The sum is known as the base child support award, for the minor child of the parties, pursuant to the Uniform Child Support Guidelines, until a child becomes 18 years of age, or has graduated from high school during the child's normal and expected year of graduation, whichever occurs later. When a child becomes 18 years of age or has graduated from high school during the child's normal and expected year of graduation, whichever occurs later, the base child support award is automatically adjusted based on the remaining children and the incomes from the most recent support order.

The base child support award should be reduced by 50% for each minor child for time periods during which such minor child is with the noncustodial parent by order for at least 25 of any 30 consecutive days.
