Counsel for Respondent

**IN THE THIRD JUDICIAL DISTRICT COURT
SALT LAKE COUNTY, STATE OF UTAH
SALT LAKE DEPARTMENT**

In the Matter of the Marriage of:	DECREE OF DIVORCE
NICOLE ISOM, Petitioner,	
and,	Case No. 224906632 DA
MATTHEW ISOM, Respondent.	Judge: Richard Pehrson Commissioner: Joanna Sagers

This matter comes before the Court on Petitioner's Verified Petition for Divorce and Notice of Divorce Education Requirements, filed November 23, 2022, and Respondent's Counterclaim, filed December 20, 2022. The parties participated in multiple mediation sessions throughout this case and also attended a Rule 4-903 Settlement Conference. Petitioner has been represented by several different attorneys throughout the course of this case but is currently self-represented, having elected to proceed pro se. Respondent has been represented by Mark K. Nelson throughout these proceedings and continues to be represented by Mr. Nelson. The minor children have been represented by, and continue to be represented by, Guardian ad Litem, Allison

Librett. The parties executed a comprehensive Settlement Agreement resolving all issues, which was filed with the Court on July 17, 2026.

Having reviewed and accepted the terms of the parties' Settlement Agreement, and finding that all required documents are in proper order, and having entered its findings of fact and conclusions of law, the Court HEREBY ORDERS, ADJUDGES AND DECREES AS FOLLOWS:

FINDINGS OF FACT

DECREE OF DIVORCE

1. Petitioner and Respondent are hereby awarded a Decree of Divorce, severing the bonds of matrimony, such to become final upon entry by the Court.

CHILD CUSTODY AND PARENT-TIME

2. The Parties have the following two minor children: C.I. (DOB 12/2016) and T.I. (DOB 06/2018). The Parties have no other minor children together and none are expected.

3. Petitioner and Respondent have been litigating this matter since this case was filed in 2022. The case has been contentious. Attendant to their divorce case was a protective order case also filed in 2022, that was dismissed on January 13, 2025. There have been several police reports filed, and several DCFS cases opened and closed. There was a guardian ad litem appointed in the protective order case and a different guardian ad litem appointed in the divorce case. The court appointed a child custody evaluator who gave the parties her findings and recommendation at the Rule 4-903 settlement conference. The court ordered the parties to communicate through ourfamilywizard.com. The case has been hotly contested and bitter

throughout. There has been a significant amount of evidence gathered by both parties in this case. Despite all of this the parties have reached this agreement regarding their children that will avoid an acrimonious trial.

4. Utah shall be declared the home state of the minor children, and Utah shall retain jurisdiction over all custody and parent-time matters.

5. Petitioner and Respondent shall be awarded joint legal custody pursuant to the Parenting Plan herein. Respondent shall be awarded sole physical custody of their minor children in the State of Utah.

6. Petitioner has relocated outside the state of Utah and now resides in the state of California. Petitioner shall be awarded parent-time for out of state parents pursuant to Section 81-9-209, UCA, modified as follows:

a. Pursuant to Section 81-9-209(9)(a), UCA, in years ending in an odd number, the minor children shall spend the following holidays with Petitioner: (i) Thanksgiving holiday beginning Wednesday until Sunday; and (ii) Spring break, if applicable, beginning the last day of school before the holiday until the day before school resumes.

b. Pursuant to Section 81-9-209(9)(b), UCA, in years ending in an even number, the minor children shall spend the following holidays with Petitioner: (i) the entire winter school break period; and (ii) the Fall school break beginning the last day of school before the holiday until the day before school resumes.

c. Every Independence Day and every Pioneer Day.

d. Extended parent-time during the entire summer, with the exception that Respondent shall be awarded the first two weeks (14 days) of summer beginning the day following the minor children's last day of school, and the last two weeks of summer beginning 14 days before the first day of school, unless otherwise agreed to in writing.

e. Pursuant to Section 81-9-209(9)(d), UCA two weekends per month, at the option and expense of the Petitioner. Pursuant to Section 81-9-209(12)(a), UCA, (i) If the Petitioner has not designated a specific weekend for parent-time, the Petitioner shall receive the last weekend of each month unless a holiday assigned to the Respondent falls on that particular weekend, (ii) If a holiday assigned to the Respondent falls on the last weekend of the month, the Petitioner is entitled to the next to the last weekend of the month. The second weekend each month shall be agreed upon by the parties together.

7. Pursuant to Section 81-9-209(16), UCA, the relocating party shall be responsible for all the minor children's travel expenses relating to paragraph (14)(a), 14(b), 14(c) and 14(e) above. Petitioner and Respondent shall each pay one-half of the minor children's travel expenses relating to Subsection (14)(d), provided the Petitioner is current on all support obligations.

8. Petitioner and Respondent shall each be awarded phone calls with the minor children at reasonable times and for a reasonable duration. The minor children shall be permitted to call either parent whenever they choose.

9. For emergency purposes, whenever the minor children travel with either parent, all of the following shall be provided to the other parent:

(a) an itinerary of travel dates;

- (b) destinations;
- (c) places where the child or traveling parent can be reached; and
- (d) the name and telephone number of an available third person who would be knowledgeable of the child's location.

10. In the event a parent relocates more than 150 miles from either parent's home, then the relocating parent shall comply with the requirements of Section 81-9-209, UCA, regarding any notice of relocation, with the exception that the minor children shall not be relocated until the Parties have reached a signed agreement that is filed with the Court and/or a court order is entered regarding the custody and parent-time of the Parties.

CHILD SUPPORT

- 11. Petitioner is currently not employed and has a gross monthly income of \$0.00.
- 12. Respondent is employed full-time and has a gross monthly income of \$2,500.00.
- 13. Petitioner shall pay monthly child support to the Respondent in the amount of \$30.00 per month. However, based upon the fact that the child support is nominal, Respondent waives any claim to child support and states that he is capable of providing for the minor children without the nominal amount of child support.

HEALTH CARE EXPENSES

14. Pursuant to Section 81-6-208(3), Utah Code Annotated, the parents should provide health insurance for the medical expenses of their children if health insurance is available to the parents at a reasonable cost. If insurance for medical and dental expenses is available or becomes available to either parent at reasonable cost, and is accessible to the

children, the parents should be responsible for maintaining insurance for their dependent children. The parent that is able to obtain insurance for medical and dental expenses that provides the best coverage at the most favorable cost should provide the insurance for the children. Because Respondent and the minor children will continue residing in Utah and Petitioner will reside outside the State of Utah, Respondent should provide medical insurance for the minor children if he is able to obtain medical insurance at a reasonable cost.

15. If, at any point in time, the minor children are covered by the medical or dental insurance of both parents, the medical or dental insurance of Respondent shall be primary coverage for the minor children and the medical or dental insurance of Petitioner shall be secondary coverage for the minor children. If a parent remarries and his or her minor children are not covered by that parent's medical or dental insurance but is covered by a step-parent's medical or dental insurance, the medical or dental insurance of the step-parent shall be treated as if it is the medical or dental insurance of the remarried parent and shall retain the same designation as the primary or secondary plan of the minor children.

16. Petitioner and Respondent shall each be solely responsible for the payment of the health insurance premiums for any policy that he or she elects to obtain covering the minor children. Neither party shall be required to reimburse or contribute toward the cost of the other party's insurance premiums for the minor children. Each party shall maintain any such coverage at his or her own expense. This provision applies only to the payment of insurance premiums and does not alter any obligations regarding the payment or allocation of the minor children's uninsured or unreimbursed medical expenses, which shall be addressed in the next paragraph.

17. Petitioner shall not be responsible for any reasonable and necessary uninsured or unreimbursed medical, therapeutic or vision expenses. Petitioner and Respondent shall share equally all reasonable and necessary uninsured or unreimbursed dental and orthodontic expenses incurred for the minor children, including co-payments, co-insurance, and deductibles. However, after Respondent obtains health insurance coverage for the minor children and then allows such coverage to lapse, for any reason other than it is not available to him at a reasonable cost, then any uninsured medical or related expenses incurred during the period of lapsed coverage shall be the sole responsibility of Respondent.

18. A parent who incurs medical expenses shall provide written verification of the cost and payment of medical expenses to the other parent within 30 days of payment.

19. In addition to any other sanctions provided by the court, a parent incurring medical expenses may be denied the right to receive credit for the expenses or to recover the other parent's share of the expenses if that parent fails to provide written verification of the cost and payment of medical expenses to the other parent within 30 days of payment.

20. The party that maintains insurance for the dental and orthodontic expenses of the minor children shall provide verification of coverage to the other party on or before January 2 of each year and shall notify the other party and the State of Utah, Office of Recovery Service ("ORS"), if ORS is providing collection services, within 30 days of any change of coverage.

21. The parent who provides the insurance coverage may receive credit against the base child support award or recover the other parent's share of the minor children's portion of the premium. If the parent does not have insurance but another member of the parent's household

provides insurance coverage for the children, the parent may receive credit against the base child support award or recover the other parent's share of the children's portion of the premium. If ORS has an open case to collect child support for the parties, then the parties shall provide notice of any needed information regarding insurance coverage and if notice is not provided to ORS, then no credit shall be applied toward the child support obligation by ORS.

22. All medical expenses for the minor children are current with the exception of Watson Orthodontics and a few other medical bills incurred since Petitioner relocated to California. The parties shall exchange the required verification of the medical and dental expenses incurred and each party shall pay their one-half of the minor children's medical and dental expenses.

CHILD CARE EXPENSES

23. Petitioner and Respondent shall each be solely responsible for any child care expenses incurred during their respective parent-time. Neither party shall seek reimbursement or contribution from the other for child care costs incurred while the minor children are in that party's care, unless otherwise expressly agreed to in writing by the parties.

EXTRA CURRICULAR ACTIVITIES

24. Petitioner and Respondent shall each be solely responsible for the cost of any extra-curricular activities that they choose to enroll the children in.

REAL PROPERTY

25. During the marriage, the parties acquired an interest in real property located at 4570 S. Arcata Road, Salt Lake City, Utah 84124. The home and real property shall be awarded

to Petitioner as her sole and separate property, subject to Petitioner paying Respondent One Hundred Ninety-Five Thousand Dollars (\$195,000.00). Petitioner shall pay Respondent his share of the equity within ninety days of the entry of the Decree of Divorce. Respondent shall be entitled to an equitable lien against the home for his share of the equity. In the event Petitioner does not pay the amount owed within ninety days of the entry of the Decree of Divorce, the home shall be immediately listed for sale and sold as soon as reasonably possible, and the title company shall distribute the sale proceeds as follows: First, to pay the balance of the mortgage; Second, to pay the costs of sale (i.e. closing costs real estate fees, etc.); Third, Petitioner and Respondent shall each be awarded one-half of the remaining equity. In the event the house is sold Petitioner and Respondent shall agree upon a real estate agent, that is not either party or related to either party, agree upon the listing price, sale price and shall agree to accept an offer, and shall follow the recommendations of the real estate agent.

26. Upon receipt of his share of the equity, Respondent shall release any lien he has placed upon the home and real property, including the *Notice of Lis Pendens* that Respondent recorded in the Salt Lake Recorder's office on September 26, 2023.

PERSONAL PROPERTY

27. Petitioner shall be awarded (i) her own separate personal property, including any property brought into the marriage, inheritance, and gifts, (ii) her clothes and personal effects, (iii) the vehicle she is currently driving, (iv) any and all bank accounts existing in her own individual name and (v) whatever marital property and home furnishings currently in her possession, except as otherwise ordered herein.

28. Respondent shall be awarded (i) his own separate personal property, including any property brought into the marriage, inheritance, gifts, and all of Respondent's hand and power tools, and (ii) his clothes and personal effects, (iii) the vehicle he is currently driving, (iv) the boat, (v) any and all bank accounts existing in his own individual name, and (vi) whatever marital property and home furnishings are currently in his possession, except as otherwise ordered herein.

29. The parties shall cooperate with one another to close any joint bank accounts, if any, and any funds therein shall be divided equally between the parties.

30. Regarding the embryos, Respondent shall have full and complete decision-making authority regarding the embryos and shall take full control and financial responsibility of the outstanding balance and all costs going forward, and shall hold Petitioner harmless from any balance owing, including removing the Petitioner's name from the account. Nicole and Matt agree that any future use, transfer, donation, or adoption of the embryos shall be conducted only as an open adoption arrangement. Both parties acknowledge and agree that "open" means some level of future contact, communication, updates, photographs, or knowledge regarding any child born from the embryos.

(3) A parent-time schedule shall be used to maximize the continuity and stability of the minor child's life.

(4) Each parent shall give special consideration to make the minor child available to attend family functions including funerals, weddings, family reunions, religious holidays, important ceremonies, and other significant events in the life of the minor child or in the life of either parent which may inadvertently conflict with the parent-time schedule.

(5)

(a) The court shall determine the responsibility for the pick up, delivery, and return of the minor child when the parent-time order is entered.

(b) The court may change the responsibility described in Subsection (5)(a) at any time a subsequent modification is made to the parent-time order.

(c) If the noncustodial parent will be providing transportation, the custodial parent shall:

(i) have the minor child ready for parent-time at the time the minor child is to be picked up ;
and

(ii) be present at the custodial home or make reasonable alternate arrangements to receive the minor child at the time the minor child is returned.

- (d) If the custodial parent will be transporting the minor child, the noncustodial parent shall:
 - (i) be at the appointed place at the time the noncustodial parent is to receive the minor child; and
 - (ii) have the minor child ready to be picked up at the appointed time and place or have made reasonable alternate arrangements for the custodial parent to pick up the minor child.

(6) A parent may not interrupt regular school hours for a school-age minor child for the exercise of parent-time.

(7) The court may:

- (a) make alterations in the parent-time schedule to reasonably accommodate the work schedule of both parents; and
- (b) increase the parent-time allowed to the noncustodial parent but may not diminish the standardized parent-time provided in Sections 81-9-302 and 81-9-304.

(8) The court may make alterations in the parent-time schedule to reasonably accommodate the distance between the parties and the expense of exercising parent-time.

(9) A parent may not withhold parent-time or child support due to the other parent's failure to comply with a court-ordered parent-time schedule.

(10)

- (a) The custodial parent shall notify the noncustodial parent within 24 hours of receiving notice of all significant school, social, sports, and community functions in which the minor child is participating or being honored.

- (c) Child care arrangements existing during the marriage are preferred as are child care arrangements with nominal or no charge.

(14) Each parent shall:

- (a) provide all surrogate care providers with the name, current address, and telephone number of the other parent; and

- (b) The parent who celebrates a religious holiday that the other parent does not celebrate shall have the right to be together with the minor child on the religious holiday.

(16) If the minor child is on a different parent-time schedule than a sibling, based on Sections 81-9-302 and 81-9-304, the parents should consider if an upward deviation for parent-time with all the minor children so that parent-time is uniform between school aged and nonschool aged children, is appropriate.

(17)

- (a) When one or both parents are servicemembers or contemplating joining a uniformed service, the parents should resolve issues of custodial responsibility in the event of deployment as soon as practicable through reaching a voluntary agreement pursuant to Section 78B-20-201 or through court order obtained pursuant to this part.
- (b) Service members shall ensure their family care plan reflects orders and agreements entered and filed pursuant to Title 78B, Chapter 20, Uniform Deployed Parents Custody, Parent-time, and Visitation Act.

 - (E) an offense that is substantially similar to an offense under Subsections (18)(b)(iii)(A) through (D).

(19)

- (a) For emergency purposes, whenever the minor child travels with a parent, the parent shall provide the following information to the other parent:
