Attorney for Petitioner

IN THE THIRD JUDICIAL DISTRICT COURT IN AND FOR
SALT LAKE COUNTY, STATE OF UTAH

In the Matter of the Marriage of: COREY TYLOR, Petitioner, and STEPHANIE L. TYLOR, Respondent.	DECREE OF DIVORCE Case No. 214904172 Judge: Jones Commissioner: Minas
--	---

This matter came before Commissioner Russell Minas for an informal custody trial on May 20, 2026 on a Petition for Divorce, pursuant to Rule 4-904 of the Utah Rules of Judicial Administration. The parties executed the necessary waivers either in writing or in open court. Petitioner appeared and was represented by his attorney Stephen R. Nemelka. Respondent represented herself pro se. Also present were J. Brody McKelvie, Assistant Attorney General, and Amy Williamson, Private Guardian Ad Litem. The Court having now made and entered its Findings of Fact and Conclusions of Law; and good cause appearing;

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED AS FOLLOWS:

1. The parties are hereby granted a Decree of Divorce in the above-entitled matter based upon the grounds of Irreconcilable Differences, this Decree shall become absolute and final upon the signing and of said Decree by the clerk of the above-entitled Court.

Children

2. The parties are the legal and biological parents of two minor children: K.T. (born January 2013, now age 13), and K.T. (born May 2016, now age 10). Both minor children were born prior to the parties' marriage date; however, both minor children shall be considered children born of the marriage.

3. Corey has been the children's sole caretaker for the past 3.5 years and Stephanie's parent-time has been supervised for most, if not all, of this period. Corey began providing sole care of the children on or about November 1, 2022.

Custody and Parent-Time

4. Corey shall be awarded sole legal and physical custody of the parties' children K.T. born May 2013, and K.T. born May 2016.

5. Stephanie's parent-time shall remain supervised at mutually

agreed upon times, by mutually agreed upon supervisors. At this time, due to Stephanie's circumstance no set schedule shall be ordered. For now, staff at Valley Behavioral Health may supervise her parent-time. The benchmarks for lifting supervised parent-time shall be as follows:

a. Stephanie must prove long-term sobriety without relapses. Corey may request that Stephanie submit to drug and alcohol testing in a manner of his choosing, and Stephanie shall timely comply, meaning by the end of the next business day. Corey shall pay the initial costs of the tests. If the tests are positive or if Stephanie fails to comply with testing, then she shall be responsible for reimbursing Corey;

b. Stephanie must be free of criminal matters, which includes cases wherein she is on probation or subject to a plea in abeyance arrangement. In addition, unsuccessful criminal case closure may remain an issue for this court;

c. Stephanie must remain in substance abuse and mental health counseling as recommended by her providers, and shall provide the court with periodic updates from her providers as to the present condition of her mental health and sobriety.

6. The next parent-time review is set for July 20, 2026 via Webex teleconference.

7. Ultimately, the goal if possible is to lift supervision and

provide Stephanie with parent-time pursuant to Utah Code 81-9-302.

8. Corey shall be awarded the authority to make all child-rearing decisions without consultation with Stephanie, but he shall keep Stephanie informed of all major child-rearing decisions, including medical and schooling decisions.

9. Stephanie shall be listed as the children's mother on all of the children's school, medical, extracurricular documents. She shall have the right to direct access to all of the children's records and providers.

10. Stephanie may attend all of the children's school and extracurricular activities that are open to parental participation. Corey shall keep Stephanie informed of such events.

11. While her parent time is supervised, Stephanie shall not check the children out of school.

12. Once supervision is lifted, child exchanges for parent-time shall occur curbside at the home of the parent who is relinquishing the children to the other parent. The retrieving parent shall remain in their vehicle and send a text message to the other parent that they are there and waiting. Until supervision is lifted, child exchanges at Stephanie's shall occur through the supervisor.

13. Stephanie is entitled to reasonable virtual parent-time with the

children, as reasonable hours and for reasonable duration. Corey shall be responsible for ensuring that Stephanie's phone number is not blocked on the children's phones. The issue of whether a child does not want to speak with Stephanie shall be reviewed by the court if this problem persists.

14. The parents shall communicate with each other via text messaging, keeping the conversation civil at all times. Neither parent shall block the other parent's phones.

Child Support

15. Commencing July 2026, using the low income table, Stephanie's ongoing child support obligation shall be \$167.00 per month, pursuant to the Utah Child Support Guidelines. The child support is based upon Corey's gross income of \$3,785.00 per month and Stephanie's \$1,400 gross per month in Social Security Disability Benefits.

16. If the children receive a cash benefit due to Stephanie's disability, then that shall be credited toward her monthly child support obligation, but not to result in any reimbursement if the amount directed to the children from the SSA exceeds the amount of the child support order.

17. The State of Utah shall be awarded judgment against Stephanie in the amount of \$12,520.00, representing public assistance overpayments between September 2021 to October 2023.

18. The issue of child support arrearages as between Stephanie and Corey is reserved for future judicial proceedings. The court remains unclear as to precisely how much each party may have been earning prior to November of 2022.

Restraining Orders

19. Both parties shall be restrained from bothering, harassing, annoying, threatening or harming the other party at their respective places of residence, employment, or any other place.

20. Both parties shall be restrained from coming onto the property of or entering the residence of the other party without that party's express invitation. The parties' children do not have the authority to invite in the other parent who does not live at that residence.

21. Both parties shall be restrained from making any denigrating or derogatory remarks about the other parent, directly to or in the presence of the minor children, or in any public forum, including social media. The parents shall say only positive words about each other to the children, and shall ensure that the children have the right to be loved by both parents, and they shall encourage the same.

22. The parties shall be restrained from using the children as messengers between the parents, and shall shield the children from the

parental conflict.

23. The parties shall be restrained from discussing the issues of the divorce with the children, including the custodial arrangement.

24. The parents shall dissuade third parties from engaging in the behaviors that they themselves are restrained from committing. If third parties persist, the parents shall remove the children from that environment altogether.

Child Care Expenses

25. The parties shall divide equally all reasonable and necessary out-of-pocket work-related child care expenses actually incurred for the benefit of the minor children. A party incurring a child care expense shall provide verification of the same to the other party within 30 days of the date the expense was incurred, and reimbursement for one-half of the expense shall be made within 30 days thereafter. Failure to remit timely verification may be deemed as a waiver of the right to reimbursement.

Child Health Insurance and Medical Expenses

26. At least one parent shall maintain a policy of health insurance for the benefit of their minor children. The parties shall divide equally the children's portion of out-of-pocket health insurance premiums paid by a parent. The children's portion of insurance costs shall be calculated by

dividing the total premium amount by the number of persons covered under the policy and multiplying the result by the number of children at issue in this case.

27. A parent carrying health insurance covering the children shall provide verification of insurance coverage to the other parent upon initial enrollment of the children and whenever there occurs any change of insurance carrier, premium, or benefits within 30 days of the date they first knew or should have known of the change.

28. If at any point in time the children are covered by the insurance plans of both parents, the plan of Corey shall be considered as primary coverage, and the plan of Stephanie shall be considered secondary coverage. If a parent remarries and the children are covered by a step-parent's plan, that plan shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan.

29. The parties shall divide equally all reasonable and necessary uninsured medical, dental, accident, hospital, optical, psychotherapeutic, orthodontic expenses, including all deductibles and copayments incurred for the children and actually paid by a parent. A parent who incurs medical expenses on behalf of the children shall provide written verification of the cost and payment of medical expenses to the other parent within thirty (30)

days of payment, and reimbursement shall be made to that parent within 30 days thereafter. Failure to remit timely verification may be deemed as a waiver of the right to reimbursement.

30. Corey shall be awarded judgment against Stephanie in the amount of \$981.93, representing 50% of his child prescription medication expenses proven at trial.

31. Corey shall be awarded judgment against Stephanie in the amount of \$175.00, representing 50% of proven out-of-pocket orthodontic expenses.

32. The parties shall also divide evenly 50% of the outstanding bill owed to Intermountain Healthcare, in the amount of \$485.10 (Account #1006035696) to be reimbursed as payments on that account are made, subject to proof of payments.

Taxes

33. Beginning tax year 2026, the parties shall share the children for use on respective taxes with Stephanie having one minor child for use on her returns and Corey having one minor child for use on his returns. When there is only one minor child eligible for use on taxes then the parties shall rotate use of the last child with Stephanie having use in odd years and Corey using the minor child in even years.

34. Stephanie must be current on all child-related expense and support obligation to claim a child for use on taxes. If by December 31st of any year, Stephanie is not current on support and expenses then Corey shall be awarded the children for his returns automatically.

-----END OF DECREE OF DIVORCE-----

In accordance with the Utah State District Courts' eFiling Standard No. 4, and URCP Rule 10(e), this Decree of Divorce does not bear the handwritten signature of the Judge, but instead displays an electronic signature at the upper right-hand corner of the first page along with the Court's seal and the date the same was executed by the Court.
