Attorneys for Petitioner

IN THE SECOND JUDICIAL DISTRICT COURT IN AND FOR WEBER COUNTY, STATE OF UTAH	
In the Matter of the Marriage of: JESSICA GLOVER, Petitioner, and RODNEY GLOVER, Respondent.	DECREE OF DIVORCE Civil No. 264900726 <i>Discovery Tier 4</i> The Honorable Cristina Ortega Commissioner Brandon Richards

The above-captioned matter has come before the Court for disposition based on the parties' Stipulation and Settlement Agreement (the "Stipulation" or "Agreement"), filed with the Court on or about May 4, 2026. The Court, having reviewed the Stipulation and finding the terms thereof to be fair and reasonable, having made its Findings of Fact and Conclusions of Law, and being fully informed in the premises, now hereby ORDERS, ADJUDGES, and DECREES as follows:

1. **Decree of Divorce.** The Petitioner is granted a Decree of Divorce, final upon entry, severing the bonds of matrimony heretofore existing between the parties, upon the grounds of adultery by the Respondent.

2. **Children.** The parties have three (3) minor children born as issue of their marriage, to wit: BCG, born September 2008; CMG, born March 2015; and ARG, born May 2017.

3. **Legal Custody.** The Petitioner is awarded sole legal custody of the minor children.

4. **Physical Custody.** The Petitioner is awarded sole physical custody of the minor children.

5. **Parent Time.**

a. As a result of the ARG's special needs, ARG has a need for structure and consistency in his daily routine. Accordingly, the Respondent is awarded parent time with ARG as the parties may agree and, if the parties cannot agree, the Respondent shall be entitled to have parent time with ARG on alternating weekends from Saturday at 12:00 p.m. until Sunday at 9:00 a.m. to facilitate the Respondent's work schedule and ARG's ability to attend church with the Petitioner.

b. As a result of the need to limit transitions and disruptions in ARG's schedule, the Respondent shall not have midweek parent time with ARG.

c. The parties shall defer to the wishes of the children in determining when the Respondent will exercise parent time with BCG and CMG.

d. Parent-time exchanges shall occur at the Petitioner's residence, with the Respondent responsible for pickup up and dropping off the children for exchanges.

6. **Holiday and Summer Parent Time.** Holiday and summer parent time shall be as the parties may agree. If the parties cannot agree, the children shall spend holidays and summer breaks with the Petitioner.

7. Each party shall provide the other with his or her current address and telephone number, including cell phone numbers, within 24 hours of any change.

8. The parties shall be polite and cordial and behave maturely toward each other.

9. Each party may make decisions regarding the day-to-day care of the children during his or her parent time.

10. The children shall be entitled to have reasonable phone contact and virtual parent time with both parties, as the children may desire.

11. The minor children shall not be used as messengers or as problem-solvers. Any and all communication regarding the children shall be between the parties, and neither party shall use the children to convey information about finances or to schedule visitation/parent-time changes or other modifications. Likewise, if the parties have a dispute that must be resolved in court, neither party shall discuss with the children any items relating to the court proceeding, and both parties shall prevent all others from doing the same.

12. Each party shall ensure the children's schoolwork is given priority while the children are in his or her care. The parties shall reasonably assist with and facilitate the

completion of a minor child's homework, school projects, and other extracurricular activities or projects.

13. **Education Plan.** In accordance with Utah Code Ann. § 81-9-203(11), the Petitioner's residence is designated as the children's primary residence for purposes of school attendance. The Petitioner shall have the authority to make education decisions for the children, and the Petitioner shall have access to the minor children during school and the authority to check the children out of school.

14. **Relocation.** If either party relocates more than 149 miles from the other party's residence, the parties shall comply with Utah Code Ann. § 81-9-209.

15. **Special Events.** Special consideration shall be given by each party to make the children available to attend family functions including funerals, weddings, family reunions, religious holidays, important ceremonies, and other significant events in the life of a child or in the life of either parent which may inadvertently conflict with the parent-time schedule. When these types of special events conflict with the parent-time schedule, the parties shall abide by the following:

a. The party seeking to have the children for the special event shall provide the other party with reasonable notice of the event as far in advance as is practical under the circumstances.

b. For family activities and other special events that are outside the regular and holiday parent-time schedule, the party requesting the additional parent time shall pick up and drop off the children at the beginning and end of said parent time.

16. **Romantic Partners.** Neither party shall allow romantic partners or non-relative adults of the opposite sex to spend the night at a party's residence during his or her parent time unless that party is married to the individual or has been in a committed relationship with the individual for at least six (6) months.

17. **Roommates.** Neither party shall have any roommates living at his or her residence unless the other party agrees to the roommate in writing beforehand.

18. **Child Support.** The Respondent shall pay child support to the Petitioner in the amount of \$1,800 per month. The parties have acknowledged that this amount represents an upward deviation of the child support and have agreed to the deviated amount in exchange for the Petitioner being responsible for 100% of the children's cell phone costs and extracurricular expenses.

a. Unless the parties agree otherwise, child support shall be paid by the first day of each month.

b. If the minor children attend college, additional support may be necessary to support the children through college. Accordingly, the parties shall reassess child support once BCG graduates from high school.

c. Either party shall be entitled to initiate services with the Utah Office of Recovery Services for the collection and management of child support.

19. **Healthcare Expenses.** The parties shall provide health and dental care coverage for the medical and dental expenses of the minor children in accordance with Utah Code Ann. § 81-6-208, as follows:

a. The parties shall share equally the out-of-pocket costs of the premiums actually paid by a party for the children's portions of the health and dental insurance. Each child's portion of the premium is a per capita share of the premium actually paid. The premium expense for a child is calculated by dividing the premium amount by the number of persons covered under the policy and multiplying the result by the number of children in the instant case.

b. If, at any point in time, a child is covered by the health insurance plans of both parents, the health insurance plan of the Petitioner shall be primary coverage for the children, and the health insurance plan of the Respondent shall be secondary coverage for the children. If a parent remarries and the children are not covered by that parent's health insurance plan but are covered by a stepparent's plan, the health insurance plan of the stepparent shall be treated as if it is the plan of the remarried parent and shall retain the same designation as the primary or secondary plan of the children.

c. The parties shall share equally all reasonable and necessary uninsured and out-of-pocket medical, dental, vision, orthodontia, and mental healthcare expenses incurred on behalf of a child, including copayments, coinsurance, and deductibles.

20. **Education Expenses.** The parties shall share equally the costs of the minor children's education-related expenses, school fees, and school supplies.

21. A party who incurs medical or education expenses on behalf of a child shall provide written verification of the cost and payment of such expenses to the other party within

thirty (30) days of payment, and the other party shall provide reimbursement for his or her share of the expenses within thirty (30) days thereafter.

22. **Extracurricular Activities.** The Petitioner shall be responsible for 100% of the expenses associated with the minor children's extracurricular activities. The Petitioner may sign the children up for extracurricular activities in accordance with the children's wishes, and each party shall support such activities, even if they interfere with a party's parent time.

23. **Children's Phones.** The Petitioner shall be solely responsible for the cost of any cell phones provided for the children.

24. **Real Property.** During the marriage, the parties acquired real property located at 1763 North 275 West, North Ogden, Utah (the "marital home"). In exchange for the Respondent being awarded 100% of his military retirement income, the Petitioner is awarded the marital home, including all equity existing therein.

a. The Respondent's name shall remain on the mortgage for the marital home so long as the Petitioner owns the home.

b. The Petitioner shall be responsible for all mortgage payments, utilities, and other expenses associated with the marital home, and shall indemnify and hold harmless the Respondent thereon.

25. **Personal Property.** During the course of their marriage, the parties acquired various items of personal property, which they have already divided. Accordingly, each party is awarded the personal property currently in his or her possession, including the following:

a. The Petitioner is awarded the following items of personal property, free and clear of any right, claim, or interest by the Respondent, and subject to any indebtedness or obligation thereon:

- i. Five (5) four-wheelers;
- ii. Trailer;
- iii. 2016 Ford Focus;
- iv. 2022 Jeep Grand Cherokee; and
- v. 2025 Chevrolet Suburban.

b. The Respondent is awarded the following items of personal property, free and clear of any right, claim, or interest by the Petitioner, and subject to any indebtedness or obligation thereon:

- i. 2018 Dodge Ram 2500; and
- ii. 2017 Voltage Toy Hauler.

c. Each party shall indemnify and hold harmless the other party for any debts associated with the personal property he or she is awarded herein.

d. Each party shall cooperate and sign any documents necessary to transfer title to any vehicles as awarded herein.

e. In the event there are items of personal property not addressed herein, the parties shall work together to divide these items. In the event of a disagreement over the division of personal property, the parties shall attend mediation to resolve the issue and shall share equally the cost of such mediation.

26. **Bank Accounts.** During the marriage, the parties acquired various bank and financial accounts, all but one of which have already been divided. Accordingly, each party is awarded the bank accounts in his or her own name.

a. **USAA Joint Account.** The parties have one remaining joint bank account, with USAA. This account shall remain open until the Respondent's support obligations terminate, and this account shall be used solely for the payment of support and the reimbursement of medical and educational expenses for the children.

27. **Investment Accounts.** During the marriage, the parties acquired various investment accounts, which have already been equitably divided. Each party is awarded any investment accounts in her and his name, or as previously divided by the parties, free and clear of any claim by the other.

28. **Retirement Accounts.** During the marriage, each party acquired a military retirement account. Each party has waived his or her right to the military retirement account of the other. Accordingly, each party is awarded his or her own military retirement account in its entirety, free and clear of any right, claim, or interest by the other party.

29. **VA Disability Benefits.** During the marriage, each party received VA disability benefits. Each party is awarded his or her own VA disability benefits, free and clear of any right, claim, or interest by the other party.

30. **Military Survivor Benefits.** Each party has waived his or her entitlement to any military survivor benefits of the other party. Accordingly, neither party shall be entitled to any military survivor benefits of the other party, now or in the future.

31. **GI Bill Benefits.** During the marriage, the Respondent transferred to the Petitioner twelve (12) months' worth of the Respondent's GI Bill education benefits. The Petitioner shall be entitled to retain those benefits, and the Respondent has specifically waived any claims he may have had with respect to the GI Bill educational benefits.

32. **Debts.** The parties have represented they have no joint/marital debts other than those expressly set forth herein, including the debts relating to the real and personal property set forth above.

a. **Credit Cards.** During the marriage, the parties acquired various credit card debts in each of their individual names. Each party shall be solely responsible for the credit cards in his or her own name, and shall indemnify and hold the other harmless.

b. Each party is restrained from incurring any additional debts on accounts in both parties' names, and each shall cooperate to remove the other party's liability and/or name from any joint debt as soon as possible, with the exception of the obligations on the vehicles awarded to each party pursuant to paragraph 25 herein. Each party is restrained from applying for or receiving credit in the other party's name. Pursuant to Utah Code Ann. § 81-4-204, the parties shall notify each of their creditors, and such notice shall inform each creditor which party is primarily liable for the debt with that creditor following the entry of a decree of divorce in this matter, and each party shall give the creditor the name and address of both parties.

33. **Taxes.** The parties shall file taxes as “married, filing separately” for tax year 2025. The Petitioner shall be entitled to claim the minor children each year for purposes of federal and state income taxes.

34. **Spousal Support.** Each party is employed and sufficiently able to support himself or herself. Accordingly, neither party shall be entitled to receive alimony or spousal support from the other.

35. **Petitioner’s Former Name.** At her option, the Petitioner shall be restored to her former name.

36. **Execution of Decree.** Each party shall execute and deliver to the other any documents necessary to implement the provisions of the Stipulation and Settlement Agreement and this Decree of Divorce.

37. **Cooperation.** Each party shall cooperate to implement the provisions of the Stipulation and Settlement Agreement and this Decree of Divorce.

38. **Attorney Fees.** Except as set forth below, each party shall pay his or her own respective attorney fees and costs.

39. **Breach of Agreement.** In the event either party to the Stipulation and Settlement Agreement defaults in his or her obligations thereunder, the party in default shall be liable to the other party for all reasonable expenses, including attorney fees and court costs incurred in the enforcement of the obligations created by the Stipulation or this Decree of Divorce.
