IN THE THIRD DISTRICT COURT, TOOELE COUNTY

---	---

This matter having been presented to the Court on the parties' Stipulation, and the Court having considered the matter, the Stipulation of the Parties, and being fully advised in the premises, now makes, and enters as follows:

JURISDICTION AND GROUNDS

1. The parties filed a Stipulation and Settlement Agreement that is incorporated as part of this Decree of Divorce ("Decree").
2. Dora is a resident of Tooele County, State of Utah.
3. The parties were married on December 23, 2013, in Ogden, Utah.
4. The parties separated on or about January 3, 2023.
5. This Court has general and personal jurisdiction over this matter under the Utah Code.

6. This Court is the proper venue for this action under the Utah Code.
7. No children were born of this marriage, and none are expected.
8. During the marriage, irreconcilable differences have arisen, making a continuance of the marriage impossible.

EQUITABLE PROPERTY DIVISION

9. Neither party is awarded alimony, and it is forever waived.
10. During the marriage, the parties acquired certain items of personal property. Each party will retain their own separate and premarital property. Any marital personal property has already been divided.
11. The parties shall each retain all their own financial accounts.
12. The parties shall each retain all their own retirement accounts and benefits.
13. The parties previously resided together in real property located at 18677 North Queen Dr., Dolan Springs, Arizona 86441 (the “marital home”). The marital home is partially owned by Arleene Kearl (Michelle’s grandmother) whose name is on the title and is primary on the loan obligation. Dora’s name appears on title, and her name may be associated with the mortgage loan obligation. Michelle will retain sole possession of the marital home. The parties understand that Arlene’s interest in the home shall be transferred to Michelle, including in the event of Arlene passing. Dora’s interest in the home shall be transferred to Michelle, including in the event of Dora passing. Dora and Michelle will co-operate in removing Dora’s name from the title of the marital home as soon as possible via quit claim deed. If necessary, Dora and Michelle will co-operate with removing Dora’s name from the mortgage loan obligation. It is anticipated

that Michelle will need some time to complete the removal of Dora's name regarding the marital home due to the status of the mortgage. Michelle shall continue to pay the mortgage obligation as well as indemnify and hold Dora harmless from any financial obligations concerning the marital home. The parties shall cooperate with third parties and sign any necessary documentation to implement the terms of this Decree.

14. The parties will each retain the vehicles currently in their possession. Dora will retain her 2011 Chevrolet Impala. Michelle will retain the 2017 Jeep Renegade. Michelle will assume all debt and responsibility for the Renegade. Dora's name is currently associated with the loan and title for the Renegade. Currently, the Renegade is worth less than the outstanding loan on the vehicle and a refinance is not possible. Michelle will remove Dora's name from the title and loan when it becomes possible. It is anticipated that Michelle will need some time to complete the removal of Dora's name due to the status of the loan. The parties shall hold each harmless from any obligations associated with the vehicles they will retain.

15. This global property settlement division is equitable under the circumstances of this case.

16. The parties formally waived all other claims to any property, account, asset, or estate, and are not responsible for any obligation, of the other.

17. The parties are each ordered to pay and assume, and hold the other harmless from, every debt she has incurred independent of the other party from the date of separation forward. There are no known joint or marital debts other than the mortgage and the vehicle debt

mentioned above herein. All separate debts shall be entirely retained by the party who incurred the debt.

18. In accordance with the above allocation of debts, the parties shall hold each other harmless from the debts which have been allocated to them, and shall indemnify each other for any costs, charges or fees incurred because of a defense or claim made against the other for payment on those debts.
