Attorney for Matthew Call Goldsberry

**IN THE THIRD DISTRICT COURT IN AND FOR
 SALT LAKE COUNTY, STATE OF UTAH**

In the Matter of the Marriage of:	DECREE OF DIVORCE
LIA GOLDSBERRY, Petitioner,	
and	
MATTHEW GOLDSBERRY, Respondent.	Case No. 264901629 Judge: Amanda Montague Commissioner: Russell Minas

In accordance with Utah Code 81-4-401(2), the above-captioned matter came before the court for consideration absent a hearing. Pursuant to the *Stipulation and Property Settlement Agreement*, a judgment for a divorce can be entered. The court, having reviewed the pleadings on file herein, and having entered its *Findings of Fact and Conclusions of Law*, does now ORDER, ADJUDGE, and DECREE as follows:

1. Matthew Call Goldsberry is awarded a Decree of Divorce from Lia Rebecca Goldsberry on the grounds of irreconcilable differences, the same to become final upon entry by the court clerk.
2. Matthew Call Goldsberry is a resident of Salt Lake County, State of Utah, and has been for three months immediately prior to filing this action.
3. During the marital relationship the parties have resided in the state of Utah and this court has jurisdiction over Lia Rebecca Goldsberry pursuant to Utah Code 81-4-405.

4. Matthew Call Goldsberry and Lia Rebecca Goldsberry were married on February 28, 1998, in Salt Lake City, Utah and are presently married. The parties separated on or about March 8, 2026, and do not currently reside together.

5. The parties are parents of four adult children. Two (2) of the children have special needs. C.C.G. or “Calle” (female) requires ongoing care due to Cerebral Palsy. C.C.G (male) is autistic; however, he has demonstrated the ability to live independently and is not fully dependent upon the parties.

6. Pursuant to Utah Code 78B-13-102(7), Utah is the home state of the parties’ children with special needs and has jurisdiction to make an initial custody determination under Utah Code 78B-13-201(1), in that the children have lived in Utah with a parent for at least six consecutive months immediately prior to the commencement of this action.

7. During the course of the marriage, the parties have experienced irreconcilable differences that have prevented the parties from pursuing a viable marriage relationship.

Children

8. One of the parties' adult children, Calle, receives public assistance. To the extent required by law, the State of Utah shall be provided notice of these proceedings and may be joined as a party for any issues related to support.

9. Pursuant to Utah Rule of Civil Procedure 100(a), Matthew Goldsberry states upon information and belief that there are no pending proceedings regarding custody, child support, or parent-time of any minor children of the parties, nor any protective orders or criminal or delinquency cases involving minor children in the Juvenile Court of this or any other state.

10. **Custody:** The parties have historically shared the day-to-day responsibility and care for Calle who will remain dependent due to her health. Therefore, it is in the best interests of Calle that Matthew exercise parent-time pursuant to U.C.A. 81-9-302 with Matthew having one weekday evening visit and every other weekend.

11. It is in the best interests of Calle that the parties share joint legal custody. Parenting and decision making plans are included herein.

12. **Holidays:** The holiday visitation should be as the parties agree. If the parties cannot agree, then holiday parent-time should be consistent with Utah Code 81-9-302 with Lia Goldsberry being designated as the custodial parent, as listed visually in the chart below:

14. **Third-Party Transportation:** If either party is unavailable to personally transport Calle for a parent-time exchange, that party may designate an appropriate and responsible individual to provide transportation. The parent designating such individual shall promptly provide the other party with the name and contact information of the third party.

15. **Right of First Refusal:** Pursuant to Utah Code 81-9-202, parental care is presumed to be better for the children than surrogate care. Therefore, if either party is available when the other parent is not available to personally care for Calle during their parent-time for a period of more than four (4) hours, including overnight, they should have the right of first refusal. A parent exercising the right of first refusal should be solely responsible for picking Calle up and dropping her back off.

16. **Address and Phone Number:** The parties should keep each other informed of their address and telephone number at all times.

Child-Related Finances

17. **Child Support:** Given that Calle receives government assistance, no child support shall be paid.

18. **Medical Insurance Coverage:** Matthew Goldsberry shall maintain health insurance for the children until aged 26 so long as he is working and has access to an employer-

sponsored plan or until they have employment that provides it whichever comes first. Matthew will provide insurance for Calle indefinitely so long as he is working and can access an employer- sponsored plan without compensation from Lia.

19. If at any time the children are covered by the insurance plans of both parents, Matthew Call Goldsberry's plan should be designated as primary coverage and Lia Rebecca Goldsberry's plan should be secondary coverage for the children.

20. If a parent remarries and their dependent child is not covered by their insurance, but is covered by the step-parent's plan, the step-parent's plan should be treated as if it is the plan of the remarried parent and should retain the same designation for primary or secondary insurance as described above.

21. If the court or an administrative agency must determine which parent should be ordered to maintain insurance for medical expenses, the court or administrative agency may consider the:

- e. Reasonableness of the cost;
- f. Availability of a group insurance policy;
- g. Coverage of the policy; and
- h. Preference of the custodial parent.

22. The party who carries the insurance on the children should provide verification of coverage to the other parent, or to the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., upon initial enrollment of the dependent children, and

after initial enrollment on or before January 2 of each calendar year. That party should notify the other parent, or the Office of Recovery Services under Title IV of the Social Security Act, 42 U.S.C. Sec. 601 et seq., of any change of insurance carrier, premium, or benefits within 30 calendar days of the date the parent first knew or should have known of the change.

23. **Medical Insurance Premiums:** In accordance with Utah Code 81-4-501(2)-(4), Matthew shall pay the cost of medical insurance premiums for the children so long as he is employed and covered under an employer-sponsored medical benefit plan, with no compensation from Lia. The parties shall split the cost of insurance premiums if/when either party is no longer able to access an employer-sponsored plan.

24. **Out-of-Pocket Medical Expenses:** Each party should pay one-half of all reasonable and necessary health, optical, hospital, dental, orthodontic, psychological, and other medical expenses of any of the parties children covered by Medical Insurance provided by one of the parties including, but not limited to: out-of-pocket costs actually paid by either parent for the children's portion of health, optical, hospital, dental, orthodontic, psychological, and other medical insurance coverage and all reasonable and necessary uninsured health, optical, hospital, dental, orthodontic, psychological, and other medical expenses, including deductibles and co-payments, incurred for the dependent children and actually paid by either parent.

25. Either parent who incurs health, optical, hospital, dental, orthodontic, psychological, and other medical expenses for the parties' children should provide written verification of the costs and payment for the expenses to the other parent within thirty (30) days of payment. The other parent should reimburse them within thirty (30) days of receiving

verification of payment. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expense or to recover the other party's share of the expenses if that party fails to comply with this provision.

Utah Code 81-6-208.

26. Notice to Medical/Dental Expense Creditors. Pursuant to Utah Code Ann. §15-4-6.5, when a court order has been entered providing for the payment of medical expenses of a minor child pursuant to Utah Code Ann. §81-6-208 a creditor who has been provided a copy of the order may not make a claim for unpaid medical expenses against a parent who has paid in full that share of the medical and dental expenses required to be paid by that parent under the order, nor may the creditor make a negative credit report under or report of the debtor's repayment practices or credit history under Title 7, Chapter 14, Credit Information Exchange, regarding a parent who has paid in full that share of the medical and dental expenses required to be paid by the parent under the order.

27. **Childcare:** Each party should be responsible and liable for one-half of the reasonable costs of extra care for Calle, if any, actually incurred each month that is not covered by SSI or Medicaid. Both parties' portions of these childcare costs should be paid directly to the childcare provider in a timely manner. If a family member is providing childcare, then it should be presumed that those services are being provided free of charge. The parties should provide written verification of the cost and identity of the childcare provider to the other party, and should promptly notify the other party of any changes.

28. **Taxes:** Matthew Call Goldsberry shall claim Calle as a dependent for all applicable State and Federal income tax purposes, including any associated tax credits, so long as he remains the only party earning income.

29. In the event that Lia Rebecca Goldsberry becomes employed and earns income sufficient to claim Calle for tax purposes, the parties shall thereafter alternate tax years in which each may claim her as a dependent, including any related tax credits Unless otherwise agreed, Matthew Call Goldsberry shall claim Calle in the first alternating tax year following Lia Rebecca Goldsberry's employment, with the parties alternating each year thereafter.

Parenting Plan

30. The parties are permanently restrained from bothering, harassing, annoying, threatening, and/or harming the other party at any time or in any place.

31. **Communication:** The parties shall share all information about Calle regarding special events, medical events, and/or prescriptions to which the other parent may not have access. Information relating to Calle shall be provided to the other parent as soon as practical.

32. The parties may use email, text messages, or calls to communicate about Calle. Any communication between the parties will be civil in nature and free from any disparaging comments, threats, or derogatory language. The parties will refrain from sending multiple messages in a day and each party will make their best efforts to respond to any messages within 24 hours.

33. **Child Rearing:** The parties shall focus their attention on conversations about the children rather than each other. The parties shall encourage Calle to understand that differences in parenting styles and households occur and attempt to adapt to those differences without suggesting that the other parent is better or worse. The parties shall respect the other parent's right to establish an independent life with Calle so long as it is not detrimental to her development.

34. **Medical Information:** Both parties have the right to obtain medical information about Calle from healthcare providers directly without the necessity of going through the other party or getting their permission. Each party will be listed as a parent/guardian for all medical and dental provider contact.

35. **Notice of Activities:** Both parties will have the right to be notified by the other party of major events in Calle's life that they otherwise would not be aware of, so that they can have enough advance notice to attend.

36. **Decision-making:** The parties shall exercise joint legal custody of Calle. Day-to-day decisions involving Calle shall be made by the parent with whom Calle is then located.

Emergency decisions affecting the health or safety of Calle shall be made by the parent who is with her at that time. Significant decisions involving legal matters, education, religious upbringing, general health care, living arrangements, medical needs, treatment options, selection of health care providers, selection general care providers, dental needs, medication management, on-going life therapies, all shall be discussed in advance in attempt to reach an agreement.

- a. For any significant decision, the issue shall be presented in writing to the other party as soon as knowledge of the issue arises. The issue shall be identified in a separate communication thread within an email or text and titled "Legal Decision Needed." This thread shall be separate from other communication and exempt from any restrictions on communication limits.
- b. Once the issue is presented to the other party, the other party will respond to the written communication- even if the response is a request for more information or more time to respond.
- c. If available to them, the parties shall defer to a therapist, educator, physician or other professional if that individual has information relevant to the issue at hand as to what that professional's opinion is on the particular issue.
- d. Once all information about the issue is gathered and shared between the parties, the parties shall, after taking one another's opinions into consideration, make a decision about the unresolved issue.
- e. If the parties are at an impasse, they shall attend mediation with a mutually agreed upon mediator. No decision will be made on the disputed issue prior to mediation. Costs of mediation shall be shared equally.
- f. If an agreement is not reached in mediation, either party may bring the matter before the Court for decision.

g. If any provision within this decision tree is not followed, the offending party shall be responsible for the other party's attorney fees and litigation costs.

37. **Emergency Medical Decisions:** The parent who has Calle at the time she suffers a medical emergency has the authority to make any initial decision regarding emergency medical care. That parent will immediately notify the other parent of the emergency.

38. **Day-to-Day Decisions:** Whichever parent has Calle in his or her physical custody may make minor, day-to-day decisions regarding her and her care.

39. **Implementation of Treatment:** Each of the parties will facilitate, help, and promote administration of medication or other regimens of therapy for Calle as prescribed by a doctor.

40. **Out-of-State Travel:** Any parent intending to take Calle out of state will provide a brief itinerary to the other parent at least three weeks prior to travel, including a telephone number for -emergency communication. The parties will comply with the provisions of Utah Code 81-9- 202(19).

41. **Relocation:** The parties will follow the notice provisions of Utah Code 81-9-209.

42. **Tattooing, Body Piercing, and Permanent Cosmetics:** Neither parent will or allow others to permanently change the appearance of Calle's body, including but not limited to: body piercing, tattooing, permanent cosmetics, and other cosmetic procedures, without the written consent from the other parent.

43. **Corporal Punishment:** The parties will refrain from using corporal punishment with Calle and shall keep third parties from doing so.

44. **Mediation Before Litigation:** If the parties have a dispute concerning an issue addressed in the parent time provisions of the Decree or this Parenting Plan, they will seek first to resolve the dispute via mediation with a certified domestic relations mediator before conducting a hearing on any motion to enforce, interpret or modify the Decree.

Debts and Obligations

45. During the course of the marriage, the parties acquired certain debts and obligations. Each party should be ordered to pay the debt(s) in their own name and hold the other party harmless therefrom. If any joint debts are discovered, then the party who incurred the debt should be responsible and liable for it.

46. Each party should assume and pay their own individual debts and hold harmless the other party from liability on all debts and obligations (i.e. credit cards, student loans, utility bills) incurred by that party after separation.

47. Pursuant to Utah Code 81-4-406(4), the parties should notify respective creditors or obliges regarding the division of debts, obligations, and/or liabilities herein, and the parties' separate and current addresses.

Personal Property

48. **Personal Property:** During the course of the marriage relationship, the parties acquired certain items of personal property which should be divided as follows:

Property	Awarded To
2025 Kia Sportage	Lia
1999 Smokercraft Boat and Trailer	Matthew
1996 Yamaha Venture Snowmobiles and Trailer	Matthew
2010 Ford Fusion (used by the parties' son)	Matthew
2014 Ford Focus (silver hatchback)	Matthew

49. To balance equity, the parties agree that Lia should pay Matthew \$8,680.00, however, the parties have agreed to adjust this amount to \$7,000.00 in consideration for the son's car and any potential value for the snowmobiles. *See Exhibit A*, included by reference.

50. The parties have a shared stock portfolio through Raymond James, managed by the Karras Company and valued at \$113,834.09 as of 5/30/2026. Within 90 days of the finalization of the Decree of Divorce, Matt and Lia will work with the Karras Company to create individual Raymond James accounts and will instruct the Karras Company to split individual investments within the portfolio equally into each account to the extent possible using the advisor's best judgement. Any Raymond James asset class or residual that cannot be split will be awarded to Lia. The 2017 Ford F-150 referenced by Lia Goldsberry was sold in or about 2022 and is no longer owned by either party. The vehicle currently driven by Matthew Call Goldsberry is owned by his employer, WCF Insurance Company, and is not a marital asset subject to division.

51. The 2014 Ford Focus (black hatchback) referenced by Lia Goldsberry is titled in the name of one of the parties' children and is not subject to division as marital property.

52. **Secured Debt:** Each party being awarded property should also be responsible for the debt associated therewith.

53. **Accounts:** During the course of the marriage, the parties acquired various bank accounts in their individual or joint names. Joint bank accounts should be separated or closed out within thirty (30) days from the date the Decree of Divorce is finalized and any monies in the account should be equally divided between the parties. Each party should be awarded any individual bank account or bank account associated with any business interest a party is awarded, free and clear of any claim by the other party.

54. The final division of funds and equity has been determined and is reflected on the tables that are attached as ***Exhibit A*** and incorporated herein by reference. Matthew agrees that he will distribute \$50,000 of the \$71,736 due to Lia within five days of entry of the Decree of Divorce, with the remainder (\$21,736) distributed within 90 days of the first distribution.

55. **Personal Belongings:** Each party should be awarded their own personal belongings.

56. **Businesses:** During the course of the marriage, the parties have not acquired an interest in any business entities.

Retirement assets

57. During the course of the marriage, Matthew Call Goldsberry has acquired a 401(k) defined contribution plan, a 457 defined contribution plan, a Roth 401(k) plan (new this year), and a Roth IRA through Utah Retirement Systems (URS). URS does not use a standard Qualified Domestic Relations Order (QRDO), but instead uses its own Domestic Relations Order (DRO) and will reject orders not meeting their criteria.

58. The parties agree that these four Defined Contribution plans were, in all material aspects, accrued during the marriage and will be divided at 50% of their total value as of the date of entry of the decree of divorce without regard for any potential accumulation prior to the marriage. A Utah Retirement Systems Domestic Order (DRO) shall be prepared and entered for the division of the retirement accounts with the costs for the DRO being divided equally between the parties. Leading up to the division of the accounts, each party should receive the gains and losses associated with his or her portion of the accounts. Matthew Call Goldsberry shall be responsible for preparing paperwork and forms required for Utah Retirement Systems to execute the DRO, and should do so within 90 days of entry of the Decree of Divorce in this matter. Prior to submitting the paperwork, Matthew will provide a copy of the proposed DRO that he completed so that Lia can review and approve the same. If there are disagreements about the proposed paperwork, either party may approach the court for relief.

Pension

59. As part of his employment compensation, Matthew Call Goldsberry has accrued a Defined Benefit (pension) benefit through Utah Retirement Systems (URS). Lia Rebecca Goldsberry is awarded fifty percent (50%) of the marital portion of said pension, with the marital

portion defined as a fraction, the numerator of which is the number of months of credited service accrued during the marriage through the date of entry of the Decree of Divorce, and the denominator of which is the total number of months of credited service accrued under the plan at the time of retirement. This division shall be effectuated by a URS DRO, with Matthew responsible for preparing the paperwork and/or forms within 90 days of the entry of the Decree of Divorce, and the cost of which shall be allocated between the parties. Prior to submitting the paperwork, Matthew will provide a copy of the proposed DRO that he completed so that Lia can review and approve the same. If there are disagreements about the proposed paperwork, either party may approach the court for relief.

2026 Bonus

60. Matthew Call Goldsberry received an employee bonus of net \$96,026.82 (after taxes, funding of retirement accounts, and funding of the HSA - which are subject to equal division under the terms of this agreement) on or about March 13, 2026. Matthew Call Goldsberry agrees to equally split the proceeds of this bonus with Lia within 90 days of the divorce decree. Lia Rebecca Goldsberry agrees she will not be entitled to bonus amounts going forward, if any, including short term or long-term incentives or bonuses based on past performance that Matthew may be awarded in the future. Except as described herein, Lia expressly waives and relinquishes any present or future claim, right, title, or interest in Matt's post decree earnings or compensation of any kind, whether known, or unknown, contingent or vested, and agrees that such compensation shall not be considered marital property subject to division.

Real Property

61. During the marriage, the parties have acquired an interest in real property, commonly known as 5287 West Ravenna Court, Herriman, Utah 84096.

62. It is reasonable, necessary, and proper that Matthew Call Goldsberry be awarded the temporary and permanent exclusive use and possession of the Property, together with all right, title, and interest therein, including any reserve accounts, subject to his assumption of any and all mortgage obligations, property taxes, insurance, and all other expenses associated with the Property.

63. Matthew Goldsberry shall retain the marital residence in exchange for Lia Goldsberry receiving 50% of the agreed upon value after current mortgage payoff and refinance fees (net equity), with the amount to Lia Goldsberry being \$311,784.

64. Lia Rebecca Goldsberry has closed on a residence located at 12227 Koppers Lane and is solely responsible for the difference in value between the received equity for the primary residence and the purchase price of the new residence. Any ongoing expenses associated with the property at 12227 Koppers Lane, including mortgage (if any), taxes, insurance, and maintenance, shall thereafter be the sole responsibility of Lia Rebecca Goldsberry.

65. Lia Rebecca Goldsberry has vacated the marital residence as of May 1, 2026, and has no further interest in that property or any of the contents therein.

66. Lia Rebecca Goldsberry shall execute a Quitclaim Deed conveying all of her rights, title, and interest in and to the Property to Matthew Call Goldsberry prior to completion of

the refinance. In the event Lia Rebecca Goldsberry fails or refuses to execute said Quitclaim Deed, Matthew Call Goldsberry may seek an order of the Court transferring title pursuant to Rule 70 of the Utah Rules of Civil Procedure. Upon transfer, Matthew Call Goldsberry shall hold Lia Rebecca Goldsberry harmless from any and all obligations associated with the Property with the costs for such order being paid by Matthew Call Goldsberry.

67. During the marriage, the parties acquired an interest in a cabin located at 150 West Bear Tooth Road, Coalville, Utah, which is held through Mandelbaum Properties, LLC and jointly owned with third parties. Due to the nature of the LLC ownership, the property cannot be readily partitioned. The parties have agreed that Matthew Call Goldsberry shall buy out Lia Rebecca Goldsberry's interest in said property for the sum of \$25,000.00 within 90 days of the date of the divorce decree. Upon payment of said amount, Lia Rebecca Goldsberry shall have no further right, title, or interest in the cabin or the LLC, and Matthew Call Goldsberry shall be awarded all such interest free and clear of any claim by Lia Rebecca Goldsberry.

Miscellaneous

68. **Alimony:** Matthew Call Goldsberry shall pay alimony to Lia Rebecca Goldsberry in the amount of \$5,500.00 per month for a period of fourteen (14) years or until such time as the pension activates. This amount reflects the standard of living established during the marriage, the parties' historical income levels, and Lia Rebecca Goldsberry's ability to become employed. In the event once it is activated the pension amount paid to Lia Rebecca Goldsberry is less than \$5,500.00 per month, Matthew Call Goldsberry will make up the amount so that it equals \$5,500.00 for the remainder of the 14 years. If the pension exceeds \$5,500.00 per month at any time, alimony will terminate. Alimony shall also terminate upon the earliest of: (a) expiration of

the 14-year term; (b) death of either party; (c) remarriage of Lia Rebecca Goldsberry; or (d) cohabitation as defined by Utah law. The parties acknowledge that alimony is taxable to Matthew Call Goldsberry and non-taxable to Lia Rebecca Goldsberry. The first alimony payment shall be due on July 1, 2026, and continuing on the first day of each month thereafter.

69. **Restoration of Maiden Name:** Lia Rebecca Goldsberry's name should be restored to Lia Rebecca Newton, if she so chooses.

70. **Delivery of Documents and Duty to Sign Documents:** Each party should be ordered to execute and deliver to the other such documents as are required to implement the provisions of the Decree of Divorce entered by the court. Should a party fail to execute a document within 90 days of the entry of their divorce decree, the other party may bring a Motion to Enforce before the court, at the expense of the disobedient party. Under a Motion to Enforce, the court may appoint some other person to execute the document pursuant to Rule 70 of the Utah Rules of Civil Procedure. Any document executed pursuant to Rule 70 has the same effect as if executed by the disobedient party.

71. **Interpretation/Applicability:** This document should be governed by Utah law in all respects. Any references to Utah statute herein should mean the Utah Code in effect as of the date of entry of the final order.

72. **Severability:** If a provision of the order resulting from this complaint is or becomes illegal, unenforceable, or invalid in any jurisdiction, it should not affect: (1) the enforceability or validity in that jurisdiction of any other provision of the order, or (2) the enforceability or validity in other jurisdictions of that or any other provision of the order.

73. The court should grant such other and further relief as it may deem just and appropriate in this matter.

74. **Disclosure:** The parties acknowledge that each has fully and completely disclosed to the other all assets of every kind and nature known to him or her in which he or she may have any interest whatsoever, and that this Agreement encompasses and deals with all such assets and that there are no assets or liabilities contingent or otherwise that have not been disclosed in connection with the final settlement of this matter through the financial declarations and as herein set forth and to be distributed between the parties. If it is later discovered that a party failed to disclose an asset, the other party may be awarded the entirety of that asset.

75. **Full Settlement:** Contingent on the court entering final orders fully consistent with the terms hereof, this Agreement shall fully and finally resolve both parties' pending petitions for divorce. The terms set forth herein shall affect a full and complete settlement of all claims and disputes between the parties, and supersedes any prior oral or written agreements between them. Both parties acknowledge that this Agreement is a compromise settlement agreement resolving disputed claims, and that the terms hereof cannot be construed as an admission of any kind of fault or wrongdoing on the part of either party. Without limiting the generality of the foregoing, each party hereby represents and warrants that he/she/they: has conducted all discovery that he/she/they wishes to conduct and is satisfied that he/she/they has adequate information to settle this case; has carefully read this Agreement and had ample opportunity to discuss the terms hereof with independent legal counsel of his/her/their own choosing; understands the foregoing and intends and agrees to be bound hereby of his/her/their

own free will and volition (free from duress, coercion, or undue influence of any kind); and attests that the above terms are fair, equitable, reasonable.

76. **No Construction Against Drafter:** Each of the parties understands, acknowledges, and agrees that they have contributed to drafting this Agreement, and specifically, intentionally, and knowingly waive any right to allege, assert, or claim the benefit of any rule requiring construction against the drafting party.
