- a. **\$30.00** per month base support. This amount complies with the Utah Child Support Act.

29. Once a child is no longer eligible to receive child support, the support amount for the eligible children should be recalculated using the child support worksheet (Utah Code Title 81, Chapter 6, Parts 1 and 2). 38. The parties can ask to change this child support order at any time by petition if there has been a substantial change in circumstances because of material changes in:

(Utah Code 81-6-202 and 81-6-212)

The change must result in a difference of 15% or more between the amount previously ordered and the new amount of child support under the Utah child support guidelines. The difference may not be temporary.

The court can consider natural or adoptive children born after the entry of the decree other than those in common to both parties as part of a request to modify an existing award subject to limitations in the law. (Utah Code 81-6-202(8))
