall occur until approved by the guardian ad litem after consulting with the family therapist.

14. Paul shall be restrained from visits to the children at their schools, games, performances, churches, activities, or any other public place without approval from the family therapist and guardian ad litem.

15. If Paul completes the requirements under Mr. Greeff's recommendations to qualify for a parent-time visit, the parent-time visit shall be determined by the guardian ad litem after consulting with the family therapist. The visit may be supervised or unsupervised, and the duration of the visit may change.

16. As set forth above, if and/or when the process as recommended by Mr. Greeff has concluded, any change in parent time shall be determined by the guardian ad litem after consulting with the family therapist. If either party does not agree to the recommendation, they can file an Objection with the Court which the parties agree may be decided at the Commissioner level under URCP 101, however, the other party can nevertheless proceed with the recommendation until otherwise ordered by the Court.

Relocation

17. The notice and dispute resolution provisions of Utah Code Ann. § 81-9-209 related to relocation shall be incorporated into the Decree of Divorce.

Child Support

18. Adrienne is employed by the Davis County School District and earns \$2120 per month.

19. Paul is currently not employed but shall be imputed to a wage of at \$2120 per month in this matter. The parties agree that this number shall be used for the purposes of calculating child support.

20. Based on a sole custody worksheet, Paul shall be ordered to pay \$613 per month for the support of the parties' minor children, commencing the month this stipulation is signed. (See Child Support Obligation Worksheet, filed concurrently)

21. Paul's support of the minor children shall continue until said children become 18 years of age, or have graduated from high school during their children's normal and expected year of graduation, whichever occurs later.

22. When a child becomes 18 years of age or has graduated from high school during the child's normal and expected year of graduation, whichever occurs later, the base child support award shall be automatically adjusted to reflect the base combined child support obligation pursuant to the uniform child support guidelines for the remaining number of children due child support, unless otherwise provided in the order.

Health Insurance

23. Pursuant to UTAH CODE ANN. § 81-6-208, one or more parent(s) shall provide health care coverage, as defined by Utah Code Section 81-6-208, for the medical expenses of the dependent child.

24. A parent shall provide insurance for the medical expenses of a minor child if insurance is available to that parent at a reasonable cost.

25. If at any time a dependent child is covered by both parents' health, hospital, or dental insurance plans, Adrienne's health, hospital, or dental insurance plan is designated as primary and Paul's health, hospital, or dental insurance plan is designated secondary.

26. When a dependent child is covered by both parents' health, hospital, or dental insurance plans, each parent shall pay the entirety of the out-of-pocket costs of the premium without seeking reimbursement from the other party.

27. If the court or an administrative agency must determine which parent shall be ordered to maintain insurance for medical expenses, the court or administrative agency may consider the:

- a. reasonableness of the cost;
- b. availability of a group insurance policy;
- c. coverage of the policy; and
- d. preference of the custodial parent.

28. Except when the child is double-covered, which shall be avoided to minimize health related expenses, each parent shall share equally the out-of-pocket costs of the premium actually paid by a parent for the child's portion of insurance.

29. The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the child's portion of the premium. If the parent does not have insurance but another member of the parent's household provides insurance coverage for the child, the parent may receive credit against the base child support award or recover the other parent's share of the child's portion of the premium.

30. If a parent remarries and their dependent children are not covered by their insurance but are covered by the stepparent's plan, the stepparent's plan shall be treated as if it is the plan of the remarried parent and shall retain the same designation for primary or secondary insurance as described above and cost-sharing provisions herein, including calculating and splitting costs of the children's premium as described herein.

31. The child's portion of the premium is a per capita share of the premium actually paid. The premium expense for a child shall be calculated by dividing the premium amount by the number of persons covered under

the policy and multiplying the result by the number of children in the instant case.

32. In accordance with Subsection 81-4-406(4), each parent shall equally share all reasonable and necessary uninsured and unreimbursed medical and dental expenses incurred for a dependent child, including deductibles and copayments.

33. The parent ordered to maintain insurance shall provide verification of coverage to the other parent, or to the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., upon initial enrollment of the dependent child, and after initial enrollment on or before January 2 of each calendar year. The parent shall notify the other parent, or the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., of any change of insurance carrier, premium, or benefits within 30 calendar days of the date the parent first knew or shall have known of the change. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply

34. A parent who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other parent within 30 days of payment. In addition to any other sanctions provided by

the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to comply. The parent to whom written verification is provided shall reimburse the parent who incurred the medical expenses one-half the amount of the out-of-pocket costs within 30 days of receipt of the written verification which will be paid via direct deposit or bank transfer
