IT IS HEREBY ORDERED, ADJUDGED, AND DECREED as follows:

1. Bonds of Matrimony. That the bonds of matrimony heretofore existing between

Petitioner, CAMBRIA TROST PARKER, and Respondent, BROC DANIAL PARKER, be and the same are hereby dissolved.

2. Children. There are three (3) minor children of the marriage - T.P. (born 11/2008), C.P. (born 7/2014), and K.P. (born 10/2015). No other children are expected.

3. Physical Custody/Parent-Time - Oldest Child. Cambria is awarded sole physical and legal custody of the parties' oldest child and Broc shall have parent time with the child if and as the child desires.

4. Physical Custody/Parent-Time - Two Youngest Children. The parties shall share joint physical custody of the parties' two youngest minor children. Summer parent time is agreed upon and planned for 2026. Summers beginning in 2027 shall be 50-50 parent time on a week-on, week-off rotating schedule, with exchanges on Fridays at 9:00 a.m. The summer schedule shall start on the Friday after school is out. The party who has the first weekend after school ends shall have the first Friday to Friday week in the summer. Beginning when school starts in the Fall of 2026, Broc shall have parent time per UCA 81-9-303 having every Tuesday beginning at 9 am until Wednesday morning at 9:00 am and every other weekend from Friday at 9:00 am until Monday at 9:00 am.

5. Beginning on January 1, 2027, the parties shall follow a 50-50 parent time schedule with Broc having every Monday at 9:00 a.m. overnight until Wednesday at 9:00 a.m. Cambria shall have Wednesday at 9:00 a.m. through Friday at 9:00 a.m. if it's Broc's weekend or through the weekend until Monday at 9:00 am if it's Cambria's weekend. The parties shall not have extended summer parent time. They shall each take their summer vacations

on their regular parent time weeks.

6. The receiving parent shall conduct transportation for parent time. Exchanges shall be at the parties' homes, curbside, at 9:00 a.m.

7. The holiday parent time schedule shall follow the Alpine school district schedule using the posted online school calendar.

8. The parties shall follow the holiday schedule in §81-9-302 (including all statutory changes effective May 2026) with Cambria designated as the custodial parent for holiday schedule purposes only. The holiday schedule shall take priority over the summer schedule. For the children's birthdays, the parent who does not get the child on their birthday in that year gets to choose whether they get the child the day before or the day after the child's birthday from 3pm-9pm.

9. Each party shall have one, ten-day, consecutive period of time during the school year, which cannot be taken over the other parent's holiday and which includes that parent's weekend. The parties shall provide at least sixty days notice of this time. If there's a conflict, Cambria shall have first choice in odd years and Broc having first choice in even years.

10. The parties shall support a healthy and positive relationship between the parties and children and shall not disparage the other party or do anything that would decrease the love and affection that the children have for both parents.

11. The parties shall ensure that third parties interacting with or driving the kids shall follow the same restrictions that apply to the parents.

12. The parties shall ensure that any clothing or toys that move between the two

homes rotate freely and are returned promptly. Electronic devices, other than the children's personal phones, shall not be transferred between homes. This includes laptops, tablets, etc.

13. Travel. The children may travel outside the country. The parties shall apply for a passport for the children and share equally in the cost of the passport. Cambria shall fill out the application and gather all necessary documents for the passport acceptance agent. After consultation with Broc, Cambria shall schedule an appointment with the passport acceptance facility. Both parents shall attend the appointment and sign the documents as instructed by the passport acceptance agent. Cambria shall hold the passports in odd years and Broc shall hold the passports in even years. The passport shall be given to the traveling parent 14 days prior to travel and returned to the handling parent 14 days after returning from travel. If the passport needs to be renewed prior to Our Children turning 18, the same steps apply.

14. Cell Phones. The children shall have cellular phones to facilitate communication with both parents and to meet the children's reasonable needs.

15. Cambria shall maintain and administer the cellular phone account and shall provide Broc with documentation of any monthly service charges and replacement or repair costs. Cambria shall pay 100 percent of cell phone costs.

16. The parties acknowledge that Cambria is the account holder and administrator of the children's devices and associated accounts. Broc's payment of a portion of the children's phone expenses shall not entitle him to access any passwords, login credentials, Apple IDs, account information, account settings, parental controls, device management features, cloud services, backups, location-sharing settings, or any other administrative access associated with

the children's devices or the accounts through which they are managed. If he would like to have access to these, he may purchase his own devices for the children to use at his home.

17. Legal Custody/Decision-Making. The parties shall share joint legal custody of the two youngest children.

18. The parties shall communicate regarding major decisions through Our Family Wizard ("OFW"). Major decisions shall include matters involving non-routine medical treatment, dental treatment, mental health services, educational programming, school placement, and significant extracurricular commitments. Within forty-eight (48) hours of learning of a matter requiring a major decision, the parent receiving the information shall notify the other parent through OFW and provide all available information. Both parents shall then have seven (7) days to discuss the issue and exchange their positions, supporting information, and recommendations.

19. If the parties are unable to reach agreement, they shall consult with an appropriate neutral professional possessing expertise in the area of dispute, including but not limited to physicians, dentists, therapists, educational specialists, teachers, coaches, or other qualified professionals. Both parents shall have access to the professional's recommendations and any supporting information used to formulate those recommendations.

20. If disagreement persists following consultation with professionals, the parties shall participate in mediation with a mediator experienced in high-conflict parenting matters. Mediation shall occur within thirty (30) days of either parent's written request unless the parties agree otherwise. During this period, the status quo shall remain in effect unless delaying the decision would pose a substantial risk to the child's health, safety, or welfare.

21. If mediation is unsuccessful, either parent may petition the Court for resolution of the dispute. However, in situations involving routine medical care, educational accommodations, counseling recommendations, or other issues in which a qualified neutral professional has provided a recommendation, there shall be a rebuttable presumption that the professional's recommendation is in the child's best interests unless compelling evidence demonstrates otherwise. Neither parent shall make unilateral decisions regarding major decisions.

22. Medical. The children shall remain in therapy at Mountain View Family Therapy and with their current medical and dental providers unless otherwise agreed upon by the parties. If any medical appointments occur on the military base, Broc shall ensure that Cambria has access to the base for this purpose.

23. The parties shall provide through OFW each other with the names, addresses and phone numbers of any additional professionals providing health care to Our Children (e.g., psychologists, social workers, counselors, dentists, physicians, occupational therapists, orthodontists, osteopath etc.).

24. Both parties shall sign any consent forms required for Our Children to receive health care treatment.

25. Both parties shall provide the other parent with copies of any medical or professional reports and records we have pertaining to Our Children. Either of us may obtain reports directly from any professionals associated with Our Children. If required by that professional, we shall sign all necessary consents for our co-parent to receive such information.

26. Only the children's providers can determine diagnosis and treatment. Neither

parent shall make these determinations unless the illness is considered something like the flu or a cold.

27. Schooling. The parties' youngest son shall begin public school in the Alpine school district at North Point Elementary in the fall of 2026. Educational progress for this child shall be monitored yearly. If testing indicates below-average performance, stagnation, or regression in academic skills, or if public school is impacting the child's mental or emotional health, the parties shall consult with educational professionals and implement recommended interventions, including tutoring, specialized instruction, or other educational supports or home school as appropriate.

28. The parties' daughter shall remain in The Good and the Beautiful Home School Program and/or iXL or any other mutually agreed upon homeschool curriculum. Both parties shall participate in home schooling and decide what is taught & how it is handled in their own home and each party shall home school the child when she is in his/her care. 1) Cambria shall provide documentation of academic instruction for her home and Broc for his home; 2) The home schooled child shall submit to annual standardized academic testing and monitoring of progress. If testing indicates below-average performance, stagnation, or regression in academic skills, the parties shall consult with educational professionals and implement recommended interventions, including tutoring, specialized instruction, or other educational supports or public school as appropriate.

29. Religion. The parties shall uphold and honor the attendance of the children at various churches and theologies, embracing both shared and divergent values. It is our

commitment not to disparage each other's beliefs or values to the children.

30. The parties shall discuss any religious ordinances within 48 hours of receiving the information. If the children are 12 years of age or older, the parties shall also consider their feelings and needs regarding the ordinances. In the event that the parties cannot reach an agreement on a religious ordinance, they shall follow the decision making procedure herein.

31. Unless agreed upon otherwise, any religious activities, events, or volunteer work that the children wish to participate in, organized by our church, must occur during each parent's own parent time.

32. At no time, shall any of the children attend an interview with a church leader alone and without a parent present. If an interview is set up, both parents shall be invited to attend and given 48 hour notice of the interview. During these interviews there are to be no questions surrounding a child's sexual worthiness or activities.

33. Relocation/Proximity. Both parents shall provide a minimum of sixty (60) days written notice to the other parent prior to any anticipated change of residence. The notice shall include the proposed address, anticipated moving date, and any information relevant to the children's educational, extracurricular, medical, or parenting-time arrangements.

34. Neither parent shall relocate his or her primary residence more than thirty (30) minutes from the other parent's residence without either: (1) the written agreement of the other parent; or (2) further order of the Court. If either parent seeks to relocate beyond the recommended geographic limitation, the parties shall first attempt mediation prior to seeking judicial intervention. Any proposed relocation shall be evaluated in light of its impact on the

children's educational needs, social relationships, extracurricular participation, sibling relationships, and ability to maintain substantial and meaningful contact with both parents.

35. If the parties relocate more than 150 miles from their current residence, the provisions of UCA 81-9-209 shall apply.

36. Communication. The parties shall use a structured parallel-parenting communication model. All routine communication regarding the children shall occur through Our Family Wizard ("OFW") unless otherwise agreed. Telephone calls and text messages shall be reserved for actual and bona fide emergencies involving the children. Any substantive information exchanged outside of OFW shall subsequently be documented within OFW to ensure transparency and continuity of information.

37. The parties shall respond to routine communications within forty-eight (48) hours. Communications shall remain child-focused, concise, factual, and future-oriented. Communication shall be limited to sharing necessary information regarding the children's health, education, extracurricular activities, schedules, and developmental needs; making requests regarding schedule modifications; and coordinating matters affecting the children's welfare. The parties shall communicate as business partners whose shared responsibility is the successful raising of their children. Communications shall be respectful, professional, and free from sarcasm, criticism, accusations, personal attacks, profanity, or commentary regarding the other parent's character, motives, or past conduct.

38. Communication shall follow a one-topic-per-message format whenever possible. Messages shall include specific proposals when action is requested and shall clearly identify who

will do what, when, and where. Responses shall consist of an acceptance, rejection, or reasonable counterproposal. Issues that have been addressed and resolved shall not be repeatedly revisited absent a material change in circumstances. Repetitive messaging, relitigation of prior disagreements, or attempts to continue previously concluded arguments shall be avoided.

39. Neither parent shall use the children as messengers, sources of information, or intermediaries for communication with the other parent. The children shall not be asked to carry messages, report on the activities of the other household, monitor the other parent, or communicate adult concerns regarding parenting disputes. Likewise, neither parent shall discuss litigation, custody proceedings, financial disputes, child support matters, allegations against the other parent, or adult relationship issues with the children. The children shall be free to maintain relationships with both parents without feeling responsible for adult conflicts or decisions.

40. Extracurricular Activities. The parties shall share equally in the cost of the parties' daughter's competition gymnastic costs for as long as she is enrolled in competition gymnastics or another sport if she decides to switch. Each party shall pay his/her share within thirty days of receipt of the invoice. The parties shall share equally in one sport that their youngest son chooses. All other extracurriculars shall follow statute.

41. Combined Support (Child Support and Alimony). Broc's income is \$20,000.00 gross per month. Cambria's income is imputed to \$3,000 gross per month.

42. Beginning in July 2026, Broc shall pay total combined support for child support and alimony to Cambria as follows: \$6,500.00 per month for 3 years and \$4,500.00 per

month for 3 years. Support shall be paid ½ by the 5th of each month and ½ by the 20th of each month. Cambria's support shall terminate upon cohabitation with a romantic partner, remarriage or death of either party. At the time that alimony terminates, the parties shall exchange income information and calculate child support based on their incomes at that time or income imputed per a vocational assessor.

43. Broc shall provide and pay for the children's health, dental and vision insurance premiums and the parties shall share equally in all out of pocket medical costs incurred for the children pursuant to UCA 81-6-208, within thirty days of receipt of the invoice.

44. Property Settlement. Broc is awarded the TSP account in his name with a balance of approximately \$40k, free and clear of any claim by Cambria.

45. Broc is awarded 100 percent of his Granger Medical 401k, free and clear of any claim by Cambria.

46. Broc is awarded his Hyundai Palisade, free and clear of any claim by Cambria and subject to all loans and financial obligations associated with the vehicle. Cambria is awarded her Hyundai Tucson, free and clear of any claim by Broc. Broc shall pay off Cambria's vehicle within thirty (30) days of execution of the agreement.

47. There is no real or other personal property to divide and each party shall be awarded all personal property now in his or her possession.

48. Restraints. If the parties are in a setting such as a medical appointment or doctor's waiting room, they shall stay as far away as possible from the other party and shall not

approach each other, communicate or interact except as necessary to facilitate the purpose of the appointment. If the parties are at any other type of event, including but not limited to, sporting, social, school, practice, performance, meet, game, etc., the parties shall stay on opposite sides of the arena/event or if staying on opposite sides is not possible or practical (such as at a gymnastics meet), the parties shall maintain at least twenty foot distance from one another and shall not in any way interact, communicate, make gestures, facial expressions or otherwise.

49. The parties shall not stalk, monitor, harass, annoy, bother, threaten or otherwise interfere in the other party's life.

50. The parties shall not post anything on social media naming the other party.

51. An ongoing criminal investigation in case no. 26-14577 is pending. Upon final closure or resolution of the criminal case, Broc shall permanently delete and not disseminate any photos of Cambria, including any intimate photos of her. Before the photos are permanently deleted, Broc shall not disseminate them (hard copy, email, social media etc.), duplicate them (hard or electronic copy), print them or use them in any way. Broc shall ensure that the children and any third party shall not have access or view the photos.

52. Taxes. The parties shall amend their 2024 taxes to file jointly. The parties shall cooperate and sign any doc necessary for the amended return. Broc shall pay any liability or receive any refund.

53. Cambria shall claim the oldest and youngest for tax purposes. Broc shall claim the middle child for tax purposes. When only one child can be claimed, the parties shall alternate

years with Cambria claiming the child in even years and Broc claiming the child in odd years.

54. Restoration of Maiden Name. Cambria shall be returned to her maiden name of Trost if she so desires.

55. Attorney Fees. Each party shall pay his or her own attorneys' fees incurred in this action.
