The custodial parent's normal parent-time and holiday parent-time do not count as an interruption of the consecutive day requirement.

33. If a child receives cash assistance through the T.A.N.F. or F.E.P. programs, any agreement by the parties to reduce child support during extended parent-time must be approved by the Office of Recovery Services.

34. The person ordered to receive child support can request mandatory income withholding (Utah Code 62A-11 parts 4 and 5). If support is past due, the State of Utah may take federal or state tax refunds or rebates and apply the amounts to the child support owed.

If the children receive TANF funds at the time an adjustment is sought, ORS will review

the order and ask the court to adjust the amount if appropriate. (Utah Code 62A-11-306.2).

40. The parties can ask to change this child support order at any time by petition if there has been a substantial change in circumstances because of material changes in:

- custody;
- the relative wealth or assets of the parties;
- income of a parent of 30% or more;

- the medical needs of the child; or
- the legal responsibilities of either parent for the support of others.

(Utah Code 81-6-202 and 81-6-212)

The change must result in a difference of 15% or more between the amount previously ordered and the new amount of child support under the Utah child support guidelines. The difference may not be temporary.
