3 The Supreme Court created the Office of Legal Services Innovation and the Legal  
4 Services Innovation Committee to assist the Supreme Court in overseeing and  
5 regulating nontraditional legal services providers and the delivery of nontraditional  
6 legal services through a pilot legal regulatory sandbox. The Office of Legal Services  
7 Innovation will be housed at the Utah State Bar and is responsible for operating the  
8 legal regulatory sandbox in accordance with the policies adopted by the Supreme  
9 Court. The Office of Legal Services Innovation Committee is a Supreme Court advisory  
10 committee that makes policy-based recommendations for action by the Court.
